HAPPY MOTHER'S DAY!

Prayer for all Mothers: Holy God, you compared your own love for your people to the love of a mother for her children. Thank you for all the mothers in our parish who have shared in your creating love by the gift of their children. Bless them so that they may always give life and nourishment to their children through their firm faith, generous and selfless love, good example, and constant concern for their bodily and spiritual health. Grant that we, their children, may honor them always with a spirit of profound love, respect, and thanksgiving. Grant this through Christ our Lord. Amen.

Eucharistic Congress - Invite a friend into an encounter with the Lord: We just surpassed 3,000 participants, well on our way to Bishop Barron's hope of 5,000, but in order to get there we need your help. Beyond numbers this Congress will offer unique encounters with our Lord and an experience of our local Diocesan Church unlike ever before. Invite that friend or family member God has been placing on your heart to bring back into relationship with him, that person who comes to mind when you ask yourself, "who in my life do I wish knew the love of Christ more profoundly?"

A Family Friendly Congress: There will be children's activities, lawn games in the courtyard, service projects, and a space where teens can hangout, discuss the Congress, listen to, and even give witnesses with the NET Team. Check out the webpage for more information:

St. Aloysius Memorial Day Mass

All are welcome to join us for the Annual Memorial Day Mass at St. Aloysius Cemetery on Monday, May 29th at 10am. Bring a lawn chair or blanket. In case of inclement weather, the Mass will be held at St. Aloysius Church.

My Dear Parishioners,

Reflecting on God's Word in this Sunday's Readings, I recalled a busy afternoon some years ago when I was making visits to parishioners in a nearby hospital.

The head nurse had called Mary Beth (a friend with whom she had worked) in desperation. "The parent in 207 can't talk because of her throat cancer surgery. She is so agitated by her daughters that I'm concerned about her recovery. They fight over everything from what treatment she should receive to where she should go when we release her from the hospital.

Help!" Mary Beth had done pastoral care in the hospital long enough to have gotten a reputation with the nursing staff for her healing presence. She was only in the room ten minutes before the parent was calm and smiling, and the sisters had agreed to sit down with a social worker to discuss their options.

In today's first reading we see the Holy Spirit at work in Philip, Peter, and John. They are living proof that Jesus' healing presence lives in them. With words, prayer, and touch they communicate the Spirit that unites the crowds, heals the sick, and brings the Samaritans to life in the Spirit. Looking back at previous Easter readings from the Acts of the Apostles, we can see that now all the believers in the ancient world are united in the Spirit—Jews in Jerusalem, Hellenist Greek-speaking Jews, Gentiles, and now Samaritans. They are cured of their divisions and united in harmony through the healing presence of the Holy Spirit. Alleluia!

If you truly wanted to live in the Spirit, what would you do differently? Would you pray more? Witness more? Love more? What will it cost you to "sanctify Christ as Lord in your heart"?

Keep Smiling.
