

Welcome

Thank you for taking the time to read our June Newsletter!

The month of May brought new beginnings from our wonderful hatching duckling eggs to children transitioning into new rooms. It was exciting watching both flourish and start an exciting new chapter.

Whats to come...

The month of June will bring along a large focus on inclusivity, not only marking pride month but each room adapting their environments further to represent the families we have in our settings. From home corner utensils to cultural literature. We cannot wait to see what's to come.

What we have been up to...

Hedgehogs have been fascinated by their reflection and facial features, helping them to develop a sense of self. This also provides a great opportunity for language and early communication, skills they developed further this month by learning the sign for drink supporting them in communicating their needs.

Butterflies discovered a caterpillar in the garden this month which created a sense of fascination and awe! The children were very curious about the caterpillar and completely absorbed in their discovery. This led to them discovering more wildlife in the garden such as birds and even a beautiful butterfly!

Little Toads been strengthening their core muscles this month putting the skills learnt in Supernastics into their outdoor play. Navigating obstacles and balancing on beams! They loved having the ducklings and learnt about how to care for them showing a fantastic understanding of the world around them.

Young Owls enjoyed exploring their senses in the outdoor area. They listened out for sounds such as tweeting birds and planes and smelled the flowers in the growing patch. This not only helps their focus and attention skills it gives them a greater understanding of the world around them and provided opportunities for peer conversations.

Owls have been developing their imaginative skills in the garden, using their new shop and car wash. The children shared home experiences during the role play and worked together to serve customers and wash the bikes demonstrating amazing turn taking and problem-solving skills.

Parent Notices

GOSH-Fundraising Week

Join us for a week of fun, creativity and kindness as we raise money for Great Ormond Street Hospital. Please see below schedule for fundraising week:

08.06.2026 - Purchase a story created by Owl's children. (£4.00 per story)

08.06.2026- Superhero Day- Dress up as your favourite superhero and make a heroic difference. (£1.00 donation)

11.06.2026- Bake Sale - baked goods will go on sale for families to purchase. We are also looking for donations for the bake sale (strictly no nut products).

11.06.2026- Raffle- Tickets will go on sale at the start of the week. Winners announced at the end of the fundraising week. If you have any prizes you would like to donate to the Raffle, please drop them by the office.

Dates for your diary

Date	Event
02.06.2026	Pride Month Celebrations start
08.06.2026	GOSH fundraising week
22.06.2026	Father's Day Sports Morning 09:30-10:30

Our New Summer Menu Coming Soon!

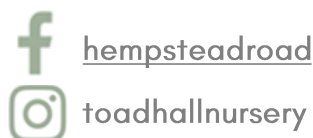

We've been busy behind the scenes and are excited to share that our new nursery menu will be coming soon! Developed in partnership with Tiny Tums early years nutrition specialists, the menu has been carefully designed to support children during one of the most important stages of their growth and development.

Our new menus focus on providing:

- plenty of vegetables
- nutrient-rich ingredients
- natural flavours
- familiar meals children already know and enjoy

We understand that healthy eating habits begin in early childhood, and our aim is to help children develop a positive relationship with food from the very beginning.

We can't wait to share our new menus with you all soon!

Kind Regards

Sam Penn
