

Good Shepherd Parish

Faith Formation

Welcome to our parish and Faith Formation! It is a delight to be a part of this parish and to serve the families and children at our Church.

If you're new to our Faith Formation program—we're excited you're here! We begin our relationship with you with a one-on-one meeting to get acquainted. Please reach out to either Kim Bowler or me to schedule a time to have this chat.

This year brings new and exciting opportunities; we will explore materials in *Pathways* called "Mend" and "Nourish" that focus on the sacraments of Reconciliation and the Eucharist. We are also excited to launch Faith Formation Community Gatherings that will provide a casual, welcoming environment for families to come together and enrich their faith through conversations.

Building a solid foundation of our faith starts at home, and Pathways does just that through user-friendly at-home family meetings. Many parents have expressed their gratitude for these intimate family moments that have fostered a bond and growth in faith. These will continue, but this year we will also host some of the family meetings at church, to provide support for your family to grow in faith. These will include some introduction to community prayer.

Below is the program schedule for Pathways and the schedule for other Faith Formation events.

***Review the requisite events and class schedule on the following two pages. ***

The family-centered class sessions are one hour and fifteen minutes. The sessions occur in three groupings: one for parents, for adolescents, and for younger children, and will be held on Sunday mornings at both St. Zepherin (after the 8:30 am Mass) and St. Ann (before the 10:30 am Mass). As the celebration of the Eucharist is the core of who we are as Catholic Christians, Mass attendance will be part of the requisites for the program.

The Catechist and I are excited to be a part of your family's faith journey, and we look forward to deepening our relationship with Christ and with each other. If you would like to learn more about the program or have any questions, please email me. Thank you & God bless your family.
