Holy Trinity will be offering Season 5 of **The Chosen** on **Thursdays beginning February 5th and every Thursday until March 26th** starting at 8:30 AM in the HTCC. Plan for up to two hours of viewing & discussion. Season Five has 8 episodes. Each episode begins with

Jesus and His Disciples gathered for the Last Supper with flash backs to events that occurred prior to them gathering and ending with the betrayal & arrest of Jesus in the Garden of Gethsemane. Please join us as we begin preparing for and during the Lenten season. There will be a sign-up sheet in the HT Narthex, or you can contact Becky McCormick at 507-689-0398 to sign up/or get more information.

**Children's Giving:** As part of the Lenten season and continuing thereafter, we aim to encourage children to engage in almsgiving and service. Children's donation envelopes are available through Faith Formation and following Mass for families who wish to participate. During Mass, there will be a designated moment for children to approach the altar and place their envelopes or donations into a basket during the presentation of the gifts. We appreciate your involvement and commitment to instilling in your child the value and satisfaction of generosity.

**Holy Trinity Holiday Choir:** We are excited to announce that the Holy Trinity Holiday Choir will begin rehearsals on March 8 at 7 pm! We will be practicing for our Good Friday service at 12 noon and our Easter Sunday Morning service at 10 am. All are welcome to join us and participate in making a joyful noise! If you have any questions or need more information, please feel free to contact Tammy Schmit at 507-689-2469. I look forward to seeing you there and making beautiful music together.

**HT School Sale Closing:** For the past 19 years this 105-year-old school building has been in the process of being alienated due to increased costs of maintenance, unable to utilize the building for any parish purposes, and high costs of razing the building. The school building together with boiler room, a portion of the church parking lot is sold to Abrahamson Properties, LLC for an amount of \$45,000.00. The buyer is to bear all costs of separating the utilities. We are hopeful there will be more dwellings for the city of Rollingstone. We are glad this historical building, with lots of happy memories, will be there as landmark. We are grateful to all the parishioners, pastoral, finance council members and especially Mark Schmit who have labored with great patience and diligence. For questions, please contact Mark or any of the Finance Council members. Thank You!

### **"Salt, Light, and the Power of God"**

Our post-modern culture and society are focused upon the personal self. Everywhere we look, people are calling attention to themselves in some way. We see this, especially, in the celebrities – and in the media that promotes them. We also see this in the way that people want personal credit: for everything they do - for their accomplishments - for what they possess materially.

Furthermore, people can be extremely selfish these days. They resist helping others who have less. They have no regard for those who are suffering economically. And most tragically of all, those same people have no idea: of what God expects of them - and why God created them in the first place!

All the scriptures for today tell us why we are here – and what is expected of us as God's creation. The passage from Isaiah was written for all the Chosen People. But it was especially for those who were left behind in the Promised Land during the Babylonian deportation and exile. They were left behind to reclaim and restore the ravaged farmland and countryside. Over the three succeeding generations, they had prospered. But they became selfish. They looked down upon the returnees from Babylon.

Those returnees were poor and had nothing. They chose to return because of their faith in God and in His promises. They were still a faithful part of the Chosen People. This is the reason that

God commanded the locals to share their food and their resources with them. This meant also helping them find a place to live and clothing to replace their rags.

If they did so, the generous would be rewarded in wonderful ways. God would bless them with the light of His grace and His providence. Their own internal suffering would be healed. Moreover, God would hear and answer them for whatever they truly needed in their hearts and lives!

Jesus exemplified all this in the Gospel of Matthew. He told his followers that they must be salt and light. As salt gives flavor to everything - As salt can preserve from spoilage - So, too, must we be salt. We must enhance the lives of others, wherever we find ourselves - And we must preserve the Godliness that still exists in many people!

We must also be light for the world. Light is necessary for clarity and vision - And sunlight is absolutely necessary for growth – and for the best of physical and emotional health. Our role as believers and disciples is to bring some of God's light to those around us. This extends to those closest to us – and to everyone else whom we encounter. We do this by living the life that Jesus, himself, exemplified for us. Living his Gospel way, will help others to discover God and believe in Him if they never have before!

St. Paul truly lived in this way. When he wrote to the Corinthians, he took no credit for any of the words he used – or the message he preached. He recalled that when he was with them, he spoke with God's wisdom and power. He did not use worldly wisdom or learned words. Paul spoke only of a crucified Christ. He spoke only of what the Son of God had done for the world.

Moreover, when they believed and embraced Christianity, it was all through God's power and grace. Paul was only an instrument. And they must seek their spiritual strength in the Power of God – and not in any instrument of God!

Brothers and Sisters, we must never forget that we are salt and light. We must be seasoning and a preservative in a world that has lost the flavor of belief in God. We must also bring the illumination of grace and healing into the lives and hearts of others. We must bring it especially to those trapped in the darkness of their own sin and bereftness!

So, let us pray that God will continue to be with us - And may God be our Light as we do all we can to make Him known and believed in our world today! Amen.
