LibraryWise: News and Notes from the Greenwood Reading Center

Hello, friends and neighbors! Now that we’ve had a few frosty mornings, icing up windshields and turning the grass and plants all silvery, it’s time to start buttoning up and getting things ready for the winter! Do you know which plants to prune back, and which ones would deeply appreciate a layer of mulch? We have books for that (and if we don’t, we know where to get them for you.) Don’t let your precious, living investments go to waste.

Changing or cleaning your furnace filters would be a good idea as well. Not only will this reduce your electric bill, it will help your heating system run better. If your winter preparations involve cleaning chimneys and lighting wood fires, please be careful! Make sure you have proper ventilation, ladders are secure, and roofs are safe to walk on. We would never want to see or hear of anyone getting hurt!

Fright the Spider will begin looking for friends, starting this coming Monday when the Storywalk arrives! Be sure to check her out; she’s a very friendly spider. Breaking news! We are the first STLS member to have the book I.R.L available for checkout. Suitable for upper elementary and Junior High readers, this book is available just in time for Halloween. Woot, woot!!

Next Friday is our Haunted Library! Check out our Facebook page and website for times and particulars, but it’s free for everyone and promises to be a hauntingly good time. We’re looking forward to seeing everyone; free books for our trick-or-treaters!

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday and Friday 9:00am to 2:00pm, Wednesday 11:00am to 4:00pm. Homework Helpdesk is on Mondays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! Contact us at (607) 225-4553 or greenwoodreadingcenter@gmail.com. Visit us on the web at: greenwood.stls.org

Robert E. Farrand

Robert E. Farrand, 58, of Woodhull, NY, passed away on Saturday, October 18, 2025, at Strong Memorial Hospital in Rochester where he failed to recover from a recent surgery.

Bob was born in Bethesda Hospital in North Hornell on August 2, 1967 to Greyson T. and Arlene J. (Phillips) Farrand. He attended Jasper Central School from where he was a 1985 graduate. Bob married the former Julie L. Taynton on August 10, 2002, at his parents’ home in Woodhull. Julie survives.

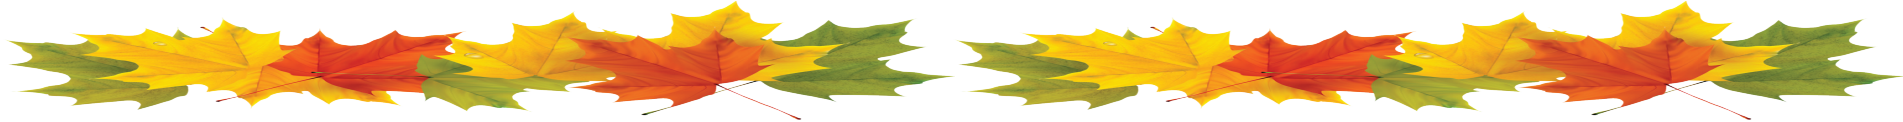

Bob was employed at General Marble in Hornell until a layoff at which time he began working at P & C Grocery in Painted Post. Due to health concerns, Bob eventually had to stop full-time employment. Bob took great pride and enjoyment in his membership of the Woodhull Fire Department with his efforts primarily directed towards fire police activities at emergencies and other events. He was a 30-year member, having joined in December 1990. He also enjoyed time spent with the Town of Woodhull Highway crew where he would volunteer to assist them in any manner possible. He was a lifelong outdoorsman, being an avid hunter, fisherman and trapper.

Surviving Bob is his wife, Julie at home , his children, Kaleb Robert Farrand, Shelby Saunders and Thomas Saunders, his parents, Greyson T. and Arlene Farrand of Woodhull, his siblings and their spouses, Greyson T. Farrand Jr., Joey and Carol Farrand, Michelle and Darren Swift and William and Amy Farrand, his nieces and nephews, Zach and Becky Farrand, Greyson T. Farrand III, Kourtney Farrand, Whitney (Austin) Strosser, Johanna Johnson, Seth (Ayren) Farrand, Josiah Farrand, Ashley (Matthew) Hammel, Matthew (Amy Swift, Alexis (Darren) Evens and Alissa (Brad) Farrand, Nicholas Poeller, his special friend, Jake Byler and many aunts, uncles, great nieces and nephews and cousins.

Friends called on Tuesday, October 21 from 6 to 9 pm at the H.P. Smith & Son Funeral Home, 1607 Main St. Woodhull, NY. Funeral services were held there on Wednesday at 11 am with Bob’s brother Joey Farrand officiating.

Donations to help with funeral expenses are suggested and deeply appreciated.

A Sin is a Sin

Submitted by Sharon Calkins

(10/24/25) I was reading in one of my daily emails today and this was the topic.

You mean to tell me,” the sister said with an incredulous sneer, “that some axe murderer who repented and accepted Jesus would go to Heaven and I, who have led a good life with out any religion, would not?” The author agreed that that was indeed the case. We may not realize it but a sin is a sin, no matter what level. No matter if we lie, steal, murder or whatever, they are all sins. We need to get ourselves right with God before it’s too late. The foot at the cross is level. We are all equal and all accountable for our actions.

Addison's First Blood Drive of the 2025-2026 School Year

The Addison high school held a blood drive with American Red Cross on October 2, 2025. Students had to make an appointment by scanning a barcode on posters around the school either in the mornings or after school. Students 16 or older were eligible to donate with a permission slip signed by a parent or guardian; teachers donated as well. Students went to the auditorium during their scheduled time and were required to answer questions about their health and had their blood pressure and heartrate taken.

Many students were nervous as this was their first time donating blood, and the Red Cross workers were very kind and patient. After students and staff had their blood drawn, they sat at a table for fifteen minutes with other donors to enjoy snacks and drinks provided. The process was painless and quick; many people said they were happy they donated and will do it again next time the opportunity is given. The event was very successful; we had a record donation of 24 units. Each unit saves three lives; therefore, in total, the Addison staff and students saved 72 lives. This was the best turnout that Addison has had. Addison High School will hold three more blood drives throughout the school year: Jan 29th, March 26th and May 28th.

Demonstration Speeches in ACE Public Speaking

Students in Mrs. Ferratella's ACE Public Speaking class presented demonstration speeches. Students were instructed to write a speech about a process and/or how-to action. Some students actually presented the process in class and the class benefited by being able to try the product. Some of the topics were: making edible cookie dough, matcha, how to tie a tie, make cookies, watch football, get autographs, yoga, thread a fishing hook, make paper airplanes, crochet, golf. This was one of the five formal speeches that the students give this semester for this college-credit bearing class.

Mr. Palko's Science Students

Mr. Palko's students have been learning about the weather. They have been keeping a daily log of weather data for their period. They also learned about the weather tools that meteorologists use to collect this data. One of those tools is weather balloons. In class, students made some hot air balloons out of tissue paper to investigate how hot air balloons work and how they are used to collect weather data. This is also a good demonstration of one of the main properties of air, density.

Middle School Field Trip

On October 8, 2025, 7th Grade students went to the Northrup Hill School House and Wildlife Sanctuary.

Welcome to Addison, Mr. Klawitter

Mr. Klawitter is the new high school counselor. He has been a counselor and teacher for 20 years. Mr. Klawitter and his family moved to Addison from the south to be closer to family. Mrs. Klawitter is a 2nd grade teacher at Tuscarora. Mr. Klawitter became a teacher in hopes to help students achieve their goals. The most important part of his job is being available to students and teachers and providing the best advice, even when the advice is not something the student wants to hear.

Mr. Klawitter says he likes how small Addison is because it is similar to where he is from and that gives him a chance to get to know the students and their families better. Some of Mr. Klawitter's goals are to help fulfill students' dreams, not only with their careers but also with personal goals. During his free time, he enjoys playing with his kids and spending time with his family. Something that he would like the Addison community to know is that he wants all students to be successful, no matter what their goals and dreams are.

By Peyton Hager

Welcome to Addison, Mrs. Newell

Addison High School is excited to welcome Mrs. Newell as the new 10th grade English teacher. A proud member of the Addison community, Mrs. Newell shares that teaching English at Addison "feels like home" and she's excited to contribute to the district both as an educator and a neighbor.

Driven by a love for reading, Mrs. Newell earned her bachelor's degree in literature from SUNY Empire State University and holds a master's degree in secondary education from Grand Canyon University. Her passion for writing and literature shines through in her teaching, and she enjoys building meaningful connections with students through reading and writing.

Mrs. Newell's journey into education was inspired by one of her secondary English teachers, and she hopes to pass that inspiration on to her students by encouraging them to pursue their dreams and find what brings them happiness and purpose. Her goal is to help students grow into the best versions of themselves through the power of writing and literature.

Outside the classroom, Mrs. Newell enjoys spending time with her family and traveling. In her spare time, she practices the art of flameworking where she creates beautiful glass jewelry and finds joy in the creative process.

Addison Central School District is happy to introduce Mrs. Newell to the community and hopes she has a great school year ahead!

Mrs. DuBois' Art Classes

Mrs. DuBois' Creative Crafts students began the year by exploring both simulated and actual texture. They were shown painting techniques, such as the dry brush technique for creating a rough simulated texture and applying pigment heavily for a rough actual texture. For their project, they drew lines with Elmer's glue on poster board. Once dry, they covered it with heavy-duty foil and rubbed their fingers over it to reveal

the glue's texture. They then used a scratchboard tool to create various patterns, which represented actual texture.

Finally, they adhered the foil to a black construction paper background and continued the designs with metallic markers, adding simulated texture.

Drawing & Painting students explored the concept of contour lines, which outline the outermost edges of forms and illustrate the dramatic shifts in planes within those forms. They discovered that a contour drawing is created when the artist focuses intently on the subject while allowing the pencil to flow freely. The objective of contour drawing is to produce a line that authentically represents what is observed, training the hand to mimic the eye's movements. Additionally, students practiced various types of contour line drawings, including Bline Contour, Continuous Line Contour, Modified Contour, and Cross-Contour. For their project, they created a Modified Contour drawing of hands in diverse positions

Letter "B" Week at the Valley

Valley students learned about the letter B. They made a letter B craft of a bumble bee and had to find the letter B. They did many letter B activities. Students read fall stories and continue to work on colors, shapes, and numbers. At Knights Know It, they talked about how important it is to always stay with grown-ups so that they stay safe! They also talked about how Deputy McCoy and K9 Tripp are heroes.

Some classrooms did a science experiment where they put vinegar in a water bottle, then put baking soda in a balloon. After that, they put the balloon on the bottle so the baking soda mixed in with the vinegar. They talked about how this causes a reaction. The reaction caused the balloons to inflate! They also talked about how bottle, balloon and baking soda all start with letter B. Miss Gunn brought in some baby bunnies to share with everyone. Mrs. Wright took a hayride in Mrs. Henry and Mrs. Gill's classroom.

The Inspired Word of God

There is so much written in the Bible about all the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, faith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savior, Jesus Christ. God wants His people to be happy in this world and to be a shining example of His great love. True and lasting happiness is not determined by one’s possessions or status in life, but by the relationship and love that they have with our Heavenly Father. The Bible tells us that the joy of the Lord is our strength, and to be joyful in hope, patient in affliction, and faithful in prayer.

Thy word is a lamp to my feet and a light to my path. R.S.V. Psalm 119:105
