Aaron Gies at Addison Grange

Addison Grange will meet on Thursday, October 8, at the Addison Community Center. The meeting starts at 7pm with light refreshments to finish the meeting. This meeting will feature Aaron Gies, the Democratic Party candidate for Congress. He hopes to serve our District 23, currently served by Nick Langworthy. Other Democratic candidates have been invited to attend and speak.

Aaron Gies lives in Olean, the middle of District 23. He is an instructor at St. Bonaventure University there. He describes himself as being raised in a working family, with experience in small business and a non-profit farm. More information can be found on his web page at https://aaronforny23.com At the September meeting, our Republican representatives Tom O'Mara and Phil Palmesano gave a solid description of their service as New York Senator and Assemblyman. Some concern was expressed that the Grange was giving endorsement to them. That was not the case, but the Grange felt it was important to give them full hearing without much interruption. The same courtesy is now being shown to their opponents this month.

At this meeting, as always, Addison Grange encourages the public to attend and participate, whether they are members or not.

The atmosphere is family friendly, and the meetings usually include music and usually finish by 9pm. At each meeting, canned goods are collected for the local food pantry.

Addison Grange usually meets on the third Thursday of each month. The Grange is not affiliated with any political party or religion, but is patriotic and reverent. It is not just an organization for farmers, but for the betterment of all rural America. For more information, call or text Pat Kane at 607 - 738 - 6877.

Pray and Listen

Submitted by Sharon Calkins

(9/1/26) As I sit here waiting for an "important " phone call, I'm reminded that I don't have to wait to hear from God. He's always there to listen to me. There is no answering machine or busy signal when I need to talk. All I need to do is pray and He will hear me. God loves to hear the prayers of His children. We are important to Him and so is what we have to say. So open your heart and minds and pray to our Heavenly Father. He is ready to hear your voice.

Dale Allen Bliss

Dale Allen Bliss, 75, of Bridgewater, passed away on Thursday, September 24, 2026, at the University of Virginia Medical Center.

He was born on November 25, 1950, son of Larry D. Bliss and Evelyn (Schoonover) Caward. Dale grew up on the family farm in the western New York, in the small township of Troupsburg. He loved to tell stories of his childhood memories of working the farm with his older brother Doug, milking cows, hunting, and driving farm tractors.

Dale went on to study at Clarkson University, earning a B.S. of Chemical Engineering. He then completed a successful career of 45 plus years in engineering. Along the way in his career, he earned a MBA at the University of New Haven, and shifted to Senior Project Management in the latter half of his career.

Dale was united in marriage to Patricia (McCuin) Bliss, who survives. They met while Dale was studying engineering and were married for 55 years. Together they raised their two children, and Dale actively supported them through school activities, their military service, and establishing their own families.

Dale's golden retirement years shifted his focus to home and yard work in Penn Yan, NY. He absolutely loved using his John Deere tractor to mow their yard, plow snow, till the garden, and whatever other reason he could invent for using it. During this time period, he also focused on his personal faith journey and study of the Bible, and he would often ask deep theological questions to his Pastor, looking for life solutions like an Engineer. Dale loved and supported his entire family and was an avid reader his entire life. He thoroughly enjoyed the additions of his grandchildren, and most recently his great-children.

Dale is survived by two children, Michael (Cheria) Bliss and Karen (Kurt) Bliss; five grandchildren, Cheyennee (Jeremy) Parks, Tiyler Bliss, Brandon (Jessalyn) Bliss, Elise Gunderson, and Nathan Gunderson; three great-grandchildren, Mattie Parks, Evan Parks, Beau Monte Bliss; brother, Larry (Manuela) Bliss; three sisters, Joann Detwiler, Carol Streeter, Mary (Bruce) Wallman; two sisters-in-law, Ellen Dello Stritto and Nancy (Robert) Lewis; one brother-in-law, Robert (Debbie) McCuin.

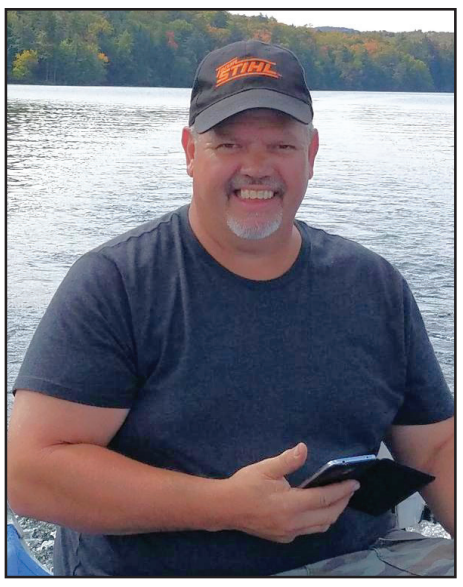

In addition to his parents, he was preceded in death by a brother, Douglas Bliss and a sister, Irene Kearney.

In lieu of flowers, memorial contributions may be made to The American Cancer Society at Attention: Harrisonburg/Rockingham, PO Box 4110, Glen Allen, VA 23058 or online at https://www.cancer.org/

Online condolences may be sent to the family at johnsonfs.com. Arrangements are entrusted to Johnson Funeral and Cremation Service in Bridgewater, Virginia.

Steven L. Amidon

Steven L. Amidon, 58, of Cty. Rte. 64, Hornell (Town of Hartsville), passed away at home on Monday, September 21, 2026 following a lengthy illness.

Steve was born in North Hornell on May 22, 1968, the youngest child of the late Harold and Harriett Curtis Amidon. A lifelong resident of Hartsville, Steve was a 1986 graduate of Canisteo Central School.

Following high school he earned a degree in diesel and heavy equipment repair from Alfred State College.

Steve and the former Lisa Bennett were married on August 23, 2003 in Hartsville. Lisa survives.

Steve had a 33 year career as a mechanic for the New York State Department of Transportation in Hornell. His love of mechanical work led him to become an avid lifelong collector, with a deep appreciation for automotive history, craftsmanship and antiques. He took great pride in restoring and preserving the items that captured his interest, and his passion for collecting was well known to those who knew him.

Steve loved the outdoors, be it hunting, fishing or spending time at the cabin he built on the hill. He was a kind and generous man who seldom spoke poorly of others. He was an old soul. His mother-in-law described Steve as an old man in a young man's body.

Besides his wife Lisa, Steve is survived by his siblings, Vickie (James) Weyand of Kane, PA, Larry (Diane) Amidon and Randy (Shelly) Amidon, all of Hartsville, his sister-in-law and her husband, Norma and Jeff Hoffman of Addison, many nieces and nephews and his beloved fur kids, Barker and April.

Steve was preceded in death by his parents, Harold and Harriett Amidon, his sister, Betty Lou Amidon and his in laws, Glenda and Phillip Bennett.

The family will receive friends on Sunday, October 4 from 2 to 4 pm at the H.P. Smith & Son Funeral Home, 29 E. Main St. Canisteo. A memorial service will follow there at 4 pm. Following the service, everyone is invited to a meal and time of fellowship at the Canisteo American Legion Post on W. Main St. in Canisteo.

Memorial donations in Steve's name are suggested for the Hornell Humane Society.

Jeannine E. Bliss

Jeannine E. Bliss, 85, of St. Rte. 36, Troupsburg, passed away at her home on Saturday, September 26, 2026.

Jeannine was born in Antwerp, Belgium on January 25, 1941 to Petrus and Lillian Hardcastle VanGoethem. She was raised and attended school in Belgium. She met a young US Airman, Arling Bliss, who was stationed in Europe. They married in Belgium on October 29, 1960. Upon the completion of Arling's tour of duty in Europe, she returned with Arling to America and made it her home.

They eventually settled in Arling's hometown of Troupsburg.

Jeannine was a Roman Catholic by faith and had been a member of St. Joachim's Catholic Church in Canisteo prior to its closing. After that time she often attended St. Mary's Catholic Church in Rexville.

Jeannine worked her adult life in the field of primary education. She worked for a period of time for the Elmira City School District and later began a long career as a teaching assistant for GST BOCES at the Coopers Career Center in Coopers Plains. She was a pet lover and cared deeply for all animals.

Jeannine was preceded in death by her husband, Arling Bliss on November 20, 2020, her son, Bernard Bliss in 2009 as well as all of her siblings.

Surviving are her children, her son Brian Bliss of Rochester and her daughter Nadine Bliss, her grandchildren, Carl Bliss, Lexie Bailey and Aiden Bailey and her beloved cat Sassy.

Following Jeannine's wishes, there will be no service at this time.

Memorials in Jeannine's name are suggested for Doctors Without Borders or your local SPCA.

The family is being assisted by the H.P. Smith & Son Funeral Home in Woodhull.

2026-27 School Year, Issue 1 October 1, 2026

Back to School 2026

Valley Early Childhood School

It has been an amazing start to the school year for the Valley School family! Expectations are being learned, routines are being solidified and friendships are already well underway.

Tuscarora Elementary School

Tuscarora was thrilled to welcome its newest Kindergarten students and families on Thursday, September 3, during two special sessions of Hooray for K. This exciting event provided our youngest learners with an opportunity to meet their teachers, explore their classrooms and begin building confidence and excitement for the school year ahead.

Later that evening, students in grades 1 through 5 and their families joined us for Open House from 5:00 to 6:30 p.m. Throughout the evening, families had the opportunity to visit classrooms, meet teachers and staff, drop off school supplies, tour the building and reconnect with friends and the Tuscarora community.

Both events were designed to help students and families feel welcomed, prepared and excited for the first day of school on September 8. By practicing routines, becoming familiar with classroom spaces and building relationships with teachers, students were able to start the school year with confidence and enthusiasm. We are grateful for the strong partnership of our families and look forward to a wonderful year of learning, growth, and success together.

High School Class Meetings Set Expectations for a Successful School Year

During the first two days of school, students in grades 6-12 participated in class meetings led by Mrs. Clark, Principal, and Mr. Stiles, Assistant Principal. These meetings provided an opportunity to welcome students back and establish a positive foundation for the school year.

Throughout the presentations, students reviewed school expectations and discussed the importance of making healthy choices, demonstrating personal responsibility, academic and social-emotional resources, and maintaining strong school attendance. Emphasis was placed on creating a safe, respectful and supportive learning environment where all students can be successful.

In addition, members of the senior class received an overview of the Senior Privilege Guidelines, including the expectations and responsibilities associated with these opportunities.

We appreciate our students' attention and engagement during these meetings and look forward to a productive and successful year together.

Middle-High School Open House

Thank you to all of the families who joined us for our Middle-High School Open House on September 8! We were pleased to welcome approximately 65 Middle School families and 25 High School families for an evening of connection, information sharing and partnership in support of our students.

Open House provides a valuable opportunity for families to meet teachers, learn about coursework and expectations and strengthen the important home-school connection that helps students succeed. We appreciate everyone who took the time to attend and engage with our staff.

Parents should have received a feedback survey via Parent Square. We encourage you to share your thoughts about this year's Open House experience, including feedback on the event itself and the timing of the date it is held. Your input will help us continue to improve future events and better meet the needs of our school community.

Thank you again for your support and partnership. We look forward to a successful school year together!

Welcome to the Addison CSD

Arica Shock
School Lunch Van Driver

Mrs. Schock enjoys working on the family farm, cooking and gardening. She was looking to get back into the workforce and saw Addison CSD as the right opportunity.

Cheyanne Schlegal
Food Service Helper

Ms. Schlegal has worked in the food industry for years and loves making food for people and providing for kids and customers.

She enjoys spending time with her grandmother and fiancé. She loves to go camping and fishing and enjoys anything outdoors.

Her goal is to eventually become a permanent person in the kitchen.

Casandra Watson
Middle-High School Teacher Aide

Mrs. Watson has worked in a wide range of positions, including management, the Corning Museum of Glass Studio, and child care and education.

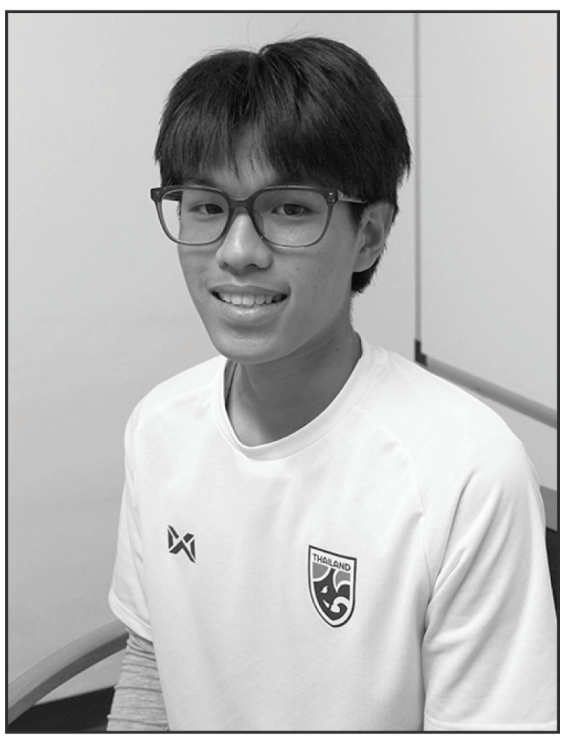

She is a graduate of the Addison Central School District and Mansfield University.

She is a wife and the mother of two boys. Her boys are involved in multiple sports, and she spends much of her time at the local baseball field, where she and her husband proudly serve as volunteers and board members.

"Addison is the district where I grew up and the community where I now raise my family," she said. "I would be honored to serve as a positive role model and supportive adult for the students in our district."

Getting to Know Poom M.

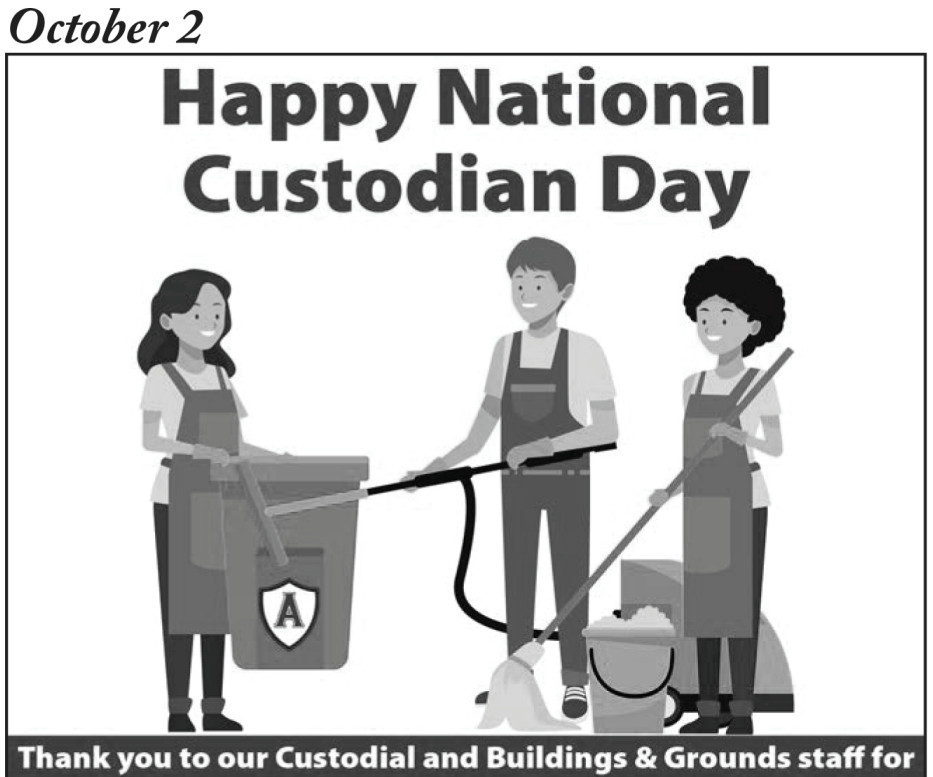

Poom is from Thailand. He is currently living with the Sullivan family, along foreign exchange student Alexandre.

Addison High School is much different than his school in Thailand, he said. His school at home has more than 4,000 students, who sit in one room all day while different teachers rotate through. He likes that the smaller-sized school here allows students to get to know each other more and it's easier to make friends.

Poom's family wanted him to try the exchange student program after his older sister had a positive experience spending a school year in Michigan. He has enjoyed making new friends and meeting new people. He's currently a member of the Addison Varsity soccer team, a sport he also plays at home, and likes that soccer weather is much cooler here than in Thailand.

Although he misses the food from home, Poom is enjoying the new and interesting experience of living in the United States.

October 2

Getting to Know Alexandre C.

Alexandre is from Switzerland. He is currently living with the Sullivan family, along foreign exchange student Poom.

He likes the smaller size of the school here and the schedule being the same every day. According to Alexandre, the schedule changes every day at his home school, with different hours that are often longer than a typical day in Addison. There also are fewer opportunities for extracurriculars and art at home, he said.

Alexandre is a member of the Varsity soccer team. School sports are not offered at home; his only option is club sports, with teams made up of students from different schools and parents transporting athletes. In Addison, he enjoys spending time with other players during the school day and bus rides to and from games. Soccer also allowed him to meet new friends before the school year began. Unfortunately, his season was cut short due to injury, but Alexandre is still attending practices and games to support his teammates.

When he returns to Switzerland, Alexandre will have two years of school left to complete before attending university.

Student Board of Education Representatives Announced

The Addison Central School District is pleased to welcome Karra Keller and Adrianna Neff as our Co-Student Board of Education Representatives for the 2026–2027 school year!

Our Student BOE Representatives serve as an important link between the student body and the Board of Education. They attend public Board meetings, learn about the work of school governance, participate in discussions, and share student perspectives on issues that affect the school community.

Their role is more than simply attending meetings. They are encouraged to listen to their fellow students, gather feedback and ideas, and bring a broad range of student experiences to the Board table. They may also help communicate Board decisions and the reasons behind those decisions back to their classmates.

Through this experience, Karra and Adrianna will have the opportunity to develop leadership, communication, civic engagement and collaboration skills while helping ensure that the student voice remains an important part of conversations about the future of Addison Central School District.

Celebrating 100 Years of Addison High School: A Year of Memories, Learning, and Community

A Centennial Celebration Begins!

A century of learning, memories, traditions and community pride! Addison High School is approaching a remarkable milestone as we celebrate the 100th anniversary of the High School building.

Throughout the 2026–2027 school year, the Addison Central School District will recognize this special occasion with a series of centennial features in our community newsletter. Each edition will highlight a different part of our school's history, celebrating the people, traditions, and experiences that have shaped Addison High School during the past 100 years.

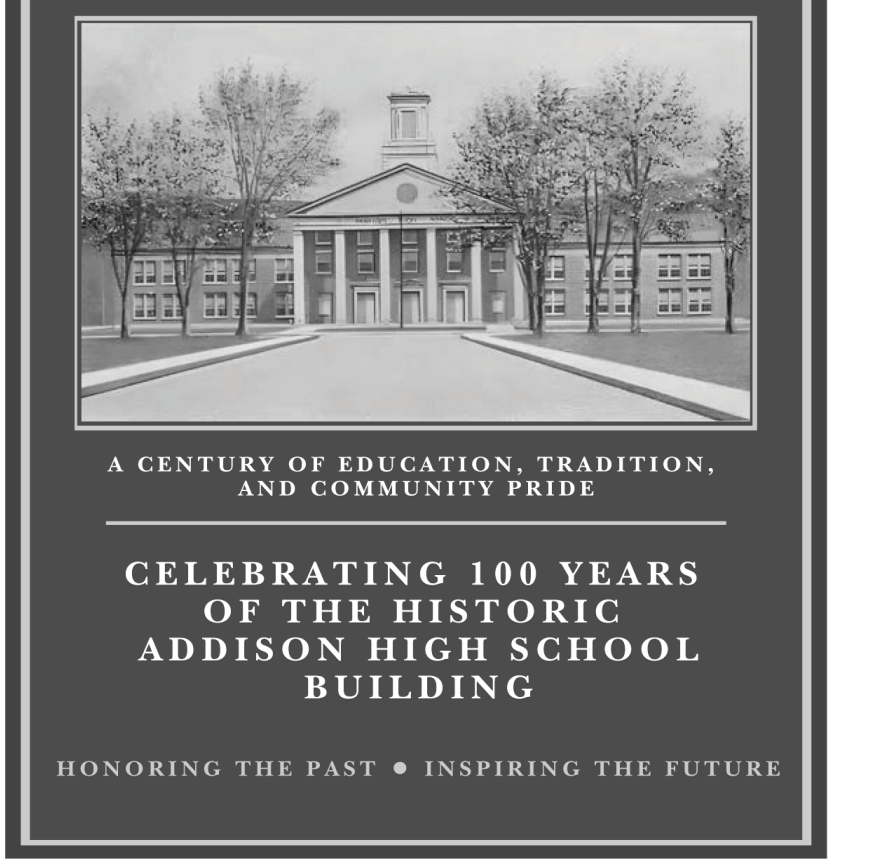

From historic photographs and graduating classes to former principals, dedicated educators, athletic achievements, music programs, school traditions and memorable moments, we will take a look back at the many stories that make Addison High School such an important part of our community.

But this celebration is about more than a building. It is about generations of students who walked its halls, the teachers and staff who inspired them, the families who supported them, and the community that has stood behind Addison Central School District for a century.

As we honor our past, we also celebrate the students, staff, and community members who continue to shape our school's future.

We invite you to join us on this yearlong journey through Addison High School's history. Do you have an old photograph, a favorite memory, a yearbook, or a story about your time at Addison High School? We would love to hear from you!

Watch for our monthly centennial features as we celebrate 100 years of Addison High School – honoring our history, celebrating our community and looking ahead to the future.

The Inspired Word of God

There is so much written in the Bible about all the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, faith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savior, Jesus Christ. God wants His people to be happy in this world and to be a shining example of His great love. True and lasting happiness is not determined by one's possessions or status in life, but by the relationship and love that they have with our Heavenly Father. The Bible tells us that the joy of the Lord is our strength, and to be joyful in hope, patient in affliction, and faithful in prayer.

Thy word is a lamp to my feet and a light to my path. ***R.S.V. Psalm 119:105***

COMMUNITY CHURCH OF TROUPSBURG

LibraryWise: the Greenwood Reading Center

Hi everyone, big news! Most of what we need to update the bathroom and the plumbing has been donated, which means we're about ready to start working on renovations!

More big news coming out; we will be starting our 'drive up library' stand on Tuesday, October 6 from 2:00 pm until 4:00 pm. Pop in to visit, hear the news, check out a book from the table and maybe have a hot drink and a snack! We'll be holding our drive-up library hours on Tuesdays and Thursdays as long as the weather permits.

On October 10, the Greenwood History Museum will be having a Family Fun Day from 10am until 4pm and we'll be there, too! We'll be sponsoring hot beverages inside, and holding our first annual Rock-athon outside, in order to raise money for our renovations. Come and support us as we rock our socks off!

Upcoming events: October 12 at 7:00pm will be our next board of Trustees meeting at the Community of Christ Church This meeting is open to the public. October 22 at noon will be our last Mystery Meal of the year at the Community of Christ Church. Bring a dish to pass and enjoy some time with fellow patrons! This month, Sue McMasters from the Alzheimer's Association will be speaking on how to protect brain health at any age.
