“ I am thankful for my CMAA membership, both nationally and with the Georgia Chapter as it allows me to expand my network of colleagues that I can draw upon to answer questions, share ideas and gain new insights into our industry! Our chapter members are willing to share their experiences on what worked in their club or with their teams and boards as well as what didn't or isn't working. There is no judgement, and everyone is willing to share their experiences and knowledge. I have gained invaluable information from my peers without reinventing the wheel as well as made many lifelong friends. I couldn't imagine not having the Georgia Chapter to support me and my club. ”

-Susan Schenkel, CCE, CCM, GACMAA Communications & PR Chair
