

Welcome

You may have noticed some new faces around the nursery, and we would love to introduce you to them.

Zaynah is our new team leader for Hedgehogs

Jenny is our new team leader for Owls

Kyla is a Level 3 qualified nursery nurse in Hedgehogs

Lilly is a Level 3 qualified nursery nurse in Hedgehogs

We have also had Poppy and Hannah join our supply team.

What's to come...

We will be holding our 1st
Birthday Party September 11th.
So please come along for cake,
live shows and fun!!

What we have been up to...

In **Hedgehogs** we have been focusing on broadening communication, the children have loved the animals this month, we have been focusing on animal names and the sounds they make, the children are doing well at and repeating them. We have included foam play, songs and natural exploration in the garden to continue this learning.

In **Little Toads** we have been learning some BSL and have been using the signs for 'more' and 'thank you' alongside speech this is a lovely way for all our children to communicate with each other.

In **Owls** we have been focusing on the vegetable patch. We have been looking at mathematical development which include measuring, weight and pouring.

We have also been doing lots of stretching with Sammy's special yoga, this is supporting balance and control of their own bodies.

Parent Notices

Our car park is a 5mph to ensure our children and team, please can all parents and visitors abide by the limit.

We do also ask for parents and visitors to park in the back car park and not along the building to allow pedestrians safe passage to and from the car park.

Thank you all in advance.
