Tri-Parish News and Note

Mission Coop by Rev. Lorenzo Senaccioli of the Institute of the Incarnate Word the weekend of August 5-6. The institute uses the funds collected from the mission appeals to care for the disabled, the elderly, and the sick, provide homes for the poor and for abandoned children, manage schools and educational institutions in rural areas in developing countries, and promote pastoral formation of our missionaries related to human, intellectual, and spiritual development. Present in 40 countries, our most challenging missions are in Argentina, Bolivia, Ecuador, Guyana, Iraq, Palestine (Gaza), Papua New Guinea, Peru, Syria, Tajikistan, Tanzania, and Ukraine among others. Your support funds the basic needs - such as food and medicine, pastoral works, to build seminaries and churches to provide hope where the Catholic faith is a minority or does not exist at all for the enrichment of the evangelization program around the world.

St. Rose of Lima Church Roof issue that we need to fix soon: The existing rubber roof is over 20 years old and is well over-due for replacement. Earlier this spring I inspected the roof and found a 8” tear. This tear (and a few other smaller ones) were fixed by the roofing company. The roofing company owner mentioned that our rubber church roof will last about one more year. This makes it a priority. The roofer did give us an estimate to replace the roof of approximately \$75,000. We have also asked Merit Roofing out of Rochester, MN to provide us with an estimate – which is \$196,083. Sure, they are higher.

The Finance Council reviewed and unanimously decided in June along with the two trustees to get the work done in the summer months for \$75,000. The Bishop has given proxy the go forward. We ask you to contribute generously to CMA2023 as we receive 100% over and above the goal to keep our church building in good shape.

My Dear Parishioners,

Our experience of the world is often an experience of opposites: truth and lies, goodness and evil, beauty and ugliness. They are found in intimate proximity, often on the same page of the newspaper or in the same half-hour news report and intertwined in the same human heart. Their existence is connected to human freedom as well as to the power of sin and evil in our world.

Jesus tells a parable that makes the same point as the author of Wisdom: God’s exercise of power is tempered by leniency and mercy; God’s justice is balanced by loving-kindness. Our desire to pull up and destroy the weeds prematurely could destroy the good wheat. While the interpretation in the Gospel applies this image to different groups in a community, we can also hear this parable as referring to the weeds and wheat, the evil and goodness residing in the heart.

Jesus says God’s active presence in the world is something as small as a mustard seed and as fragile as a pinch of yeast, yet each contains a power that, when released, will bring about growth and expansion.

In the meantime, the challenge to each of us is being as patient with others as God is, while working with God to purify our own hearts. Last week Jesus warned about the sluggish heart; today he pictures a contaminated heart—good penetrated by evil. But the power of God is stronger than the power of evil and death. Be patient and remain open to the workings of God’s grace.

We can respond by praying: O God, you have given us the gift of life; continue to keep us alive in Christ Jesus. Bring us from death to grow in faith, hope, and love. We remain patient in prayer and faithful to your word, until your glory is revealed. We can respond by praying: O God, you have given us the gift of life; continue to keep us alive in Christ Jesus. Bring us from death to grow in faith, hope, and love. We remain patient in prayer and faithful to your word, until your glory is revealed.

Keep Praying
