APRIL 2024

Parents Evening

A reminder that Parents Evening is being held on Thursday 4th April. If you would like to book an appointment, please speak with your child's keyworker who will let you know their available appointment times.

Events

We have lots of nursery events planned for the upcoming months. Please see our events board in the hallway to stay up to date.

Easter Basket Decorating Competition

This week is the last entry for our Easter basket decorating competition. We also have our Easter Egg hunt on Wednesday 4th April, if you would like to join us, please let us know!

March Highlights in the rooms

This month in **Hedgehogs** we have been enjoying our babble and chat class. We've been learning new Makaton signs which are helping with our communication.

This month in **Little Toads** we have been doing a range of messy play activities, a big favourite was ice play. Watching how it melts as we explore.

Owls we have been focusing on developing their writing skills. We've practiced writing in cards for Mother's Day and Easter. You can speak with your child's keyworker to find out how you can continue this at home!

Parent/carer notices

No Nut Nursery - a reminder that we are a no nut nursery, please do not allow your little ones to eat nuts before attending or bring nuts in their bag.

Small toys – finding small important toys at the end of the day can be challenging. Please can we ask parents not to allow children to bring in little toys to play with, as we cannot keep track of where they are throughout the day. Any toys lost are not our responsibility, although we will do our best to reunite you with them.

Returning Clothes - we only have a limited supply of spare nursery clothes. Please can we kindly ask if your child goes home in nursery clothes, that you bring them back in.

Thank you

Easter Term Dates

The nursery will be closed for term time only children from Friday 29th March and begins again on Monday 15th April.

Reviews

It would be much appreciated if you could also review us on Day Nurseries.

Your feedback is very important to us, and we'd love to hear your voices.

Front Door

We will be replacing our existing front door in the coming weeks.

For security reasons, we will need to be extremely mindful about closing the door properly behind us. Please do not let anybody else in.

All visitors, carers, and parents need to buzz into the correct room so that a staff member has confirmed they can enter the nursery.

We thank you for doing this, to ensure the nursery is safe and secure at all times.

Kind Regards
