Kansas City Travel Co Payment Authorization & Terms and Conditions

By submitting this payment authorization, I acknowledge and agree to the following terms:

1. Authorization to Charge

I authorize Kansas City Travel Co and/or the applicable travel supplier to charge the payment method provided for the travel arrangements and amount(s) disclosed in connection with this authorization. This authorization applies only to the agreed-upon transaction(s) and does not permit additional charges without separate authorization.

2. Pricing and Availability

I understand that travel pricing, availability, promotions, and applicable taxes or fees are subject to change until my reservation is confirmed by the travel supplier. Any material pricing changes will be communicated for my approval before payment is processed.

3. Deposits and Final Payments

I understand that deposits and final payment deadlines are determined by the applicable travel supplier. Some deposits may be nonrefundable. Failure to make required payments by the specified deadlines may result in cancellation of my reservation and forfeiture of applicable payments.

4. Cancellations, Changes, and Refunds

I acknowledge that cancellation, modification, and refund policies vary by travel supplier and reservation type. Certain bookings may be partially or entirely nonrefundable. Any applicable penalties, restrictions, or fees are governed by the terms disclosed at the time of booking.

5. Travel Protection

I understand that travel protection insurance may be available and is recommended to help protect against certain unexpected events. Coverage, exclusions, eligibility, and benefits vary by policy. Declining travel protection may expose me to financial losses that are not recoverable.

6. Payment Processing

I understand that payments may be processed directly by airlines, cruise lines, resorts, tour operators, or other travel suppliers. Charges may therefore appear on my statement under the supplier's name rather than Kansas City Travel Co.

7. Accuracy of Information

I confirm that the traveler information provided for my reservation is accurate. I understand that errors in names, dates, or other booking details may result in additional fees or restrictions imposed by the travel supplier.

8. Acknowledgment and Consent

By submitting this authorization, I confirm that I am authorized to use the payment method provided, have reviewed the applicable reservation details and payment terms, and consent to the specified charge(s).

I understand that submission of this authorization does not guarantee a confirmed reservation until the applicable travel supplier has accepted and confirmed the booking.
