

FOREWORD

We are extremely excited to be heading back to North Georgia Church of God camp for both the High School and Middle School Camps. We are expectant for God to move in our students lives in a powerful way. We cannot wait to see how they grow in Christ alongside one another. Please be in prayer for our students as we move closer to the camps and that they would be receptive to everything God wants to do in their lives during camp.

CAMP 2026

If you yourself or your student has never been to church camp, it is a blast! Pastor Taylor and Tatum are no strangers to camp and are extremely excited for our students to be a part of this great week. This is a 5-day overnight camp that is being run by the Church of God of North Georgia and you can expect a week filled with fun, community, and powerful services. Some of the activities that you can expect are horseback riding, swimming, a huge waterside, water trampoline, paddle boats, canoes, kayaks, and inflatables. Pastor Taylor and leaders will be with your students the entirety of the week and can't wait to grow closer with your student.

REGISTRATION

Your student is fully registered, and their account is paid in full. The only thing left to do is to turn in the release form for your student when we arrive at camp. Which is listed on the students website and you will need to bring on the day of departure from Grace.

LODGING

This is an overnight camp! Your student will be staying and sleeping in bunk style cabins led by Pastor Taylor and background checked adult leaders who serve on Wednesday Night services with your student. We might have other students from different churches as well depending on how administration sets rooming lists.

FOOD

Your student will be provided breakfast, lunch, and dinner each day in a cafeteria setting. A canteen will also be available at select times for snacks, drinks, and candy. Each student receives a \$5 canteen bracelet with registration. If you'd like them to have more, please send cash on departure day, and Pastor Taylor will load it onto their bracelet. Most campers bring an additional \$10–\$20.

CAMP LEGACY

Camp legacy will be providing the best practices and current recommendations to ensure the safety of camp-ers, cabin leaders and staff. This includes lifeguards and nurses who will stay on campus.

MEDICATIONS

If your student takes medicine as prescribed by a doctor on a regular basis, please have your student bring it in a ziploc bag with their names printed on the bag. Pastor Taylor will need that as it will have to be checked into the nurse's station when we arrive at camp. The nurse will administer the medicine to your student according to schedule of your student
