My Dear Parishioners,

Some are reluctant to volunteer for parish ministries and programs. Some come to Mass and try not to get involved beyond that. People hang back for many reasons. One reason is fear—fear that anything they give will not be good enough. Others worry that if they offer just once they will be pressured into long-term commitment. Perhaps some don't want to risk being asked to do things they have no interest in or ability for.

Not all reluctant volunteers are lacking in generosity; they may put more than their fair share in the collection, give generously to those undergoing hardship at Christmas and Thanksgiving, or send donations to a good cause. If you are one of the hesitant ones, perhaps you need to think hard about what your God-given abilities and interests really are. Perhaps you are good at listening, like to cook, enjoy making things, have good accounting or computer skills. Are you a leader, or do you like to be part of a team? Do you prefer to work behind the scenes?

There is something in this parish only you can do! Even if you are sick, homebound, or travel for business, you can pray more. If you are a ministry leader now, how well do you communicate the purpose and activities of your ministry to parishioners? Do you explain the value and success of what you do? Is the name of your ministry confusing to newcomers? Are you truly welcoming and appreciative when someone shows an interest? If you are a committed volunteer, do you share your enthusiasm with other parishioners and invite them to join you and see how they like it? Our parish survives if only a few people are committed, but it thrives if everyone is included.

Now is a good time to consider your stewardship—Have you committed your abilities, your time, and your financial resources to your parish for God and the Church? Is your involvement a true reflection of your gratitude to God? Do you need to give more or give differently!

Be Kind and Forgiving.
