Climb to the Top of Google and Increase Sales

Your complete guide to get ahead of the competition and find new customers online

STEP 1

Strategy

Are you losing business to your competition due to poor online visibility? The majority of your customers search for local businesses via Google Search. We specialise in helping local businesses get to the top of the search results to increase sales.

Your journey with Eazi-SEO begins by developing a clear strategy to boost your digital presence. We appreciate that every business is different and we will create the right plan for you.

Your SEO Strategy Plan:

- ✓ Keyword Suggestion
- ✓ Competitor Analysis
- ✓ Content Plan
- ✓ Local SEO

STEP 2

Implementation

For a fixed monthly fee Eazi-SEO will implement your new strategy and help you increase sales. We will deliver our services for a fixed hourly rate offering a measurable return on your investment.

Our team of SEO specialists focus on three key activities:

Technical SEO

Content Creation

Building Backlinks

STEP 3

Results

We believe that SEO should deliver a clear return on investment. Eazi-SEO will track your website performance on Google and deliver monthly reports to keep you up to date.

Keyword Tracking

We will monitor your website position for keywords your customers are searching for.

Analytics Reporting

Discover the impact your SEO results are having on customer acquisition and revenue.

Backlinks Analysis

We will track all new and lost backlinks, as well as analysing your competitor's backlinks.
