APRIL 2024

In March, we had a wonderful Mother's Day tea party and celebrated World Book Day whilst supporting Comic Relief!

Hedgehogs created some lovely artwork for Easter, they enjoyed exploring the texture of clay and made some hanging Easter egg decorations.

Little Toads have loved learning all about our cook and grow initiative this month. They have planted seedlings of various vegetables and enjoyed cooking with a variety of ingredients.

They also enjoyed sensory body painting.

Owls have been getting in the Easter spirit and learnt about the lifecycle of a chick. They also explored finding golden eggs with chicks ready to hatch inside. CookStarts has been a huge success this term developing their kitchen skills.
