## DECEMBER 7 IS PEARL HARBOR REMEMBRANCE DAY

On this day let us all pause to reflect upon the supreme sacrifice made by so many Americans at Pearl Harbor and during the grim struggle which followed. Let us reaffirm our dedication to the principles of freedom and justice, the cornerstones of our Nation.

## MANAGER'S MINUTE

### Merry Christmas from all of us at Larry's Automotive Repair!

As we wrap up another busy year, we just want to take a moment to say thank you. Your support, trust, and loyalty mean the world to us. Whether you came in for routine maintenance, a major repair, or just stopped by to ask a question—you're the reason we do what we do every day.

We're proud to be part of such a great community and truly appreciate the friendships and connections we've built along the way. It's been our pleasure helping keep you and your family safe on the road this year.

As we head into the holidays, we hope your days are filled with peace, laughter, and time spent with the people who matter most. May your travels be smooth, your coffee hot, and your check engine light stay off!

Thank you again for being part of the Larry's family. We can't wait to see what the new year brings and look forward to serving you in 2026.

Wishing you a Merry Christmas and a Happy New Year!

Larry & Kara

## Thanks for the Kind Words!

"Recently, while driving up Green River, a fellow motorist told me I had something hanging and dragging underneath my car. I stopped and looked... yep, there was something, and I needed to get it fixed ASAP. Not knowing where to go, I headed back to Newburgh because I knew of a few possibilities there. It was 4:30, no time to spare, and Larry's was the first on my list. They put it on the lift and, in 15 minutes, had bolted the engine splash shield back on. But the best part is when I asked how much I owed, he said NOTHING! That's above and beyond my expectations... I highly recommend Larry's Automotive!"

—Rebecca E.

"We've had a couple of our vehicles fixed here a few times now, dating from last week to 5 years ago. We do a lot of regular maintenance ourselves, like oil changes, but other things are quite out of our depth. They are very transparent with costs and estimates. They have been very informative with each repair we have had to have them make. They don't try to make you get a bunch of extra unnecessary repairs like some shops. Dropping off our vehicles has been very easy; we've used the after-hours drop box almost every time. We've also had to pick up our vehicles late in the day after they've closed most times, and that is also very easy and secure. We really like this place for fixing our vehicles — we drive almost an hour to take our vehicles here specifically." —Juni B.

"Very impressive shop. Quick work, kept me updated via text, and my car was ready in less than a day. I'd go back to Larry's and recommend them as well." —Kenny B.

## Christmas Cranberry Salad!

This creamy Christmas cranberry salad can be served frozen as well as chilled.

Prep Time: 20 mins • Total Time: 9 hrs 20 mins • Servings: 8

### INGREDIENTS

- 1 pound cranberries, finely ground
- 2 cups white sugar
- 1 (20 ounce) can crushed pineapple, drained
- 1 (16 ounce) package miniature marshmallows
- 1 cup chopped pecans (Optional)
- 1 pint whipped cream, beaten stiff

### DIRECTIONS

1. Mix cranberries and sugar together in a bowl. Cover and refrigerate, 8 hours to overnight.
2. The next day, beat cream in a chilled glass or metal bowl with an electric mixer until soft peaks form.
3. Remove cranberries from the refrigerator. Mix in drained pineapple, marshmallows, pecans, and whipped cream until well combined. Pour into a 3-quart dish, cover, and refrigerate or freeze for at least 1 hour before serving.

Any brand or size guaranteed at our cost!  
ALIGNMENT INSPECTION INCLUDED

Buy 4 tires at our Cost with purchase of Premium Installation & Alignment

See store for complete offer details. Expires 12/31/2025.

## HELP PREPARE YOUR CAR FOR THE WINTER SEASON WITH THESE WINTER CAR CARE TIPS.

Getting your vehicle ready for winter's icy road conditions can be essential for the safety and performance of your vehicle. Consider checking or talking to your auto repair professional about the following:

**1. SERVICE YOUR VEHICLE AND DO A MAINTENANCE INSPECTION:** This can include checking your car's fluids, such as engine oil, antifreeze and windshield washer fluid. Check that your brakes are in good working order. Confirm there are no cracks or signs of wear and tear on hoses and belts.

**2. LOOK AT YOUR VEHICLE'S BATTERY STRENGTH:** Cold weather can take a toll on your car's battery. Have it tested by a professional to check its charge and replace your battery, if needed. The connections should be clean, tight and without rust.

**3. TEST THE VEHICLE'S HEATER AND DEFROSTERS:** Seeing clearly through your windshield is important for safer winter driving, which means your heater and defroster should be working properly.

**4. EXAMINE YOUR CAR TIRES AND CONSIDER WINTER TIRES:** Good traction on snow and ice can be vital for safe driving in severe weather. Consider switching to winter tires if you live in a region with severe winter conditions and check your tire tread depth.

**5. CHECK YOUR TIRE PRESSURE:** Check the air pressure on your tires once a month to help ensure safe travels. Typically, the recommended PSI is 30-35 but check your owner's manual for the exact number.

**6. INSPECT YOUR WIPER BLADES:** Wiper blades should be in excellent condition to help clear your windows. If any streaks or skips occur while using them, it might be time to consider a new set of blades.

**7. CHANGE YOUR OIL AND FILTER:** Check your vehicle's owner's manual for the manufacturer's recommendations on oil types for temperature changes or contact a licensed mechanic.

**8. CARRY AN EMERGENCY WINTER DRIVING KIT:** Winter weather could leave you trapped in the snow, but a driving emergency kit might help you get back on the road and on your way. Your car kit could include the following items: ice scraper, shovel, tow and tire chains, jack, jumper cables, car tool kit, flares, battery-powered flashlights, extra batteries, warm clothing, blankets, cell phone and charger, first aid kit, non-perishable food and water, extra windshield wiper fluid, antifreeze, and sand or cat litter for traction.
