History & Pre-history of the Atlatl: Middletown Historical Society Presentation of October 14, 2026 at 7 p.m.

Did you know most stone arrowheads found in North America aren't arrowheads at all?

For thousands of years before the bow and arrow, ancient peoples around the world used the atlatl--a short stick with a handle at one end and a hook at the other--to throw light, flexible spears faster, farther, and more accurately than they could by hand for hunting, sport, and combat.

Gradually, as the bow and arrow were invented, most cultures abandoned the atlatl in favor of archery, while in some cases atlatl use persisted until the present day.

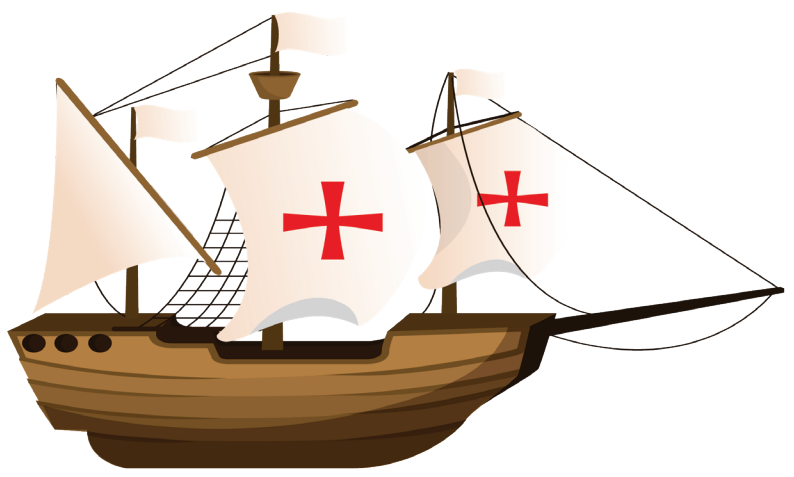

Join the Middletown Historical Society on Wednesday October 14, starting a 7 p.m., at the MHS Museum at 41 Main Street, Addison to learn more about the fascinating history and mechanics of the atlatl:

*How atlatls were made and used
*How fast this tool could throw a spear, and
*Perhaps why some cultures kept using atlatls for thousands of years after others had left them behind.

Come hear Dr. Ryan Grohsmeyer, worldwide top ten atlatl accuracy competitor and former president of the World Atlatl Association, present detailed photographs and fully functional reproductions of paleolithic artifacts and results of some experimental archeology to tell some of the story of this deceptively complex ancient tool.

Flora O'Konsky

Flora Belle O'Konsky (Kemp), of Addison, New York, passed away peacefully on October 3, 2026, surrounded by the love of her family.

Born on November 30, 1956, in Hornell, New York, Flora was the daughter of the late Claude and June Kemp. She was also preceded in death by her sister, Dawn Kemp, and her infant sisters, Melody and Sondra Kemp.

Flora graduated from West High School in 1975 and earned her Licensed Practical Nurse credential through BOCES in 1976.

She dedicated 20 years to caring for others as an LPN at Corning Hospital, bringing comfort to patients and their families through her compassion and gentle spirit. Caring for others was never simply her profession—it was who she was.

On August 2, 1975, Flora married the love of her life, James Earl O'Konsky Sr. During their 51 years together, they built a life rooted in laughter, family, and unwavering devotion to one another.

She is survived by her devoted husband, James Earl O'Konsky Sr.; her daughter, June Crandall and husband James Crandall, and grandson Bryson Crandall; her son, Jimmy O'Konsky and partner Marissa Curran, and grandsons Kolton O'Konsky and Kyle Curran; her daughter, Jessica Hill and husband Stanley Hill and grandchildren Drew Crane, Jillian Crane, and Evan Hill; her sisters, Dorothy Hakes and Marlene Buckley; and many beloved nieces, nephews, great-nieces, great-nephews, cousins, and dear friends.

Flora's greatest joy was being a wife, mother, and grandmother. She had a remarkable gift for making childhood magical. Whether joining in family spit-wad wars, offering thoughtful advice, or making sure her children felt loved and accepted, she created a home filled with laughter and a sense of belonging.

As her family grew, she poured that same love into her grandchildren. Shopping trips, lunches together, and ordinary afternoons became special because of the attention she gave them. She celebrated holidays with excitement, made birthdays unforgettable, and created traditions her family will carry forward.

Flora understood that life's greatest treasures were the memories shared with the people she loved.

Family gatherings often centered around Flora's kitchen, where her fried chicken, tuna noodle casserole, bean soup, and homemade glumpkies became beloved favorites. No one left her table without feeling cared for.

An animal lover throughout her life, Flora welcomed many companion animals into her home and heart. Her kindness extended to every creature fortunate enough to receive her care.

Known for her wisdom and quiet strength, Flora was the steady voice her family turned to during difficult moments. She would gently remind those she loved of the Serenity Prayer:

"God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference."

These words reflected her faith and the grace and resilience with which she faced life's challenges.

Flora leaves a legacy of unconditional love, treasured traditions, and a family who will miss her beyond measure. Her presence will be felt in every holiday celebration, shared meal, and act of kindness inspired by her example.

In keeping with Flora's wishes, a graveside service will be held at 2:00 p.m. on Wednesday, October 7, 2026, at the Addison Rural Cemetery. In lieu of flowers, memorial contributions may be made to your local SPCA.

The family extends heartfelt gratitude to the friends, neighbors, and caregivers who offered comfort, prayers, and support. Special thanks to CareFirst for their compassionate care and to the family's dear friend, Wanda, for her kindness and unwavering support. Your care will never be forgotten. Flora will be forever loved, deeply missed, and always remembered.

(10/8/26) God was with Daniel in the lion's den, Moses as he led his people out of Egypt, Joseph when his jealous brothers sold him plus many more. Just as God was with them, He is with us through all of our trials and troubles. If you are having physical, medical, financial or other problems, go to God in prayer. He will hear you and answer you, not in your way or time but His. We must to learn to listen to and trust Him, no matter what.

Larry McCaffrey, Town Historian

Dear Editor,

Trump's intentions are to replace our Democratic Republic with a Putin styled Oligarchy for the purpose of amassing wealth for the benefit of Trump, his family and obedient associates.

History has informed us that democracy is often abandoned to a would be dictator by the people before an understanding that it means ending their freedoms. To accomplish authoritarian control the aspiring dictator begins to build a loyal paramilitary like we are witnessing in the transformation of ICE whose repurposed function is to intimidate the citizenry at large.

Environmental health is essential to any well functioning society and must be led by active and informed citizens to counter the excesses of industry and business. In Putin's Russia version of Mafia governance, any environmental efforts of citizens that might impede Oligarchs enriching themselves is resolved by passing a money envelope to the Dictator who then orders the paramilitary policing of activists to cease their actions or face jail or worse. It is that simple -

So if you are still in the Trump Camp and think Pedophilia is OK, Squandering our nations' wealth on monuments to Trump is a great idea, Waging unwinnable forever wars are showing our strength while accepting the transformation of ICE into a Trump loyal paramilitary, then you need to vote for Trump-loyal sycophantic politicians. While Democracy is by nature messy and often unsatisfactory, fish and nations rot from the head down. In upcoming elections, take away Trump's power before he takes away your power while we still have the opportunity to choose.

The Inspired Word of God

There is so much written in the Bible about all the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, faith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savior, Jesus Christ. God wants His people to be happy in this world and to be a shining example of His great love. True and lasting happiness is not determined by one's possessions or status in life, but by the relationship and love that they have with our Heavenly Father. The Bible tells us that the joy of the Lord is our strength, and to be joyful in hope, patient in affliction, and faithful in prayer.

Thy word is a lamp to my feet and a light to my path. ***R.S.V. Psalm 119:105***
