Letter To The Editor - January 8, 2024

At the end of March, there will be a village election for the position of Mayor and two trustee positions. There will be a Democratic caucus, if, there is any interested party that will run for any position. Please let me know if there is interest to attend the caucus the week of March 20 th and/or run for any of these positions. I'll put the time and place in the Addison Post the same week. I'd like to see interest from both parties.

When the Village had a meeting to discuss the razing of the building on Main Street, the Mayor or Board of Trustees didn't give any reason for the demolition. I asked for a copy of the minutes of that meeting.

As a result, I called a gentleman from NY State who had attended this meeting. He stated that the common concern is that the building was unsafe. The structural engineer at the meeting suggested that Rt. 415 be closed for tractor trailers and non local traffic. You know the results.

Was I happy? Not in the least. Because of negligence by the village and owner of the building, I think this could have been prevented. They knew through letters to the Editor, it was in bad condition months ahead of time.

Clayton Gerome Learn, 84, of Cameron Mills, NY, passed away at his home on Saturday, January 6, 2024 surrounded by his loving family.

Gerome was born in Corning, NY on June 6, 1939, the son of Clayton C. and Ethel M. Hill Learn. Growing up in Rathbone, Gerome attended the Northup Hill Rural School through the sixth grade. He then attended Jasper Central School High School.

Gerome left high school at the age of 17 and enlisted in the US Air Force, serving from 1957 to 1961 as an airplane mechanic. Jason Eric McCallum

Jason Eric McCallum, born July 24, 1976, passed away on January 1st, 2024 in the comfort of his own home in Addison, New York. Son of Kathy and Carlton (Butch) Davis and John and Cora McCallum, Jason spent 47 years (569 months) by the side of his family and friends. He always selflessly helped anyone and everyone he could. Jason enjoyed creating joyous memories through laughing, making jokes, listening to music, and hosting bonfires and parties. He enjoyed spending his freetime grilling and smoking various meats to enjoy with his family on his Traeger grill while sipping an ice cold Budweiser, as well as collecting coins, and old war memorabilia. He cared for and found a lifelong companionship in his “mans best friend” June. Only adding to the pack and his love with his 3 other dogs. Above all else Jason loved spending time with “his

girls”, being his wife Charlotte, daughters Abigail and Emily, and granddaughter Isabella. Proudly Survived by his Wife of 5 years, Charlotte McCallum; Daughters, Abigail (Maxwell) McCallum and Emily McCallum; Stepson, Charles Schmidt; Granddaughter, Isabella Herrington; Sister, Sherri (Mike) Blackwell and Brother, Joseph McCallum; Niece, Charissa Mcfall and Nephew, Ayden McCallum. As well as many other beloved nieces and nephews. Many lifelong friends including Donald (Duck) (Teresa) Beard, Jason (Jay) Cobb, Ray Cook, Beth Wheaton, Pudge Vangorden plus her 2 sons, Nate (Heather) Wheaton Shawn (Spider) Taylor. The mother of his children, Bobbi Rooks. And many more honorable mentions. Warmly welcomed in heaven by his late mother, grandparents, oldest brother John McCallum JR., and friend Gary Haus. Any memorial donations should be made to St. Jude’s Children Research Hospital, as Jason made regular payments to “support the kids”. Private services will be held at a later date. Arrangements are in the care of Kenyon Funeral Home, www.kenyonfuneralhome.com

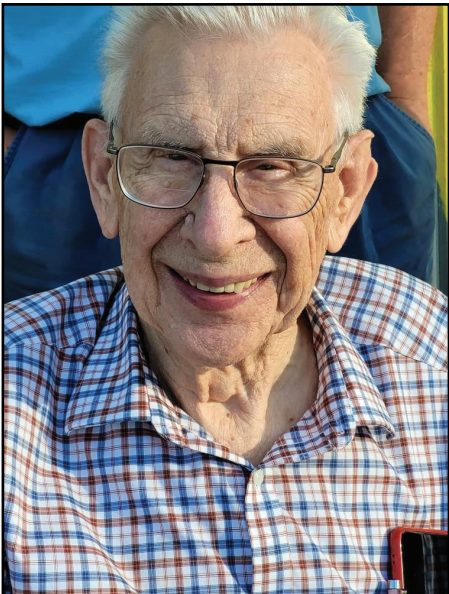

Elmer Donald (Don) Siegrist

Elmer Donald (Don) Siegrist, 89, of Jasper, NY, died January 3 rd , 2024, in Turin, NY at the home of his son following a brief battle with several conflicting health issues.

He was predeceased by Anne Sauder Siegrist, his wife of 67 years, and his parents Elmer and Elva Siegrist.

He is survived by his six children; Denny (Jeanie) Siegrist of Fort Mill, SC, Judi (Jerry) Stahly of Atmore, AL, Ken (Dawn) Siegrist of Ephrata, Pa, Brian (Cheri) Siegrist of Turin, NY, Deb (Ken) Harrison of Lancaster, PA, and Karen (Tim) Lehman of Lancaster, PA. He is also survived by 15 grandchildren and 25 great-grandchildren, as well as his siblings Merv Siegrist of Orrville, OH, Lester (Becky) Siegrist of Leola, PA, Ruth (Roy) Steiner of Kidron, OH and Sanford (Grace)

Siegrist of Mifflinburg, PA, as well as a sister-in-law Myrtle Sauder of Laurel, DE.

There will be a memorial service at the Christian Community Center, 4269 East Road, Turin, NY at 3 pm Sunday, January 14 and a service at Chenunda Creek Fellowship, Independence, NY on Sunday, May 26, 2024 at 3 pm.

At this point we could talk about his years spent as a farmer, mechanic, pastor, overseer, or EMT, but what really defined his life more than those was his love of music. He bought his first guitar at age 15 and his last one at age 87. He learned the mechanics of music well at a young age, (shaped notes and Solfege). He met his wife when she sang in a trio with his cousins. He sang in choirs, quartets, and led worship music for decades. He sang duets with his wife, and when his oldest daughter Judi could carry a part The Siegrist Family began singing as a trio with his guitar accompanying. As other voices matured they were added, then those voices eventually moved away until it was just Don and Anne singing together again. If you knew him well you knew of his love of music.

When he moved to Turin at age 87 his home congregation missed his music, and the Turin community was treated to his guitar playing and singing.

Dad, Scripture states that for the believer “to be absent from the body is to be present with the Lord,” and it states “eye has not seen nor ear heard the things God has prepared for those who love him.”

We cannot imagine what you are hearing now.

Addison Student Participates in Cornhole Championship

Congratulations to Addison junior, Kayden B. for placing 3rd at the 2023 National High School Cornhole Singles Tournament in Myrtle Beach, South Carolina. Kayden started playing cornhole for fun at a campsite when he was young. He discovered his talent and passion for cornhole and later started playing competitively at local events. He became very successful and has since achieved a competitive position in American Cornhole League competitions.

Kayden travels to places in Ohio and South Carolina to compete in ACL events. Kayden says that he spends an abundance of time working on his skills. Some days, he spends at least two hours practicing. Last year, Kayden started at a very low seed in the at 2022 National High School Cornhole Singles Tournament and earned the championship by beating many tough competitors. This year, he was featured on ESPN2 and said that it was a cool experience.

In the future, Kayden plans to keep pursuing his cornhole talents, participating in many more tournaments and hopefully winning.

Addison Community Pride Is Back

Community Pride is an organization that is not new to the town. Community Pride was started by the high school staff and administration and consisted of community members, teachers, and administration. The committee would organize three events for the community each year. Events were school and community oriented, family friendly, and fun. The events included Family Roller Skating, Find the Knight, and The Veteran's Parade & Reception. Established community member, Deb Flint, states that "It truly began with the focus mainly on the high school because the high school didn't have what our other schools had established which were Parent Teacher Organizations (PTO) and/or Parent Teacher Associations (PTA). So, the focus was totally on getting teachers, community members, parents, staff and law enforcement doing things within the school community that would engage and welcome collaboration and get more community members and family to come into our schools and work together on concerns, collaborative family fun events, and be present at school community functions. 'Knight Pride Community Wide' was our focus and that phrase became our slogan."

Over the years, there have been many changes within Community Pride. The committee has had to overcome many obstacles trying to keep the spirit of the committee alive. Within the past year, Community Pride has started again with the Veteran's Honors Parade and Reception. The committee hopes to continue gaining more members from the high school and community to build up the organization to what it once was. If you are interested in being part of this team, we encourage you to contact the High School main office. The first meeting will be in February to plan a spring event.

Getting to Know: Fine Arning

Fine Arning is a 16-year-old exchange student from Germany, specifically from the city of Billerbeck. She's currently living with the Mayo family. She played soccer in the fall and she's currently playing basketball on the varsity team. Fine said that she really enjoyed the soccer season and she's enjoying playing basketball. She likes to hang out with her friends . She thought Addison was going to be a bigger city and was surprised at how small it is and how far away everything is. She said the people here are really different than the people in Germany. She really misses the food and her friends back home. She has one younger brother who is 12 years old. One goal she has set for her time here is to improve her English. Advice that she would give to future exchange students is to be open minded and to be nice.

Addison High School's Holiday "Block Party"

The Addison High School D-Wing kicked off their holiday break with the 3rd annual "Block Party". Students and staff gathered in Mr. Castle's room, for some chatting, Christmas music, and good food. The classroom counters were filled with food from breakfast casserole and smoked brisket, to angel food cake and chocolate fudge. Mr. Castle said ,“The Block Party is a great way to begin the holiday, and a fun way for students and teachers to build connections while having a little break from their day-to-day studies.”

Upcoming Winter Weather Season

Although we hope for no inclement weather, we live in New York and that is not going to happen. Bus safety is a critical component to overall school safety as our busses and bus drivers are on the road daily transporting students to and from school, traveling to out of district placements, as well as to extra-curricular/athletic events in the evening. As you know, delaying or closing school is a challenging decision to make. We use all information available (at the time) to make "the call". We frequently communicate with the county and town and village highway departments to ensure we are making an appropriate decision. With all of this said, below is a brief summary of the various places to access delay/cancellation information, in logical order to do so:

School Closings/Delays/Cancellations:

1. Go to the school district web site: Addisoncsd.org – we will announce it there **first** with our on-screen alert (pop up message) on the home page. This is probably the easiest and quickest way to find out any information.
2. Go to the Addison District Facebook page.
3. Watch the local TV news and/or listen to the local radio stations– not always the fastest way to find out this information.
4. Wait for a call from our automated dialer system.

Note that in most cases, the call will be made before 6AM on the morning of the weather event. If the weather is **severe enough**, we will try to call off school the **night before**. We will follow the same protocol as above.

Canceling After School and/or Evening Events:

On the occasion where we have to cancel an after school or evening activity and/or athletic event, we will work to make a decision (as soon as possible) and follow the steps above for cancellations.

Please note #1 - There is never the "right" time of day to make any of these decisions. Much of the decision will be dictated by weather patterns, forecasting possible future weather events, and the advice from those places that we may be travelling to; **This is ALL in the name of safety for everyone!**

Please note #2 – None of us went to school to be meteorologists, but we pledge to do the best we can with the information that is made available to us at the time, always erring on the side of caution. Remember, there is a delicate balancing act between needing to provide an education (and other related school services and activities) for our students and the monitoring of weather conditions that are inevitable this time of year!

Please note #3 - The **variations in the weather**, along with changing road conditions, can be very different from school district to school district and even within our own district.

Please Note #4 - The use of a remote day or two (in late winter/early spring) is always a possibility if we have a challenging winter weather season!

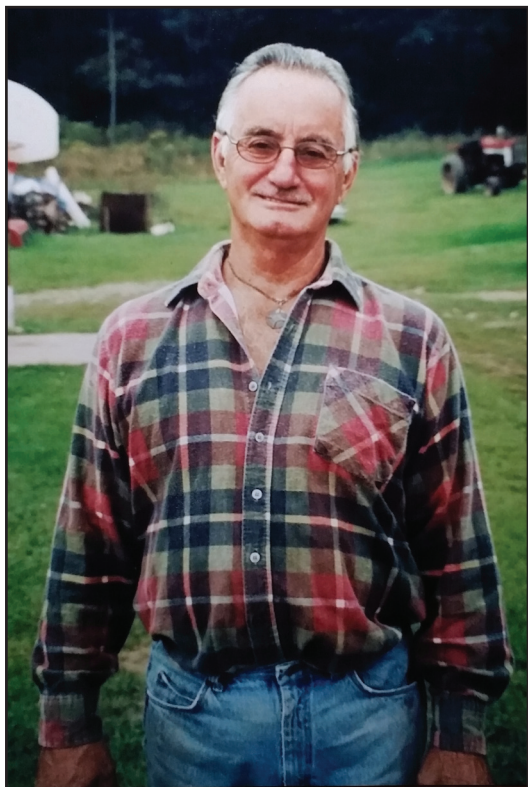

In the event that we have to close school early after everyone is already here on campus, the District will follow our emergency go home early procedures established by your school building or department.

The New Year Should Start A New Chapter In Our Lives

A brand new years is here at last; Twelve months that lie ahead. Will they be wasted, like in the past, Or wisely spent instead? Those worthy resolutions made Describe your future plan; So follow them before they fade, And do the best you can. To start with, you must learn to share: For instance, making sure, That clothes which you no longer wear are given to the poor. Your House of Worship where you pray will keep your goals in sight, and show you there's no better way to start the new year right.
