MARCH 2024

## What we have been up to....

Haslemere have enjoyed celebrating Pancake Day, Valentine's Day and Lunar New Year. The children loved trying different Asian-inspired foods and using chopsticks at lunch time.

### Owls

Owls have been fascinated with space and loved our space adventures. We have made our own solar system, learnt lots of facts about the planets, and made playdough aliens. We have also been talking lots about animals and the habitats they live in.

## Little Toads

Little Toads have enjoyed getting creative and exploring lots of different textures in their play. They have made cloud dough, glittery foam, and made their own pancakes in tuff trays.

### Hedgehogs

Hedgehogs have been sharing the love and enjoyed creating Valentine's crafts. They also loved Pancake Day and they tried lots of different toppings for their pancakes.

### Butterflies

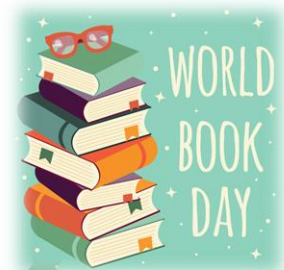

Butterflies have experimented with lots of different materials with paint this month. They have used bubble wrap, chop sticks and sticks.
