

Our Lady of Good Counsel Catholic Church Endicott, NY

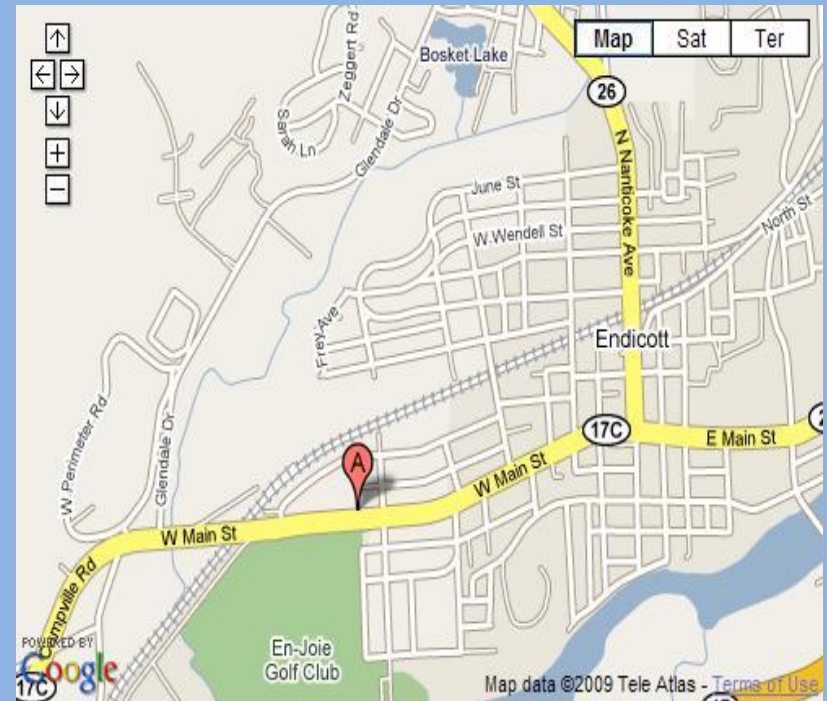

A Brief History

Parish History/Timeline

- **November 3, 1940** Our Lady of Good Counsel had its beginnings on as a Mission Church of St. Ambrose parish under the patronage of Monsignor Alexis L. Hopkins.
- **The new church would serve 243 Endicott families in the area west of Nanticoke Avenue.**
- **August 31, 1941 - Construction completed**
- **September 6, 1941 - Reverend Charles O'Farrell was appointed the first pastor. Father resided in the rectory of St. Ambrose until a suitable dwelling was found close to the church.**
- **October 1941** Our Lady of Good Counsel church was officially dedicated by Bishop Walter Foery.

What was my church's focus at the founding? What stories have been passed down from that time?

- Establishing a church to serve the Catholic community west of Nanticoke Ave in Endicott
- OLGC has never been identified with any specific ethnic immigrant community
- OLGC inherited a generation of IBM, General Electric, Endicott Johnson workers who established a Parish home for their children
- BAE, Lockheed Martin still attract employees from around the country that find a home at OLGC
- OLGC continues a rich tradition of outreach and pastoral ministries.

- **Health Ministry**

What is the relationship of the Parish with the wider denominational family?

Ugandan Girls School Mission

Our mission is to enable women to achieve empowerment and overcome poverty and oppression through education, financial and emotional assistance.

Started as a vague idea, but with a strong commitment to assist poverty-stricken women and girls, it has since flourished into a spiritual and successful journey that brought us to Uganda and Father Varghese's mission there. Through the generosity of the parish, we are currently supporting the education of 46 girls in Iyolwa, Uganda! This provides a life-changing path of hope for these girls.

An excerpt from a letter from Uganda. Rose Mary was raised in deep poverty by her Grandmother before she had the opportunity to go to the school in Iyolwa

I am Rose Mary who has been helped by the family of OLGC. With deep appreciation and gratitude to God and to you, friends from OLGC, for the kind support you render to me and other girls. My life has been a tapestry of challenges and blessings...a journey that has shaped me into the person I am today. I faced circumstances that tested my resilience and determination.

With your help I've completed my Secondary School, and I desire to join the sisters. I discovered my calling to serve a higher purpose, to offer my life in the service of a religious congregation. I am now in Kenya doing my aspirancy. Your contributions have made me who I am today, and for that, I am eternally grateful.

Heifer International Mission

Since the Mission's inception in 2013, our Religious Education Classes 1-12, with Heifer International, have given so much to alleviate poverty for the world's poor. In doing so, the kids have gained so much!

What they've given: Each school year, they've donated to purchase many animals, which lifted families and communities out of a life of poverty. They now have sustainable income and economic security.

What they've gained: They've learned that even kids can make a difference. They've learned the joy of giving and formed a lifetime of commitment to social justice. They've learned about the animals and other cultures and countries. They've learned how fortunate they are in comparison to so many others. **They've also had fun, played games and earned prizes!**

What is the history of the congregation with relation to its building or buildings?

- Church supported all expansion projects through fund raising to relieve the Parish of the debt taken on to complete these projects.
- The only lingering regret was shutting off the view of the Stained Glass windows behind the Altar when the Eucharistic Chapel was created in 1990. This was corrected in 2015 during the Sanctuary Renovation Re-exposing the OLG windows

Altar(ation)

Before
1991-2016

After
2016-Present

What strands do I see in the present that stretch back to the past?

Altar, Presiders Chair, Ambo, and Baptismal Font were all built by Richard Avery, a 2nd generation parishioner from a charter family.

Crucifix over the Altar, and the Processional Cross are both originals to OLG, dating back to 1941.

Stained Glass Windows in the Atrium were formerly from St. Mary's Church, Binghamton.

Over 50 Luncheon has been active for 40 years. Wonderful opportunity to connect with "Golden Agers"

How can I use the stories of the past to strengthen the congregation, and myself, in the present?

We hear wonderful stories of how parishioners grieved, celebrated and lived their faith well through our community connections. Sadly, we hear most of these stories during funeral and memorial service reflections.

Still, sharing these memories remind us that we do have a great impact on any and all people in our lives, and recognize the impact others have had upon ours.

Stained Glass Windows

15 Large Stained Glass Windows in the body of the church depict the 5 Joyful, 5 Sorrowful, 5 Glorious Mysteries of the Rosary
