

Langley Newsletter

Welcome

Thank you for taking the time to read our June newsletter! May was a wonderful month, the children have been busy learning, exploring, and having lots of fun. Take a look at some of the highlights from last month, as well as the exciting things we have planned for this month.

What's to come...

Welcome to our June newsletter, I can not believe that we are 6 months into the year already, and we have done so many lovely things already, and it is not stopping.

In June we have International Dinosaur Day, the children will enjoy taking part in lots of new and exciting dinosaur activities.

The World Cup is starting in June, we have had lots of conversations around football daily basis, I am sure there will be lots more conversations as the month goes on! We are all big fans of the World Cup here at the nursery!

We will be having a Father's day tea on the 22nd June at 3:45pm.

Transitions have already begun with lots of schools contacting us to make arrangements to come into the nursery to visit the children.

What we have been up to...

I think the most exciting event of this month has defiantly got to be the ducks! The children were extremely happy to see a duck hatch on Friday. The ducks have been coming out during the day to go swimming, and the children love watching them and feeding them peas! The children will definitely miss the ducks when they leave but Pebbles and Bam bam will still be here!

We have been teaching the children about looking after our environment and what we can do at nursery to help. I am sure Owls and Badgers have been singing lots at home, and they really have been putting this into place, children have been turning the lights off in the bathroom if no one is in there, as well as making sure that the correct rubbish goes into the bins. To extend this we have been doing lots of activities which help the children understand what we can do to help the environment.

Sarah has also been planting some flowers with the children; the children have loved doing this activity. Some of the children know much more about flowers than I do!

Parent Notices

Nursery security

Please could we ask all parents not to let other parents into the nursery. Our safeguarding policy stresses that all parents buzz into the nursery individually. If the room you are buzzing is not answering please ensure that you buzz the office, and Natalie or Sharon will be able to assist.

Parking

Whilst we understand that parking can be a little limited out the front of the nursery, please could we ask that no parents are blocking in Natalie or Sharon, we do have parking at the back of the nursery, if there is no space at the front of the nursery.

Dates for your diary

Date	Event
1st June 2026	Graduation photo's for Owls and Badgers going off to school ONLY
22nd June 2026	Father's Day Tea
24th June 2026	Parents evening

Our New Summer Menu Coming Soon!

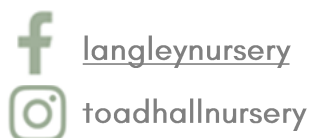

We've been busy behind the scenes and are excited to share that our new nursery menu will be coming soon! Developed in partnership with Tiny Tums early years nutrition specialists, the menu has been carefully designed to support children during one of the most important stages of their growth and development.

Our new menus focus on providing:

- plenty of vegetables
- nutrient-rich ingredients
- natural flavours
- familiar meals children already know and enjoy

We understand that healthy eating habits begin in early childhood, and our aim is to help children develop a positive relationship with food from the very beginning.

We can't wait to share our new menus with you all soon!

Kind Regards
Sharon Poole
