Children's Nursery

Woking Newsletter

In February, we celebrated many events including the Chinese New Year on the 9th, Pancake Day on the 13th, and Valentine's Day on the 14th – we have loved being creative and celebrating togetherness.

Babies have been using their creative skills by painting and being messy, they created some beautiful artwork for the adults they love.

Little Toads have really enjoyed sitting down and listening to stories and songs and have learned a new nursery rhyme about a frog!

Owls have been discussing who they love and why, we have been celebrating love and what it means. We made our own pancakes for Pancake Day and were very pleased with how they turned out!

Badgers have enjoyed being active. Building beams and obstacle courses together with the friends we love and working taking turns.

MARCH 2024

Welcome to the team

In March we welcome Charmaine to the team! Charmaine will be working full-time and is looking forward to getting to know the children and parents.

our Modern Apprentices (MA's) are closer to joining us soon!

We will also be taking on some enthusiastic students to join the setting as they do their work experience with us.

Dates and events happening this month
