Dear Parents and Guardians

GR 10 SUBJECT CHANGE - FINAL OPPORTUNITY

Please take note of the following important information regarding grade 10 subject changes.

GRADE 10

Please take note that Grade 10 learners may change a maximum of 2 subjects during their Grade 10 year. They had the opportunity to make changes after term 1. This is their second and final opportunity to make changes for their grade 10 year, if they have not made 2 changes yet.

These changes must be finalised by Wednesday, 22 July 2026 for term 2. A composite list of the changes must be sent to the Department of Education on this day. **After this date, no changes will be accepted by the school or the Department of Education.**

If they do not make use of this opportunity, their next opportunity will be at the start of Grade 11.

Please use the time and opportunity until the 22nd of July 2026 to do thorough research so that you are able to make an informed decision. You are welcome to contact Mrs Nel, the Grade 10 Academic Empowerment Head, who will assist you with the process.

Yours faithfully
