St. Rose of Lima Church Roof issue that we need to fix soon: The existing rubber roof is over 20 years old and is well over-due for replacement. Earlier this spring I inspected the roof and found an 8” tear. This tear (and a few other smaller ones) were fixed by the roofing company. The roofing company owner mentioned that our rubber church roof will last about one more year. This makes it a priority. The roofer gave us an estimate to replace the roof of approximately \$75,000. We have also asked Merit Roofing out of Rochester, MN to provide us with an estimate – which is \$196,083. The Finance Council reviewed and unanimously decided in June along with the two trustees to get the work done in the summer months for \$75,000. We have sent requested to the Bishop for a proxy as the overall cost has gone above the \$25,000 limit. **We ask you to contribute generously to keep our church building in good shape.** - Gregory Bronk, Chair for Maintenance Committee.

Our sympathies and prayers for the family. Eternal rest grant unto Mildred Marg. O Lord and let perpetual light shine on her. Funeral service for **Mildred** is scheduled for Monday, July 9 11.00am at Immaculate Conception Oratory, Wilson.

My Dear Parishioners,

When you think of a king coming before his people, the image of someone riding on a donkey does not come to mind. If the Lone Ranger had Silver, and Roy Rogers had Trigger, a similar white stallion would seem most fitting for a king. Not an ass, even a purebred one. But this image from the prophet Zechariah is one that must have planted itself in the imagination of Jesus, for that is how he made his great entrance into Jerusalem and was greeted as the Messiah. It was not the entrance of a powerful warrior, but of a gentle king whose rule would bring peace to the nation.

I have sometimes regretted the loss of St. Christopher from the calendar of saints. That legendary saint, whose name means “Christ-bearer,” signaled that the risen Lord had now chosen to be carried by his disciples. We bear him in our bodies, minds, and hearts. We bring him to the world when we work to bring it the peace and healing and knowledge of the Father.

This necessitates being willing to take on the yoke of Jesus. I remember once hearing that the yokes Jesus made in the carpenter shop under Joseph’s guidance rode easily on the shoulders of the animals, distributing evenly the weight they pulled. The yoke Jesus offers us is his teaching about the kingdom of heaven and how to live in it while in the world. This means putting on his attitude and spirit of attentive listening for the will of the Father—home schooling in the best sense.

Lord, give us the rest only you can give when we feel burdened by life’s labors and sorrows. Open our hearts so that we learn from you to seek and accept the yoke that is easy. Give us the strength to help others with the burdens that weigh them down.

Keep smiling.
