SEPTEMBER 2025 CLIENT NEWSLETTER

MANAGER'S MINUTE

I hope you and your family are doing well as we roll into September. It's hard to believe summer's winding down already and school is in full swing! Hopefully, you will make it out to our shop and join us for our annual Cruise-In on Sunday, September 7, 2025, from 1:00 PM to 4:00 PM.

After taking a break from racing over the summer, Kara and I are excited to be heading back to the drag strip this fall. It's something I've loved for years, and it keeps me connected to the performance side of things—plus, it's just plain fun! If you ever want to talk racing, feel free to bring it up when you're in the shop—it's always a favorite topic around here.

As the weather starts to cool down, it's a great time to start thinking about fall car care—batteries, tires, brakes, and heating systems. We're happy to help make sure your vehicle is ready for the season ahead. We've also got some exciting things coming this month, including a few seasonal service specials, so keep an eye out for those!

And as always, if you have any questions or concerns about your vehicle, don't hesitate to stop by or give us a call. We're proud to serve this amazing community and look forward to seeing you soon—whether it's in the shop or at the track!

All the best,
Larry & Kara

THANKS FOR THE KIND WORDS!

"They were very helpful. They explained and showed us the problem with our car. They explained everything and showed us exactly what was happening so that we understood what needed to be done." —Carfax

"Larry's Automotive Service was suggested to me for replacing all the brakes on my car and also replacing several lights that were out or going out. I called and spoke to Brian, and he got me in quickly at a time that fit my schedule. The front desk staff is very friendly, helpful, and courteous. The mechanics were very thorough and got a big job done in a short amount of time. The cost was very affordable. I'm glad I've found a great place that I have confidence in to take my car." —Diane C.

"It was a refreshing experience to finally discover a professional auto repair shop! Larry's staff is friendly, knowledgeable, and honest. It is obvious that Larry's mechanics take pride in their craft. I highly recommend them and will definitely return for future repairs and routine service." —William G.

"I recently took my vehicle in for an oil change, and the technician did a thorough review and provided a file with pictures. I needed new tires. I worked with Nick and got exactly what I wanted and needed at a competitive cost. Just a pleasure working with the team at Larry's Automotive." —John M.

GRANDMA JOHNSON'S SCONES

A basic scone recipe that really does the trick. Tried and tested through 3 generations of kids. Simply the best anywhere!

Prep Time: 15 mins - Cook Time: 15 mins

Total Time: 30 mins - Servings: 12 scones

INGREDIENTS

• 1 cup sour cream	• 2 teaspoons baking powder	• 1 cup butter
• 1 teaspoon baking soda	• 1/4 teaspoon cream of tartar	• 1 egg
• 4 cups all-purpose flour	• 1 teaspoon salt	• 1 cup raisins (optional)
• 1 cup white sugar		

DIRECTIONS

1. In a small bowl, blend the sour cream and baking soda, and set aside.
2. Preheat oven to 350 degrees F (175 degrees C). Lightly grease a large baking sheet.
3. In a large bowl, mix the flour, sugar, baking powder, cream of tartar, and salt. Cut in the butter. Stir the sour cream mixture and egg into the flour mixture until just moistened. Mix in the raisins.
4. Turn dough out onto a lightly floured surface, and knead briefly. Roll or pat dough into a 3/4-inch thick round. Cut into 12 wedges, and place them 2 inches apart on the prepared baking sheet.
5. Bake 12 to 15 minutes in the preheated oven, until golden brown on the bottom.

IT'S KICKOFF TIME!

Labor Day is considered the "unofficial NFL season kickoff."

The NFL almost always plays its first official season game the Thursday after Labor Day.

This year is no exception as the Philadelphia Eagles host the Dallas Cowboys on Thursday, September 4th, at 8:20 PM EDT.

FALL CAR CARE TIPS TO KEEP YOUR VEHICLE IN TOP CONDITION

The leaves are changing color, and the weather is getting cooler, which means fall has arrived. As you enjoy the beauty of autumn, keep in mind that proper fall car maintenance will help ensure your vehicle's reliability, safety, and performance in the months ahead.

Keeping up with routine auto maintenance is one of the best ways to prevent costly repairs.

By taking care of your car, you can avoid breakdowns and keep it running smoothly. Here are some of the key car care tasks to take care of this fall:

- Oil and filter change to keep your engine properly lubricated
- Tire rotation and pressure check to promote even wear and optimize traction
- Brake system inspection to ensure stopping power, especially in wet conditions
- Topping off fluids like coolant, power steering, and transmission fluid
- Installing new wiper blades to maintain visibility in rain and snow
- Battery test to check capacity and avoid a dead battery

Getting your car ready for fall will help you stay safe on the roads. Proper tire pressure and tread depth are critical for maintaining traction on wet or icy surfaces. Fresh wiper blades and topped-off wiper fluid will ensure you can see clearly in inclement weather.

Colder temperatures can also impact your vehicle's battery capacity, so a battery test is important. The last thing you want is to be stranded with a dead battery. An inspection of your car's heating and defrost system will also provide peace of mind.

Don't put off fall auto maintenance. Taking care of your vehicle now can save you time and money in the long run!
