MARCH 2024

What we've been up to:

Our Dragonflies room really enjoyed exploring their Pancake Day themed tuff tray. The children used their fingers to mark-make in the flour, explored the lemons, and used the frying pans to flip their pancakes. We also enjoyed taste testing pancakes for our afternoon snack.

Valentine's Day

The children have been busy celebrating the people they love by creating bags to take all their special crafts and gifts home in. As they decorated their bags, they discussed the people who are important to them and how they show that they care and love them.

In celebration of Chinese New Year, the children have been creating and decorating Chinese lanterns. They looked at pictures of lanterns and decided to use red and gold glitter to create their own designs and patterns. The children enjoyed sharing their own stories about the festivals and events they celebrate at home.
