Children's Nursery

# Horley Newsletter

APRIL 2024

## Horley's 20th Birthday!

We all enjoyed celebrating Horley Toad Hall's 20<sup>th</sup> Birthday!

We hope you enjoyed the yummy cake made by Gemma. Thank you to everyone who sent in pictures or a message, I hope you have all seen the wonderful video that has been put onto Facebook celebrating the last 20 years. We tried to include as many memories as possible.

## Mother's Day

We hope you all enjoyed your Mother's Day gifts and treats. We hope you all have a very special day and thank you to everyone who was able to make our Mother's Day tea!

## Earth Day - 22nd April

We will be joining in with Earth Day this year to help raise awareness of the environmental problems that we face.

Please could you bring in any clean recycling items, such as cereal boxes, milk cartons or cardboard tubes. The children will be using these to first learn about what we do with our recycling materials before then using them in their own creative structures and creative artwork.

## Dates for your diary

Event	Date
Easter Monday – Bank Holiday (Nursery closed)	1 <sup>st</sup> April
Start of summer term	8 <sup>th</sup> April
Eid al-Fitr	10 <sup>th</sup> April

## Hedgehogs

Hedgehogs had lots of fun dressing up for World Book Day!

They shared lots of different stories throughout the day that the children had brought in.

The staff brought in their favourite children's stories from when they were little and shared these with all the children.

## Little Toads

Little toads have been exploring animals of all shapes and sizes, from little bugs, and farm animals to big zoo animals!

The children have explored taking care of the animals, through their play. From feeding them, giving them a bath and helping to build different habitats for them to live.

## Owls

Owls got creative for Red Nose Day and made their very own red noses! The children were able to use the scissors to cut out their own nose, and then decorated it with their choice of glitter and paint. Look how sparkly they are!

## Changing weather

As we move into the nicer sunny days please make sure your child has a sun hat and sun cream if they are not using our nursery suncream. Thank you ☺

Kind regards

Kerry Webb
