We had such a wonderful evening celebrating the season with our amazing team and their guests at Bastoni! From great food to lots of laughs, it was the perfect way to wrap up another year of hard work and dedication. We forgot to take a group picture, but did manage to get a picture of the new bobble heads of our team. We had a fun time guessing who everyone was. Stop by the shop to see these up close.

We're grateful for our employees who show up every day with commitment, talent, and heart—and for the families and guests who support them. Nights like this remind us how lucky we are to have such a strong team both in and out of the shop.

Thank you to Bastoni for hosting us and helping make the night special. Thank you to our crew for making 2025 an incredible year.

Here's to a joyful holiday season and an even brighter year ahead!

NEW YEAR RESOLUTIONS FOR YOUR CAR!

New Year car care resolutions should include sticking to a regular maintenance schedule, checking fluids and tire pressure monthly, and driving safely. Other key resolutions are inspecting brakes and wiper blades, replacing worn filters, and addressing any dashboard warning lights promptly. Here's a list of the basics...

ROUTINE MAINTENANCE

- Follow the maintenance schedule: Adhere to the recommended intervals for oil changes, tire rotations, and other service points in your owner's manual.
- Change oil and filters: Make regular oil changes a priority and resolve to replace engine air and cabin air filters as needed.
- Inspect and replace wipers: Check your wiper blades for wear and replace them if they are cracked or not clearing the windshield effectively.
- Check your brakes: Resolve to get your brake pads and fluid inspected regularly to ensure they are in good working order.

REGULAR CHECKS

- Monitor tire pressure: Check tire pressure at least once a month and before long trips to ensure proper inflation.
- Check all fluids: Regularly check and top off essential fluids, including engine oil, coolant, transmission fluid, power steering fluid, and windshield washer fluid.
- Listen to your car: Pay attention to any unusual sounds, smells, or vibrations, and don't ignore dashboard warning lights.

CLEANING AND CARE

- Wash your car regularly: Commit to frequent washes to remove dirt, salt, and other grime that can cause rust and damage your paint.
- Clean the interior: Make an effort to keep the inside of your car clean as well, by vacuuming and tidying up periodically.

DRIVING HABITS

- Drive smoothly: Avoid aggressive driving habits, like rapid acceleration and hard braking, to reduce wear and tear on your vehicle.
- Keep an emergency kit: Ensure your car is equipped with an emergency kit for unforeseen situations.
