My Dear Parishioners,

"They cleaned up the park." "They put out fresh bread." "They fixed the elevator." Behind every "they" is a real person, who expended effort to do something in our world. Whether a woman, man, or young person, "they" may have been discontented and miserable, or happy and fulfilled, when they helped to produce a warm jacket, a box of cereal, or a bottle of shampoo. Look at any ordinary object and consider how many people it took to make it. A pencil began as a tree someone planted. Someone else cut the tree down; others hauled it away and more cut it to size, added the lead and eraser, packaged it, shipped it, and put it on the store shelves.

"They" are constantly busy, millions of "them," ensuring that we have the things we need, from the electricity that powers our homes to the food we buy at the grocery store. "They" may never get a proper thank-you, because there is no real opportunity for us to say it directly. But even when we open our eyes to the multitude of "theys" in our lives, we are just looking at the tip of the iceberg. Every "they" is ultimately a smaller version of God. God is not the farmer harvesting the wheat or rice that will eventually find its way to our tables. Instead, God is the provider of the soil, the sun, and the rainfall that make sure the seedlings grow into a delicious, nutritious food. God made the farmer and keeps his heart beating to perform his daily tasks.

God is the essential "behind the scenes" person, the real presence behind every "they." God is behind everything in the entire universe. And when we finally find God, our lives become transformed with true gratitude.

How can one start to be such a "good steward" as "they" are? Offer simple words of thanks to anyone who does a service for you. Nothing is too unimportant to acknowledge. No one is unimportant enough to be overlooked.

God made each of us with a purpose in mind. We are all part of "they" and we too can contribute something by simply offering a kind word, a listening ear, or a smile to those we encounter in our daily lives.

Keep smiling.
