

Southcentral Foundation

Alaska Subspecialty Pediatric Network Endocrinology and Diabetes Clinic

Southcentral Foundation is now serving all families in need of pediatric endocrinology or diabetes care living in the Anchorage area, regardless of Indian Health Service status.

Our experienced team of pediatric endocrinologists, diabetes educators, and support employees are equipped to diagnose, manage, and treat a wide range of conditions, including:

- Diabetes (Type 1, Type 2, monogenic, etc.)
- Growth and puberty disorders
- Thyroid disorders
- Adrenal gland conditions
- Bone and mineral disorders
- Other complex endocrine issues

How to make a referral:

To refer a customer to the SCF ASPN Endocrinology and Diabetes Clinic, please:

1. Fax a referral form, including relevant customer demographics and medical history, to **907-729-5425**.
2. Alternatively, call **907-729-6210** to discuss a referral or if you have any questions about services.

Scan the QR code
to view the
ASPN referral form.

We look forward to collaborating with you to improve the health and well-being of all pediatric customers, Tribal and non-Tribal, throughout Alaska.

Dr. Parisa Salehi, MD

PHYSICIAN ENDOCRINOLOGIST

Dr. Salehi, MD, earned her medical degree from the University of Nevada School of Medicine in 2007. She completed her pediatric training at Children's Hospital of Orange County in 2010 and a pediatric endocrine fellowship at Children's Hospital Los Angeles in 2013. Dr. Salehi worked at Seattle Children's Hospital for 11 years, serving as an associate professor of pediatrics in endocrinology. She has extensive experience in endocrine care, diabetes management, and gender-affirming care. Dr. Salehi also developed and directed the Prader-Willi Syndrome Clinic, and was a medical provider in the Gender Clinic. She enjoys traveling, gardening, crocheting, cooking, and spending time with her family, including her active toddler.

Dr. Cydney L. Fenton, MD, FAAP

PHYSICIAN ENDOCRINOLOGIST

Dr. Fenton, MD, FAAP, is a board certified pediatric endocrinologist with extensive experience in endocrine care and diabetes management. She earned her medical degree from Boston University School of Medicine and completed her pediatric residency at Fitzsimons Army Medical Center and Madigan Army Medical Center, followed by a fellowship in pediatric endocrinology at Walter Reed Army Medical Center. Dr. Fenton previously served as medical director of the Endocrine and Diabetes Clinic in Anchorage and developed the Turner Syndrome Clinic at Akron Children's Hospital. She enjoys traveling, gardening, baking, and spending time with her family and grandchildren.

Pam Horan

REGISTERED DIETITIAN, ADVANCED DIABETIC EDUCATOR

Pam Horan joined Southcentral Foundation in 2020 in the pediatric clinic. She previously supported families with diabetes in Alaska through the Providence Pediatric Subspecialty Clinic and is excited to be back in the role of diabetes educator at SCF. Pam received her nutrition degree at California Polytechnic State University, San Luis Obispo and completed her dietetic internship at California State, Long Beach. Outside of work, she enjoys gardening, quilting, fishing, and other outdoor adventures with her family and friends. To reach your registered dietitian, please call 907-729-8853.
