St. Joseph's will again host the **Community Blood Drive on Friday, June 16** from 11:30 AM to 5:30 PM. We are again asking for workers to assist. We will need 3 people to help with check ins, one to help in the kitchen, and maybe 2 to bring bars and cookies and 2 to bring buns. And of course we are looking for as many as are able to donate blood as the supply continues to be low.

SJ Montini Hall Front project: In September 2022 St. Joseph’s Church, Rushford Finance council initiated the rebuilding of Montini Hall front due to deteriorating situation of the old structure. Most of the work was done in winter and only the landscaping work is being taken up now. In the last two years this work urgently needed to be done. Thanks to a donor who gave \$45,000 for this

work to be done. Our initial estimate for concrete work of the steps and ramp was \$25,000 but other things like Tarp and heat for winter, Replace of Gas line, landscaping, railing came up later. Therefore, the project estimates rose to a cost of \$70,133. An amount of \$25,133 is being utilized from the church fund. The Bishop’s Board has approved the project. Free will donations in memory of loved ones are welcome and appreciated. Thanks to all who have given their time, treasure and talent to keep our church facilities in good shape.

St. Joseph CCW will again be holding a pie and ice cream social before and during the parade for Rushford Days. We are seeking donations of Pies and also a few workers to help out in the kitchen.

My Dear Parishioners,

In one of the readings for this feast day St. Paul refers to "different kinds of spiritual gifts" and "different forms of service, but the same Lord" (1 Corinthians 12:4). Yet spiritual gifts and service can

be mismatched, causing difficulties for the person and the parish. Think of Edgar, who had been head of the finance committee for over fifteen years. As an able businessman and head of his own company he dominated meetings, tightly controlled the agenda, and managed to push through "pet projects" by silencing and alienating other committee members. Edgar is an example of someone with strong administrative gifts who needed a different challenge.

Fortunately, Edgar was tapped by the new pastor to begin a "Welcome Home" ministry for Catholics who have left the Church. This initiative is flourishing as Edgar has discovered new energy and enthusiasm in matching his planning skills with hospitality. Then there is Alice, who was talked into teaching a parish religion class, although she had no training and didn't relate well to young teens. Alice did not really know her true abilities, so her service was reluctant and not likely to last.

Another woman on the faith formation team sensed Alice's difficulties. They were chatting after class and Alice said she had just finished arranging the wedding of her third daughter. Her friend sympathized with all the hard work, and Alice said "Oh no, I just love weddings!" Alice now leads a team of parish wedding coordinators, who help couples through all the arrangements before and during their special day. She attracts new volunteers easily because she has such aptitude and love for the work. The Spirit is enriching the spiritual lives of Edgar and Alice because their service matches their abilities, and their service, in turn, is adding new strength to their parish community.

"When you do a thing, do it with all your might. Put your whole soul into it. Stamp it with your own personality. Be active, be energetic, and faithful, and you will accomplish your object." —Ralph Waldo Emerson (1803-1882), American poet and essayist.

On this Pentecost Sunday let us ask for the Holy Spirit's guidance...grace enabling us to discern our capabilities—strengths and weaknesses—as we make choices and decisions each day.

Welcome everyone with a SMILE!
