Mother Esther School & Rescue Center

Mother Esther History

Mother Esther School and Rescue Center was founded when 26 young women demanded a better life and a brighter future for themselves. In December 2015, these girls, ages 10-14 years old, fled their rural homes for fear they would be forced into child marriage like so many of their peers. They ran to Loodokilani Presbyterian Church to seek sanctuary and searched specifically for Reverend Charles Maina, a vocal advocate for the rights of girls and women in the area. The Loodokilani congregation responded by turning their church sanctuary into a dormitory and classroom for the girls - a place where they could learn and grow in safety.

By the beginning of 2025, Mother Esther School and Rescue Center had grown into a center that has welcomed and supported more than 350 girls in their journey of education and empowerment. The original sanctuary has become a preschool classroom and the compound has grown to include many additional buildings. It is a thriving center of hope and possibility for the girls and the surrounding community.

Everything Mother Esther School is today and everything it will become is based on the courage and resilience of those young women who stood up to declare that they are made in God's image and deserve the future of freedom and possibility that God intends for every human being. The empowerment of young women remains the center of the mission of Mother Esther School: to give girls the safety and opportunity to choose a future for themselves.

The farm at Mother Esther produces fruits and vegetables to improve nutrition for the girls.

Our high school girls are the first in their families to attend high school.

We work closely with families and community leaders to preserve connections and celebrate local culture.

"The reality is that we need one another. We will be well to the extent that we all are well. We will be truly strong to the extent that we faithfully protect one another's well-being."

-John Philip Newell

Dear Friends,

"We will be well to the extent that we all are well." These words remind me of God's heart for community and care—that we are created to look after one another in big and small ways. At Mother Esther School, we witness this reality daily: when one child finds safety, healing, and hope, the whole community is strengthened.

Mother Esther School continues the ministry of loving and serving the community we are part of, the ministry of working for the well being of girls and their families. This year our pioneer class of girls will graduate from high school! Right now they are taking the national exams, please pray for them.

Thank you for walking with us in creating a place of well-being, a place where every girl can grow, learn, and thrive.

Kajiado West

In Kajiado West sub-county, Mother Esther School stands as the only rescue center for vulnerable girls. Whenever a child is in danger, we receive calls—from the government Children’s Office, church leaders, and community chiefs. Though our dormitories have reached capacity, we remain committed to our mission: we make space for emergency rescues when girls face the immediate threat of child marriage or lifelong harm.

In June, one of those calls came for Jane, a quiet 9-year-old girl. Her father passed away four years ago, leaving her mother alone to care for five children. With no income and limited options to feed and educate her children, Mama Jane felt she had no choice but to marry off her 9-year-old daughter. Jane’s two older sisters, ages 15 and 17, are already married.

Our social workers acted immediately. The next morning, they traveled to the local Children’s Office and brought Jane to safety at Mother Esther School.

That was just five months ago—yet in that time we have witnessed Jane’s transformation. She now attends Grade 3 and laughs comfortably with her classmates. She recently joined the beautiful Mother Esther choir. Most importantly, Jane has found security and belonging. Jane is in a place of safety

Home visits are a regular part of the ministry of Mother Esther School. They help us stay connected with the community and they enable us to support families where they are.

Our recent medical clinic allowed us to meet the needs of some of the most marginalized members of the local community. What a gift to see the impact healthcare can make in the life of a child and their family.

In July, Mother Esther School partnered with the local Presbyterian Church in Kajiado to host a community medical clinic. The clinic offered free medical evaluations, mobility equipment such as wheelchairs, walkers, and crutches,

Among the patients was Haggai, a bright 7-year-old boy from a remote area called Mile 46, located about 40 bumpy kilometers beyond Mother Esther School. Haggai was born with albinism and has not yet developed the ability to walk. Before the clinic, he had never left his home due to the deep cultural stigma surrounding both albinism and physical disabilities in his community.

During home visits, one of our social workers met Haggai and his family. She gently encouraged Mama Haggai to bring her son to the medical clinic.

At the clinic, Haggai received his first wheelchair. For the first time, he was able to sit up unassisted—seeing the world from a new perspective. His mother was deeply moved by how lovingly the team cared for her son. The local pastor prayed with her and reminded her that Haggai is deeply loved and cherished by God, just the way he is. They both left the clinic filled with hope and a renewed sense of dignity.

When we visited the family after the clinic, we found a remarkable transformation. Haggai is able to laugh and play with his siblings and neighbors. His mother marvels at how his wheelchair has opened their world. What was once isolation has become connection—and what once felt like despair has blossomed into joy.

are full, yet the need for a place of safety and belonging is bigger than our current space.

Support Mother Esther School

For our family, the biggest gift of the year has been the arrival of our son, Mark. His big brother and big sister just adore him, though we are still working on what "gentle"

Dear Friends in Christ,

For many of us, Montreat is more than a place. It is where faith has been nurtured, friendships have been formed, callings have been discerned, and lives have been changed. It is a place where generations of Presbyterians have gathered to worship, learn, rest, and grow in their relationship with Jesus Christ.

For more than a century, the South Carolina Inn at Montreat has been part of that story.

Since 1912, when McIver Williamson of Darlington gifted what became the William Brearley Home to South Carolina Presbyterians, the Inn has provided a welcoming place for pastors, church leaders, families, and church members. Through the years, the ministry expanded with the addition of the Kirk Apartments, enabling even more people to enjoy the blessings of Montreat.

Today, the South Carolina Inn continues to serve Presbyterians throughout Charleston-Atlantic, Foothills, New Harmony, Providence, and Trinity Presbyteries. Hundreds of guests stay at the Inn each year. Pastors continue to benefit from the vision of the original donor, whose generosity made it possible for clergy to find affordable lodging and renewal in Montreat. Families gather there. Church members attend conferences and retreats. Lifelong memories are made within its walls.

As trustees of this ministry, we are reminded that every generation receives gifts from those who came before and bears responsibility for those who will come after.

Recently, we faced a challenge that called us to exercise that responsibility. The retaining wall in front of the Kirk Apartments, constructed decades ago from railroad ties, had deteriorated significantly. Professional evaluations confirmed that failure of the wall could eventually threaten the foundations of the apartments themselves. Delaying action would only increase both the risk and the eventual cost.

After careful consultation with engineers, landscape professionals, and local officials, the Board authorized the replacement of the retaining wall. The project has now been completed successfully, protecting an important part of the Inn's property and ensuring that these facilities remain available for ministry in the years ahead.

To accomplish this work, the Board drew \$135,000 from reserve funds. Those reserves existed for moments exactly like this. Yet now we have an opportunity - and we believe a calling - to restore them.

Over the next three years, we hope to raise \$135,000 to replenish the funds used for this critical project.

We are inviting the congregations, members, and friends of the five South Carolina presbyteries to participate in this effort.

In many ways, this is about more than a retaining wall.

- It is about preserving a ministry that has faithfully served the church for more than one hundred years.
- It is about honoring the generosity of those who entrusted this place to South Carolina Presbyterians.
- It is about ensuring that future pastors will find rest and renewal, that future church members will gather for fellowship and learning, and that future generations will discover the same blessings that so many of us have experienced.

Scripture reminds us that "it is required of stewards that they be found trustworthy" (1 Corinthians 4:2). We have inherited a remarkable gift. Now we are called to care for it faithfully.

We invite your congregation to prayerfully consider how you might participate in this effort. Whether through a special offering, a mission allocation, memorial gifts, individual contributions, or other expressions of generosity, every gift will help preserve this ministry for generations yet to come. Giving can be done either through one's Presbytery office or directly with the South Carolina Inn.

Thank you for your prayers, your partnership, and your commitment to the ministries we share together in Christ.

May God continue to bless the work of the South Carolina Inn at Montreat and all those who find welcome within its doors.

Faithfully yours,

The Board of Trustees The South Carolina Inn at Montreat, Inc.

Preserving a
Legacy of Hospitality

<https://scinnatmontreat.org/>

The Solution

Following engineering review and permitting, a permanent stone retaining wall was constructed.

A new natural gathering area with picnic tables was created in the process

The SC Inn Board responsibly used reserve funds to complete the project and now seeks to replenish those reserves for the future.

The South Carolina Inn Purpose and Impact

The SC Inn at Montreat is a non-profit retreat and lodging facility serving the congregations, leaders, and members of the five Presbyteries found within the bounds of South Carolina.

It provides up to five nights free lodging for ministers who serve congregations in those five Presbyteries. Others may take advantage of the lodging as space permits at current rates.

2026 Projections

Over 800 unique guests and 2900 nights of lodging are expected for this calendar year.

History

The South Carolina Inn consists of the William Brearley Home and the Kirk Apartments. The William Brearley Home was given by Mr. McIver Williamson of Darlington, South Carolina, to South Carolina Presbyterians in 1912 and was named in honor of his boyhood pastor, the Reverend William Brearley, 1801 - 1882.

The first unit of the Kirk Apartments was completed in 1972 and named in honor of Mrs. Amanda Kirkpatrick, the first hostess of the Inn.

The second unit of the Kirk Apartments was completed in 1986.

ADDITIONAL MINIMUM REQUIREMENT: 2 weeks of Continuing Education; 4 weeks of Vacation; 12 weeks of Family Leave (see NHP Policy) and IRS mileage reimbursement at current IRS approved amount (2026 = .76 cents/mile)

In establishing salary for pastors, the Committee on Ministry (COM) encourages congregations to consider special circumstances such as family obligations, education, and years in position. Congregations currently at or near this minimum **should consider** the following as a guide in addressing those circumstances:

Add one unit (\$250) to the salary for any of the following that apply:

- One unit for each dependent child not in college
- Two units for each dependent child in college (fulltime student)
- One unit for an earned doctorate
- One unit for each year in the current position

It is **RECOMMENDED** that the following be considered by each congregation:

1. That a minister be able to roll over continuing education time and money up to 4 weeks and \$2000 to enable more extensive educational opportunities.
2. For every 15 years a minister has completed in ministry, add an additional week of vacation.
3. That a minister be granted a 10-week sabbatical leave period during each 7th year of service to a particular congregation (see NHP's Policy on Sabbatical Leave).

The COM is always available to evaluate the ministry of pastors and congregations and suggest remedies to congregations that believe they are unable to meet minimum Terms of Call requirements.

NHP's COM Policy for New BOP Rules for Medical Coverage

(Adopted by COM on July 30, 2024)

The new Board of Pension (BOP) coverages for congregational pastoral leaders* can be found on the BOP website or by clicking [here](#). The Presbytery of New Harmony's Committee on Ministry (COM) policy presented below covers aspects of coverage requirements and guidelines not contained in the new BOP policy.

The guiding principles for COM's requirements of congregations for their **current full-time installed pastor/s** shall be:

- Full family coverage in whatever form that coverage may take is a matter of justice, and not optional, discretionary, or a negotiating point. (See examples below)
- Keep the same or similar coverage for the congregational pastoral leaders as existed when said pastor was originally called.
- The Minimum Terms of Call shall require full participation for the pastor in the Board of Pensions benefits programs including medical and income protection (Covenant Package) through the Congregational Pastors Package (CPP) or Transitional Pastor's Participation (TPP) is available in 2025-2027). This is required in the Book of Order in G-2.0804.
- Congregations shall provide a strategy, which shall be approved by the COM, to address the coverage of a spouse and/or children to ensure that the spouse and/or children are appropriately covered.
- Commitment to not reduce the overall Terms of Call to a full-time installed pastor at or near NHP's 2024 Minimum Terms of Call (within \$5,000 of minimum or approximately 10%).

Below are some examples for how these principles may be enacted by congregations:

- Recognize that pastoral leaders have multiple family situations with differing medical coverage needs: pastor only, pastor + spouse, pastor + children, pastor + spouse and children. The definition of "full family coverage" will be different for each of these situations.
- Recognize that pastoral leaders' spouse may have medical coverage. In such circumstances, it is appropriate for churches to define "full family coverage" as pastor only or pastor + children, as appropriate to the situation.
- Recognize that spouses with medical coverage may have contributory requirements for such coverage. In such circumstances, it is appropriate for the congregation to reimburse the pastoral leader for the contributory cost. However, pastoral leaders should recognize that such a contribution is a taxable event. (COM recommends that pastors consult with their tax preparer regarding how best to structure the Terms of Call.)
- Congregations may negotiate with their pastoral leaders to provide "full family coverage" through the Affordable Care Act marketplace. While the BOP and COM require the pastoral leader to be covered through the 16% of effective salary cost from BOP, the leader's spouse and/or children may be covered through the marketplace.

Congregations or congregational pastoral leaders may petition the COM for an exemption to this policy or to request support negotiating "full family coverage." This policy shall be reviewed/revised on an annual basis as we move through the transitional period ending December 31, 2027.

***Congregational pastoral leader is minister or commissioned pastor employed by a congregation and sanctioned by the presbytery, must be a PCUSA minister and a PCUSA congregation and if not installed, must work at least 20 hours.**

SUMMARY OF CALL

Darren Wilson

My call to ministry is rooted in God's grace and my faith in Jesus Christ. I believe that without Jesus Christ there would be no me. Throughout my life, God has continually guided, strengthened, and prepared me for ministry through both joyful experiences and difficult seasons. Looking back, I can clearly see God's hand leading me, even before I fully understood His purpose for my life.

As my relationship with Christ grew, so did my desire to serve Him and His people. Opportunities to teach Bible studies, lead worship, preach, and encourage others in their faith confirmed what I had been sensing for years, that God was calling me to ordained ministry. These experiences have not only strengthened my faith but have also affirmed the gifts God has entrusted to me for the building up of the church.

One of the reasons I was drawn to the Presbyterian Church (U.S.A.) is its representative form of government and its understanding that leadership is shared among God's people. I appreciate that the church seeks God's will together through elders, deacons, ministers, and councils, recognizing that Christ alone is the head of the Church. I also value the Reformed emphasis on the authority of Scripture, God's grace, and the work of the Holy Spirit in the life of every believer.

My desire for ministry is not rooted in personal recognition or position, but in a sincere desire to proclaim the Gospel of Jesus Christ, help others grow in their faith, and faithfully serve wherever God calls me. I believe ministry is about loving God, loving people, and pointing others to the hope found in Christ. I understand that ministry requires humility, compassion, integrity, and a servant's heart, and I continue to pray that God will shape me into the pastor He is calling me to be.

As I continue my preparation for ordained ministry, I remain grateful for the support of my congregation, my family, Session, New Harmony Presbytery, and those who have encouraged me along this journey. I trust God's timing and remain committed to following His call, seeking always to glorify Jesus Christ in my life and ministry.

SUMMARY OF SERVICE

Darren Wilson

Throughout my Christian journey, I have sought to serve the church wherever God has provided opportunities. I have participated in regular worship, Bible study, and the life of my congregation, while also serving in worship leadership, preaching, teaching Bible studies, and assisting in various ministries of the church. These opportunities have allowed me to share God's Word, encourage others in their faith, and help strengthen the life of the congregation.

Leading Bible studies and preaching have been especially meaningful experiences. I have found great joy in studying Scripture, helping others understand God's Word, and encouraging people to apply it to their daily lives. These opportunities have affirmed my love for teaching, preaching, and pastoral care while confirming the gifts that God has entrusted to me.

My professional vocation has also contributed to my ministry. Serving in educational leadership has strengthened my skills in administration, communication, problem-solving, and servant leadership. These experiences have taught me the importance of listening well, working collaboratively, and leading with integrity, qualities that are essential for pastoral ministry.

Perhaps the greatest affirmation of my call has come through the encouragement of others. Members of my congregation, pastors, church leaders, friends, and family have recognized gifts for ministry in me and encouraged me to continue pursuing God's call. Their support, along with the guidance of New Harmony Presbytery, has strengthened my confidence that God is leading me toward ordained ministry in the Presbyterian Church (U.S.A.).

I remain committed to serving Christ and His Church with humility, faithfulness, and love. My prayer is that God will continue to use my gifts to proclaim the Gospel, equip the saints for ministry, and build up the body of Christ for His glory.

The Hebron Administrative Commission met on the premises of the Hebron Presbyterian Church on May 26 to confer with the congregation's stakeholders—key family members and a neighborhood friend. The purpose of the gathering was to do a status check, and review with participants face-to-face the legal steps necessary in order for New Harmony Presbytery to deed any property to them.

As of now, the church's accountant is working to create and file tax forms to register the Hebron Cemetery Association with the SC Secretary of State, and to secure a tax-exempt status with the IRS and the State of South Carolina.

The church's lawyer, Erin McArthur, is doing title search work.

Although a 2nd quarter financial report has not been received, the cemetery fund was said to have holdings of \$28,000 and a donor list of 130 names. The premises are routinely checked, the grounds are kept up and the fellowship hall is in use. The sanctuary has been used for funerals.

The Administrative Commission urged the stakeholders to have their legal work executed in time for recommendations to be made to this Presbytery in November 2026.

In the meantime, weekly prayer meetings with bible study have been attracting 16 to 26 regulars, Jan DuBose has kept the Commission updated on the many ways GOD has been at work in their ministry to families, church and unchurched.

At this writing, the Commission extends its sympathy to the DuBose family upon the death of Jan's sister, Nancy, with great gratitude to GOD for Rob DuBose's recovery from hernia surgery.

The Administrative Commission (AC) continues to move forward with the sale of the New Harvest property. During the initial appraisal process, a discrepancy in the reported land acreage was identified. To ensure accuracy, the AC voted to conduct a formal land survey. A surveyor has been engaged, and we are currently awaiting their finalized report. Upon receipt, the AC will proceed with selecting a realtor.

Additionally, regarding the scholarship fund established by New Harvest in 1997, the AC is developing a recommendation for the future use of these funds and will present a formal plan to the Presbytery in the near future.

Respectfully submitted,

Ruby Presbyterian Church Administrative Commission Report

The Presbytery of New Harmony – August 22, 2026

Rev. Maxwell Michaels, AC Moderator and Pastor, First, Cheraw

Elder Teresa Hodges, AC Clerk and Clerk, Morton

Elder Zack Gulledge, Clerk, Ruby

Elder Ponthela Wilson, COM Liaison, Ruby, and Goodwill

Rev. Beth Muse, Corresponding Member, Supply Pastor, Ruby

Rev. Gavin Meek, Stated Clerk and Ex-Officio

The AC has met 4 times by Zoom, with a fifth planned for 08/06/2026, and once for a site visit on 05/20/2026

In the two meetings the AC has had with Ruby, we have established oversight of the process as presented by Rev. Gavin Meek, learned about the average worship numbers, the next steps for notifying the congregation, the financial situation, and a few other details as provided to us.

During our site visit to Ruby Presbyterian Church, we met with Rev. Beth Muse, members of the Ruby PC, and the mayor of Ruby who expressed the towns intent for the property should it be given to the town of Ruby. We assessed the property and the value of its content during this visit.

The AC met a third time through zoom on 06/03/2026 to go over suggestions about what recommendations to bring forward and if there has been any update on the letter of intent from the town of Ruby. There was no letter or update present at this meeting. It was agreed that the chair, Rev. Maxwell Michaels, would meet with a local realtor from the First Presbyterian Church of Cheraw congregation to go over Chesterfield County property information, if the letter of intent never came through.

The AC met for a fourth time on 06/24/2026 to go over any updates. We received a letter of intent from the town of Ruby to use the property as a museum for the town. So, the committee brings this recommendation forward:

The Ruby AC brings forward the proposal to gift the property to the Town of Ruby without a reverter clause.

We continue to reach out in Christian love, believing that the unity of the Body of Christ is of utmost importance. The Salem Black River Administrative Commission shared a proposal for moving forward and that proposal appears to be accepted by the Session. The AC recently received a response from the liaison appointed by their Session. The AC is currently reviewing the response. It is our hope to have a resolution soon.

Timmons ville Administrative Commission Report

The Presbytery of New Harmony – August 12, 2026

Rev. Bob Henry, AC Moderator, Commissioned Pastor, Fork

Rev. Jen Kottler, Supply Pastor, John Calvin

Elder Cheryl Jackson, Second, Sumter

Elder Christie McLeod, First, Cheraw

Elder Frances Pigate, former Clerk of Session, Timmons ville PC

Rev. Gavin Meek: Stated Clerk and Ex-Officio

Timmons ville has run into problems with the title transfer to NHP with no trustees of the former Timmons ville Presbyterian Church still living. NHP has hired an attorney to handle the matter of acknowledgement of TPC being dissolved and NHP holding the title to the land.

We have a buyer who has been very patient with the process and in order that the buyer not to seek another property to move their congregation to, The AC has approved to grant a purchase/lease on the property to the buyer until title efforts can be completed and sale be made.

INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors
The Presbytery of New Harmony
Florence, South Carolina

We have reviewed the accompanying financial statements of The Presbytery of New Harmony (a nonprofit organization), which comprise the statement of assets, liabilities and net assets-modified cash basis as of December 31, 2025, and the related statement of revenues and expenditures-modified cash basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis is an acceptable basis for the preparation of financial statements in the circumstances. Management is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of The Presbytery of New Harmony and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash basis of accounting.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

The Presbytery of New Harmony

Notes to Financial Statements

(Reviewed -- Without Audit)

December 31, 2025

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of The Presbytery of New Harmony, Florence, South Carolina, a nonprofit organization, is presented to assist in understanding the financial statements.

Nature of Organization

The Presbytery of New Harmony was organized January 26, 1988 to manage the affairs of the Presbyterian Church, (U.S.A) in a geographically defined area of northeastern South Carolina. It was incorporated November 19, 1998 in the state of South Carolina. It exists as a member unit of the Synod of South Atlantic and the Presbyterian Church (U.S.A). 57 congregations and 6,105 members were enrolled in this Presbytery at December 31, 2025.

Taxable Status

The Presbytery is a not-for-profit corporation and has been determined to be exempt from income tax under Section 501 C (3) of the Internal Revenue Code. The Presbytery follows the Income Taxes topic of the FASB ASC, which prescribes a comprehensive model for the financial statement recognition, measurement, presentation, and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. The Presbytery is not aware of any activities that would jeopardize its tax-exempt status and is not aware of any activities that are subject to tax on unrelated business income. As of December 31, 2025, the Presbytery has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements and does not expect this to change in the next twelve months.

Accounting Basis for Financial Statements

The accompanying financial statements have been prepared on the modified cash receipts and disbursements basis of accounting. Using this basis, the only assets recognized are cash, cash equivalents, and receivables for cash advanced, or reimbursable costs. Interest on long-term time deposits is accrued in order to more properly reflect earnings in a given period. The only liabilities recognized are withholdings from salary payments and amounts representing funds held in trust for others. All other transactions are recognized as either cash receipts or disbursements. Non-cash and constructively received or constructively disbursed transactions are not recognized. This basis differs from generally accepted accounting principles primarily because the effect of outstanding debts and unpaid loans at the date of the financial statement, as well as real property owned, are not included in the basic financial statements. A significant amount of personal services are donated each year to the organization by volunteers. Donated services are not recorded in the financial statements.

Financial Resources

The Presbytery derives the majority of its revenue from the 57 Presbyterian congregations that are included in its geographical area. The General Assembly of the P.C. (U.S.A) and the Synod of South Atlantic are contributing organizations that help enable the work.

Use of Estimates

The process of preparing financial statements on the modified cash basis of accounting requires the use of estimates and assumptions regarding certain types of accounts. Such estimates relate primarily to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts. The effects of these estimates and assumptions have not been determined as of the date of these financials and could be material.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - - Continued

Subsequent Events

Management has reviewed and evaluated all events subsequent to the date of the Statement of Assets, Liabilities, and Net Assets to the date of the auditor's report, and not beyond that date for determination of any need for additional disclosures.

Financial Statement Presentation

Financial statements are required, by the American Institute of Certified Public Accountants reporting standards, to show information regarding financial position and activities according to the three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In order to ensure observance of limitations and restrictions placed on the use of resources available to the Presbytery, and to identify the revenues and costs associated with the various areas of ministry, the accounts are maintained in accordance with these published principles, and the principles of fund accounting. No attempt has been made to allocate any general management service costs, or overhead of Presbytery office staff, to any programs. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. An entry on the statement of revenues and expenditures beside the caption "restrictions satisfied by payments" indicates that temporary donor restrictions have been satisfied by making payment to the intended recipient, or for the intended purpose within the discretion of the Presbytery management.

Pass-Through Entity

The Presbytery receives contributions from member churches, accumulates them, and sends them in batches to the Synod of South Atlantic and the General Assembly of the Presbyterian Church (U.S.A) as well as to other authorized charitable organizations. Receipts which are to be forwarded are handled as liabilities, and not reflected in the revenues or expenditures of the Presbytery. Funds still held on deposit at the time financial statements are prepared are presented as "Unremitted Pass-Through Funds" in the statement of Assets Liabilities. The Presbytery received \$157,636 in pass-thru funds in the current year. All were forwarded before the end of the calendar year.

NOTE B - LONG-TERM DEBT

The note and mortgage on the Celebration Presbyterian Church in Myrtle Beach, South Carolina was refinanced on October 22, 2008. The Note is now in the joint names of the Celebration Presbyterian Church and the Presbytery of New Harmony. The agreement states that at least a 20% compensating balance on the unpaid principal balance will be maintained on deposit with the Presbyterian Church Investment and Loan Program, Inc. The compensating balances are referred to as "Designated Participating Investments" (DAR). Failure to maintain these deposits will result in immediate upward adjustments in the interest rate on the loan. The original Note was for \$605,000 with interest at 5.85% to be adjusted every three years. Payments are now \$2,346 monthly for 20 years and began December 1, 2008. \$34,656 was outstanding on this note at December 31, 2025. Interest paid at the current 4.00% rate on this note totaled \$1,759 for the 2025 calendar year. The note is current according to its terms.

NOTE B - LONG-TERM DEBT - - Continued

Compensating Balances

\$85,011 in Designated Participating Investments (245.30%) were on deposit at December 31, 2025. \$108,100 of that was deposited by Presbytery in accounts that currently yield 1.00% APR. Technically this is not pledged, but to avoid rate increases on the loan, it needs to remain on deposit here. Minimum principal payments on these notes, assuming the interest rate stays at the current level for the succeeding years are:

Year Ending December 31, 2026	\$ 23,098
Year Ending December 31, 2027	11,558

The Presbytery committed in 2001 to supply \$298,000 in mortgage and operational support to the Celebration congregation with assistance from P.C. (U.S.A) and Synod of South Atlantic. During 2025, \$0 was supplied in operational, pastoral, and mortgage supplemental payments. Consistent with the method of accounting used by the Presbytery, neither this liability nor its corresponding assets are shown on the statement of assets and liabilities.

Contingent Liability Notes

Presbyterian Investment & Loan Program also made grants between 1948 and 1974 totaling \$78,191 to 14 different churches in the New Harmony Presbytery. As long as these churches remain in the denomination, no payment of principal or interest is due on these "grants". If a congregation sells their building, leaves the denomination, or ceases to exist; the principal with interest is due prior to their being dismissed. It has been the policy of the Church Loan Program to accept 80% of the outstanding balance on mortgage grants as payment in full for churches remaining in the denomination. There were no changes to any of these loans in 2025.

NOTE C - RETIREMENT PLAN COVERAGE

Employees of the Presbytery are covered under the "Benefits Plan of the Presbyterian Church (USA)". Contributions mandated by the plan for retirement benefits are fixed as a percentage (11%) of salary for covered people. The 2025 contributions paid for employee retirement benefits totaled \$15,768. Administration of the plan is outside the jurisdiction of the Presbytery and no separate fees for plan administration expenses were paid.

NOTE D - NET ASSETS WITH DONOR RESTRICTIONS

The following were available for the following purposes or periods at December 31, 2025:

The market values and the related accumulated cost of these investments at December 31, 2025 are as follows as determined by the fund administrators:

NOTE F - FINANCIAL INSTRUMENTS WITH OFF "BALANCE-SHEET" RISK

The Presbytery is a party to financial instruments with off "balance-sheet" risk in the normal course of business. The Federal Deposit Insurance Corporation (FDIC) extends its insurance coverage to interest bearing deposits up to \$250,000 per entity, plus all noninterest bearing accounts in a single bank. By distributing its invested funds among different financial institutions, the Presbytery keeps the majority of its funds fully covered by the FDIC. At December 31, 2025, Presbytery had no funds in excess of the FDIC limits spread among four financial institutions. The mutual fund investment shown in Note E above is subject to daily market risk fluctuation and is not insured resulting in an "off balance sheet" risk of the full \$3,296,641. The \$108,100 on deposit with the Presbyterian Church Investment and Loan Program, Inc. also is not an FDIC insured account.

NOTE G - CHURCH EXTENSION & FINANCIAL AID

Part of the function of the Presbytery is to assist the small churches and to help establish new ones. During 2024, aid was granted to small and developing churches or for special projects in the following amounts:

Cheraw	\$ 1,000
Congruity	583

NOTE I - SUBSEQUENT EVENTS

The Presbytery has evaluated all subsequent events through the financial statement date and up to the date the financial statements were available to be issued.
