

Parent/Student Enrollment Agreement

Thank you for choosing Wright String Academy! Our goal is to provide students with a positive, respectful, and encouraging environment where they can develop their musical skills and confidence.

By enrolling your child in Wright String Academy, the parent/guardian and student agree to the following expectations:

1. Instrument Rental

Each student is required to have access to their own appropriately sized instrument for the duration of the class.

Parents/guardians are responsible for renting an instrument from a music store or other approved provider. A PDF containing a list of recommended music stores and rental resources will be provided.

2. Attendance & Commitment

Enrollment in Wright String Academy represents a commitment to attend all scheduled rehearsals.

Students are allowed two (2) missed classes during the session.

- Parents/guardians must notify the instructor by email at least 24 hours in advance if their child will be absent.
- Exceptions may be made for emergencies or circumstances outside of the family's control.
- Additional absences may affect the student's ability to keep up with the class and will be discussed with the instructor. Additional absences may also result in the need for one-on-one instruction to help the student catch up with missed material. Any one-on-one instruction needed as a result of additional absences will be at the expense of the parent/guardian.

Consistent attendance is important for both the individual student's progress and the progress of the ensemble as a whole.

3. Practice at Home

Parents/guardians agree to support their child's musical development by encouraging and providing time for regular practice at home.

Students are expected to practice the skills and material introduced during class. Parents/guardians are not expected to be music teachers, but their encouragement, reminders, and support are an important part of the student's success.

4. Respect & Classroom Conduct

Students are expected to treat the instructor, fellow students, instruments, classroom space, and all program materials with respect.

Students are expected to:

- Listen when the instructor is speaking.
- Follow classroom and rehearsal directions.
- Treat fellow students with kindness and respect.
- Handle instruments and equipment responsibly.
- Help maintain a safe, clean, and positive learning environment.
- Allow other students the opportunity to learn without unnecessary disruption.

5. Behavioral Concerns

Wright String Academy is committed to providing a safe and positive learning environment for all students.

If a student demonstrates continual or significant behavioral issues, the instructor may communicate with the parent/guardian to discuss the concerns and determine appropriate next steps.

If behavioral issues continue despite reasonable efforts to address them, the student may be asked to discontinue participation in the class. If a student is asked to discontinue the class due to ongoing behavioral issues, no refund will be provided.

6. Parent/Student Acknowledgment

By signing below, the parent/guardian and student acknowledge that they have read and understand the expectations outlined in this agreement. We understand that the student's success in Wright String Academy depends on regular attendance, appropriate behavior, access to an instrument, and support and practice at home.

We agree to support and uphold the expectations outlined above and understand that continued enrollment is dependent upon following these policies.
