Regulations - Drawing Guidelines

We're excited to see your creativity and imagination!

Please follow these simple guidelines to make sure your drawing can be considered for the Art4Impact challenge:

1

What the jury is looking for

- Emotional message: Your drawing should be uplifting, make patients feel joy, hope, strength, wonder...
- Storytelling: Try to tell a story through your image. What message or experience are you sharing?
- Artistic quality: Be original, take your time.

2

What to avoid

Please do not use copyrighted characters like Disney, Marvel, Pokémon, etc.

We want to see your own ideas, not copies! It doesn't have to be perfect!

3

Don't forget

- Write your first name, age, and a title for your drawing.
- You can also add a short sentence to explain the meaning behind your artwork, if you like!
