*** BACKGROUND CHECK DISCLOSURE**

In fulfillment of our Policy in the Handbook on Becoming and Being a Commissioned Pastor (CP), New Harmony Presbytery (NHP) conducts a criminal background check on CP Applicants. This background check searches for criminal activity and provides us your motor vehicle record and credit report. Only the Executive Presbyter (EP) and the Office Administrator, who initiates the check, has access to the results. The EP will review it, and, if there are no concerns, emails you and the CPM Moderator the following message, "As was anticipated and expected, (name)'s background check was clear of any concerns. The sexual offender search found no records nor was there any criminal activity. There was no 'adverse driving history' nor are there any concerns from the credit report." If there are any concerns, you will be contacted in order to address those concerns. If you have any questions, please contact the EP.

The following Consumer Reporting Agency prepares the report:
