

Thanks for the Kind Words!

"Brought in an old Pontiac Sunfire with a stuck start switch that wouldn't rotate to the On-Off position, so I couldn't stop the car or remove the key. I figured I'd be spending a few hundred dollars for a whole new switch and key set, but they were able to work with a local locksmith to repair the old one and get me two new keys, saving me a couple hundred bucks. Thanks!" — Mike B.

"I had a great experience with Larry's Automotive and Gary Hawes. They replaced all four struts on my car. The car rides like a dream now and honestly feels like a brand-new car. Gary was awesome to work with. He kept me in the loop and even called a couple of times when things came up during the install, which I really appreciated. They originally said it might take a couple of days, but they had it done in one day, which was a nice surprise. I've already recommended Gary and Larry's to several friends and will continue to do so. Highly recommended!" — Jeff P.

"We have been going to Larry's for a few years now and have been very satisfied. We have taken our car and truck there for regular maintenance and a few repairs. I trust them completely and would recommend them to anyone!" — Jay S.

"First time having a shop work on my truck after hitting a deer. They took care of everything professionally and had great communication, which was great!" — Austin F.

Thank you for being part of our auto repair family! We hope you enjoyed these October tidbits. As always, we're here to keep your vehicle running smoothly this fall.

Drive safely and enjoy the season!

DID YOU KNOW?

October gets its name from the Latin word "octo," meaning eight, as it was originally the eighth month in the Roman calendar.

OCTOBER JOKES & RIDDLES

Q: What do you get when you drop a pumpkin?

A: Squash!

Q: Why did the ghost go to the party?

A: Because he heard it was going to be a "boo-tiful" night!

Q: What do you call a witch who lives at the beach?

A: A sand-witch!

As the leaves change and the air turns crisp, it's time to prepare for the spookiest month of the year! We want to ensure your vehicle is as ready for fall adventures as you are.

OCTOBER 2026 CLIENT NEWSLETTER

MANAGER'S MINUTE

October is a time for us to reflect on just how fortunate we are to have such an incredible community supporting Larry's Automotive Repair.

First, we want to say a huge THANK YOU to everyone who supported our annual Cruise-In last month! Every year, this event seems to get bigger and better, and that is because of all of you—the people who bring their vehicles, attend the event, donate, volunteer, and help us make it happen. A special shout out to the ACE of Clubs Mopar Club in the tri-state. We could not put this show on without your help.

One of the best parts of our Cruise-In is knowing that we're able to give back to the people who do so much for our community. Supporting our local first responders is something that means a great deal to us, and it feels good knowing that, together, we can make a difference. We are already looking forward to seeing what next year's event will bring!

We also have some exciting news that we're incredibly proud to finally share. Larry's Automotive Repair has been named the AAA Gold Shop of the Year!

We were selected from more than 7,000 AAA Approved Auto Repair facilities for our demonstrated commitment to maintaining all AAA Approved Auto Repair program standards and requirements, achieving a customer satisfaction score of 95% or higher, and exhibiting a commitment to both our community and the automotive industry.

This recognition is truly an honor, but we know we didn't earn it alone. It belongs to our amazing employees who work hard every day and to our loyal customers who continue to put their trust in us. Your support allows us to continue growing, improving, giving back to our community, and doing what we love.

From the bottom of our hearts, thank you for being part of the Larry's Automotive family.

OCTOBER IS FALL CAR CARE MONTH!

October Car Safety Tips to Stay Safe on the Road this Fall:

- **Check Your Lights:** As days get shorter, ensure all your lights (headlights, brake lights, and turn signals) are working properly.
- **Inspect Your Tires:** With wet leaves and changing weather, make sure your tires have adequate tread and are properly inflated for better grip.
- **Watch for Wildlife:** Autumn is a time when deer are more active. Stay vigilant, especially during dawn and dusk.
- **Keep an Emergency Kit:** Include essentials like a flashlight, first-aid supplies, and warm blankets in case of unexpected situations.
- **Replace Wiper Blades:** With increased rain, ensure your wipers are in good condition and replace them if necessary.
