## Discover

Explore our portfolio on our website, Houzz, or social media to see how we've transformed homes just like yours. Ready to start? Contact us today via phone or email to schedule your virtual design consultation.

*You are here!*

## Connect

Connect with us today to get started. We'll schedule a virtual consultation with our owner and lead contractor, William, to discuss the vision for your project.

## Meet Your Designer

One of our in-house designers will contact you to schedule a consultation where they'll measure your bathroom and help bring your creative vision to life.

## Visualize

Visualize your project with custom 3D renderings tailored to your unique style. We'll collaborate on any revisions, then provide a transparent cost estimate to ensure your vision and your budget stay in total sync.

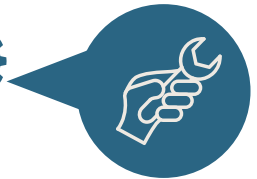

## Selections

Once we're under contract, your designer will upload all curated selections for your final approval. From there, we'll handle the entire procurement process to ensure all materials are ordered and ready for your project.

## Install

Our expert installation team will then bring your vision to life, meticulously crafting your new Bathroom with precision and care. We handle every detail of the build to ensure a seamless fit and a stunning finish.

From vision to vessel. Your new bathroom is finished and ready to transform your "me-time" into a high-end spa experience. Dive into the comfort of a space designed just for you.

# Bathroom Styles

## Defining Your Space

*Choosing a design theme helps narrow down material, fixture, and color choices*

### 1 Modern & Minimalist

*Clean lines, a neutral color palette, and uncluttered spaces.*

This style focuses on simplicity, using neutral colors and minimal decor to create a calm, uncluttered space

### 2 Transitional

*A blend of traditional and modern elements, making it versatile and timeless*

This style combines classic and contemporary features, seamlessly blending old and new for a balanced and elegant look

### 3 Rustic/Farmhouse

*Wood tones, Rustic metals*

*This style brings natural materials and a sense of warmth to the bathroom.*

# Showers and Tubs

*Expert design meets everyday living. We'll help you choose the ideal tub and shower configuration to fit your space perfectly and your lifestyle even better.*

# Elements in your Shower

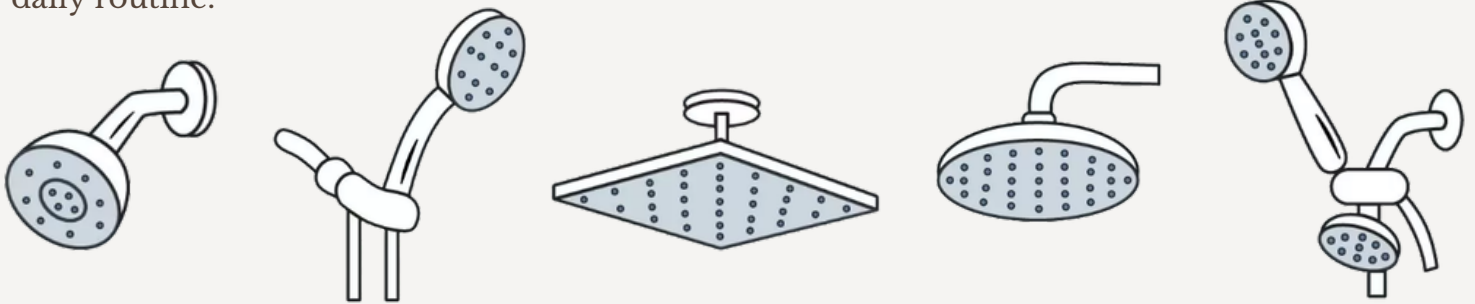

## Shower storage

Because effective storage is essential for a functional bathroom, there are many versatile options available to organize your shower space. Incorporating well-planned storage solutions is key to keeping your shower both organized and clutter-free.

## Shower head

With countless types, functions, and finishes available, choosing a shower head allows you to tailor your experience perfectly to your specific lifestyle and needs. Whether you prioritize a powerful spray, water efficiency, or a specific aesthetic, there is a configuration designed to enhance your daily routine.

## Shower Doors

Shower doors come in a wide variety of styles and finishes, ranging from sleek frameless or framed designs to practical sliding or folding configurations. Selecting the right door depends on both your bathroom's layout and your personal preference for a clean, modern, or traditional look.

# Core Elements In Bathrooms

*Your designer will guide you through the selection process, ensuring every detail of your new bathroom aligns with your lifestyle*

## Vanities

You have a wide array of vanities to choose from, ranging in style and design. We will help you navigate the various options for color, storage, and function to find your perfect match.

## Countertops

With thousands of colors available across materials like quartz, quartzite, and marble, there is a countertop for every style. We will help you navigate these options based on your project budget and how much durability your lifestyle requires

# Sinks

There are plenty of sink styles available to perfectly match your needs. We will select from a variety of shapes and sizes to ensure the perfect fit for your chosen vanity.

# Faucets

With a wide variety of faucet types and finishes to choose from, you can easily customize your space. We will work with you to find the ideal match for both your aesthetic preferences and daily requirements.

# Mirrors

Mirrors come in a wide range of shapes, sizes, and colors to suit any design. These unique pieces are the perfect way to add character and personality to your bathroom.

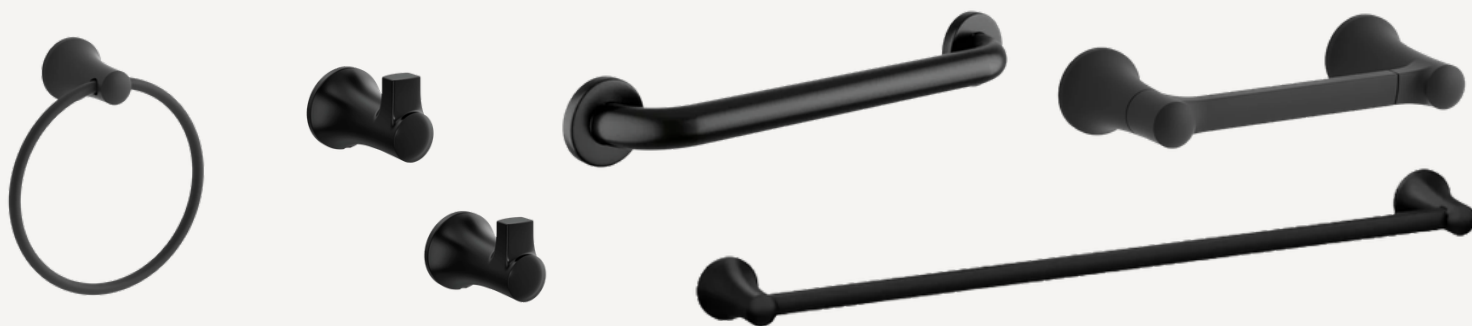

# Toilets

You have plenty of options when it comes to toilet height, shape, and bowl size. We will work with you to find the ideal balance between your aesthetic preferences and your daily functional needs.

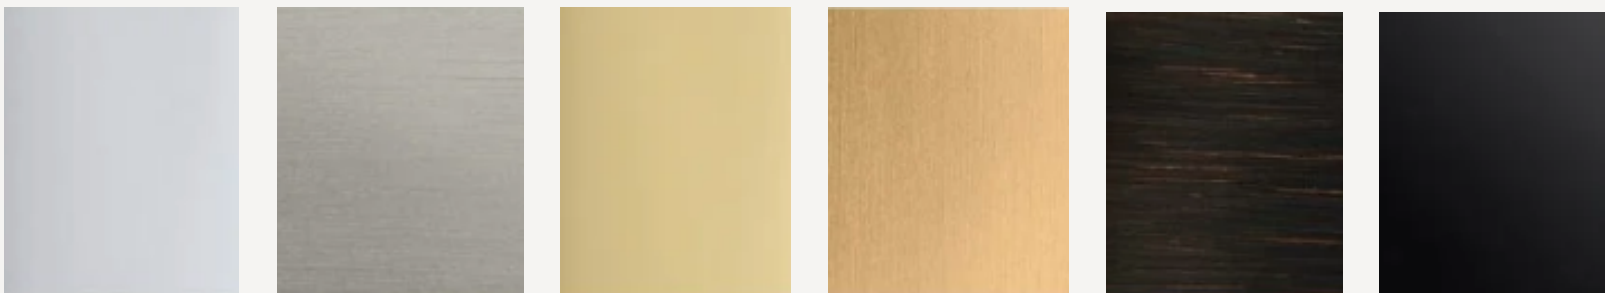

# Accessories

With a huge variety of styles and finishes to choose from, you can easily find the perfect accessories to match your personal taste. These final touches bring everything together and complete your bathroom transformation.

# Finishes

With a wide variety of hardware finishes like gold, brushed nickel, matte black, and polished gold, you can easily find a look that fits your style. Choosing the right metal color is the final step that ties the whole room together for a complete bathroom transformation

# Your Dream Bathroom:

## The WS Design and Build Experience

*WS Design & Build offers high-end, stress-free bathroom renovations.*

### 1. Designer-Led Planning

We provide a professional interior designer to guide your project from day one.

**In-Home Samples:** *We bring grout, tile and colors to you*

**3D Renders:** *See your finished bathroom in digital 3D before a single wall is touched.*

**Curated style:** *every detail is hand-picked to fit your taste and budget.*

### 2. The "One-Roof" Advantage

We handle everything. You have one team, one contract, and one point of accountability.

**No Middlemen:** *We coordinate all plumbing, electrical, and permits.*

**Budget Certainty:** *Detailed upfront allowances prevent "hidden cost" surprises.*

**CRM Program:** *We use a program called builder trend for seamless communication start to finish.*

### 3. Elite Craftmanship

Owner William Snyder brings over 20 years of experience to the job site, ensuring your home is treated with respect.

**Clean & Safe** *We use Dust protection to protect your home*

**Certified Quality:** *Lead-safe certified and fully licensed in PA & NJ.*

**Local Trust** *A 4.9-star reputation built on "no corners cut" construction.*

*A note from the Owner*

**With over 20 years of hands-on experience in construction and remodeling,**

I've learned that the bathroom is one of the most important rooms in your home. It's where you start your day, unwind at night, and create small moments of comfort in the middle of a busy life. A well-designed bathroom isn't just about tile and fixtures — it's about functionality, relaxation, efficiency, and long-term value.

# Why Work With Our *In HOUSE* Designers

---

*Personalized Expertise from Concept to Completion*

## Why work with a Designer at WS Design and Build?

### One point of Contact

*Direct access to your Designer*

### Seamless Coordination

*We work with suppliers to purchase all your materials*

### Custom Solutions

*We create spaces specifically tailored for you and your everyday needs!*

### Preventing *"Expensive Regret"*

In a kitchen, a mistake of just **two inches** can be catastrophic. If a cabinet doesn't clear a window casing or an island is too wide for a walkway, the "fix" **usually costs thousands of dollars.**

**Working with a designer can prevent this.**
