LibraryWise: News and Notes from the Greenwood Reading Center

Can you believe that tomorrow is May Day? May Day marks the halfway point between the first day of spring and the first day of summer. In many countries, it's used as a celebration of workers, much like our Labor Day. So, whether you're looking forward to the balmy days of summer or just trying to make it to the end of a long workweek, happy May Day! While we can't guarantee a basket of flowers hung on your doorknob, the spring flowers are finally showing their colors. At least, they are judging by the number of dandelions blooming in the lawn!

While May Day is a day celebrating transitions, we are celebrating some transitions here at the Greenwood Reading Center, that may not be apparent. We are now fully tax exempt, per the IRS and the State of NY, and are in the process of transitioning our financial operations. We're closer than ever to the 'summer' of new books and other things!

Speaking of purchasing, we at the Greenwood Reading Center are grateful and pleased to announce that we are the recipient of a grant from the Foundation for Southern Tier Libraries, which will enable us to purchase a far better coffee maker for the GRC Coffee Bar! The new machine will replace both the antique percolator we use to heat water for our tea lovers, and the antiquated coffee pot that serves our coffee drinkers. It will also fill a hole in our coffee bar, in that it will also allow us to serve decaffeinated coffee at the same time. We will certainly update everyone when this wonder of wonders arrives!

May Events: 'Are You My Neighbor?' Rotating Collection arrives with our first Storywalk of the year on May 2nd, our monthly Board of Trustees meeting is on May 14th at 2:00pm, in the Community of Christ Fellowship Hall. This is an open meeting, so all are welcome. Everyone is also welcome to join us there on May 28th at noon for our May Mystery Meal. The theme is 'Shady.'

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday 1:00-6:00, Wednesday 11:00am to 4:00pm, and Friday 9:00am to 2:00pm. Homework Helpdesk available on Mondays and Tuesdays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! Contact us at (607) 225-4553 or greenwoodreadingcenter@gmail.com. Visit us on the web at: greenwood.stls.org

Alton R. "Al" Smith

Alton R. "Al" Smith, age 82, passed away peacefully on April 11, 2026, at Highland Hospital in Rochester, New York. Born on July 27, 1943, in Rathbone, New York, he was the son of the late Leland W. and Clara M. (Dickerson) Smith.

Al was a graduate of Addison High School, Class of 1961. Following graduation, he worked at the Baron Steuben Hotel before choosing to serve his country in the United States Air Force from 1966 to 1970. During his military service, Al worked as a mechanic on F-4 fighter planes, specializing in radar tracking units for weapons systems—work he carried out with great skill and dedication. His love for his country remained with him throughout his life.

After his honorable discharge, Al began a long and dedicated career with Corning Glass Works, where he served as a telecommunications supervisor. He retired in 1993 after 30 years of service.

Raised on a farm, Al developed a lifelong appreciation for hard work, eventually owning and operating the very homestead where he was raised. He took great pride in maintaining the property, especially enjoying cutting wood and caring for the land. He later operated Hilltop Produce, a roadside stand where he shared the fruits of his labor with the community.

Known affectionately as a "jack-of-all-trades," Al was always willing to lend a helping hand and became the trusted "Mr. Fix-It" for many local farmers and neighbors.

Al had a deep love for the outdoors and especially enjoyed hunting. He was also well known for hosting his annual Fourth of July celebrations for over 25 years—events that brought family and friends together and created lasting memories.

Above all, Al cherished his family. He is survived by his loving wife of 40 years, Nancy L. Smith of Addison; his children: Kris (Becky) Smith of Addison, Deanna (Brandon Smith) Horton of Addison, and Terry (Tonya) Horton of Floyd; his grandchildren: Sarra (Timmy) Martin, Anthony Stewart, Keri and Keli Smith, and Haden and Halle Horton; and his great-grandchildren: Briar Stewart and Waylon Martin. He is also survived by his siblings: Lorena Peters of Corning, Donna Smith of Painted Post, and Clinton (Nancy) Smith of Addison, along with several nieces and nephews.

In addition to his parents, Al was predeceased by his sisters, Vonda Smith and Edith Davis; brothers, Eldon and Wilbur Smith.

A Celebration of Life will be held on Sunday, May 3, 2026, from 1:00 p.m. - 5:00 p.m. at the Addison American Legion Post 730, 85 Maple Street, Addison, NY 14801. Burial will take place at a later date at Eaton Cemetery, County Rte. 5, Addison. Flint Funeral Home, 10 Wall Street, Addison, has been entrusted with Al's care.

In lieu of flowers, donations in Al's memory may be made to a charity of your choice.

Kyle Neal Stevens

Kyle Neal Stevens, 73, passed away suddenly, Saturday, April 18, 2026, at his home. He was born on January 18, 1953, in Saratoga Springs, NY to his parents Bernard and Jane (Johnson) Stevens. In addition to his parents, he was predeceased by his sister, Bernadette Mitchell.

Kyle married the love of his life, Janice Arvidson Stevens, on February 13, 1982, in Canisteo, NY. Janice predeceased Kyle on February 7, 2026. A 1972 graduate of Corinth Central School, Kyle earned associates degrees from SUNY Cobleskill and SUNY Cortland, and he proudly served in the US Navy.

To know Kyle was to know he adored and was proud of his wife and daughter. He built Homecoming floats, chaperoned countless dances and trips, and attended immeasurable Academic All Star matches. Growing up in the Adirondacks, Kyle preferred being outside, hunting, fishing, doing yardwork, and any other reason he could find to be in the fresh air.

He spent his retirement telling stories, wearing flannels, watching westerns, and taking care of Janice. As a colon cancer survivor, Kyle looked after anyone battling the disease, always willing to lend an ear or words of encouragement. For several years, he played Santa at the Addison Public Library, and he found so much joy in children's faces at Christmastime. He will be remembered for his selflessness, his devotion, his sense of humor, and his calm nature.

Family and friends were invited to call at Flint Funeral Home, 10 Wall Street, Addison, NY, on Friday, April 24, 2026, from 10 am - 11 am. A memorial service was held immediately following, with Rev. Richard Hurd officiating.

In lieu of flowers, donations may be made in Kyle's honor to the SPCA Serving Allegany County at spcaallegany.org, where he and Yo-Yo found each other.

Petitions must be directed to the Clerk of the District, must be signed by at least twenty-five (25) qualified voters of the district, and must state the name and residence of the candidate.

NOTICE IS ALSO GIVEN that Section 495 of the Real Property Tax Law requires the District to attach to its proposed budget an exemption report. Said exemption report, which will also become part of the final budget, will show how the total assessed value of the final assessment roll used in the budgetary process is exempt from taxation, list every type of exemption granted by statutory authority, and show the cumulative impact of each type of exemption, the cumulative amount expected to be received as payment in lieu of taxes (PILOT) and the cumulative impact of all exemptions granted. In addition, said exemption report shall be posted on any District bulletin board maintained by the District for Public Notices, as well as on the District's website.

NOTICE IS ALSO GIVEN that applications for early mail and absentee ballots are available to be picked up at the District Office, 7 Cleveland Drive, Suite 101, Addison, NY 14801, Monday through Friday between the hours of 8:00 a.m. to 3:00 p.m. If there are questions, please call the District Office at 607-359-2244.

The application must be received by the Clerk no earlier than April 20, 2026 and at least seven (7) business days before the election if the ballot is to be mailed to the voter (May 8, 2026), or the day before the election (May 18, 2026) if the ballot is to be picked up personally. Sealed ballot envelopes will be received up to 5:00 p.m. on Election Day (May 19, 2026) at the District Office. A list of all persons to whom early mail and absentee ballots shall have been issued will be available in said office of the Clerk on each of the five (5) days prior to the day of the election except Sunday (Saturday will be by appointment only). Any qualified voter present in the polling place may object to the voting of the ballot upon appropriate grounds for making his/her challenge and the reasons therefore known to the Inspectors of Election before the close of the polls. A challenge to an early voting ballot may not be made on the basis that the voter should have applied for an absentee ballot. The Education Law makes special provisions for absentee voting by permanently disabled voters of the District and any questions regarding these rights should be directed to the District Clerk.

The Education Law also makes special provisions for absentee voting for military voters of the District. Specifically, the law provides a unique procedure for military ballots in school district votes. A military voter may elect to receive his/her absentee ballot application and absentee ballot by mail, email or facsimile. The military voter must, however, return his/her original military ballot application and military ballot by mail or in person. The District Clerk shall transmit the military voter's military ballot in accord with the military voter's preferred method of transmission. Military ballot applications must be received by April 23, 2026, as military ballots must be transmitted by the District by April 24, 2026. The District Clerk must then receive the military voter's military ballot by mail or in person not later than 5:00 p.m. on the day of the vote.

Hillside Garden Fertilizers 3084 Five Corners Rd. Jasper, NY 14855

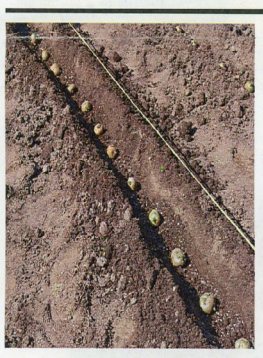

4 Steps To Take In The Spring / Summer For Success In Producing Your Own "Food As Medicine."

Step #1 "Dry Fertilizer Preplant"

Apply 25 lbs per 1000 sq.ft. of **Garden Blend** just before planting and incorporate if possible. This is a great way to make sure you have the energy in the soil you need to produce **Higher Brix** fruits and vegetables with **less insect and disease** pressure. 5 lbs **Epsom Salt** per 1000 sq.ft. can also be applied for gardens that have imbalanced soils due to manure or mushroom mulch.

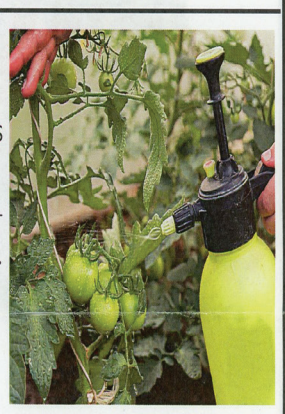

Garden Blend, the key to producing your own "Food As Medicine."

Step #2 "Seed Maggots"

If you struggle a lot with **seed maggots**, or your plants don't seem to have a lot of **early season vigor**, apply a little **kelp meal** in furrow at planting. This can act as a natural **insecticide** plus gives you a lot of the **natural sea minerals** and **amino acids** that are very beneficial in producing **Higher Brix fruits and vegetables**. Also works well for wire worm control in potatoes.

Step #3 "Foliar Spraying"

So after you apply your **Garden Blend** in the spring, **Foliar Spraying** is a great way to ensure your **Sugar Brix** levels stay high in the plant. Especially in cloudy wet weather. This is always when insects and disease pressure is worse. Buy a **good sprayer** and spray every 5-7 days. A very simple program is the following rates per gal of water. **2 oz. Sea-90, 2 oz. Epsom Salt, ¼ oz. Dutch Soil Concentrate.** More detailed foliar programs in our **Garden Guideline Sheet**.

Step #4 "Insects & Diseases"

Hopefully if you followed our **dry fertilizer** recommendations and you are doing some foliar spraying, you won't have disease and insect pressure. But, always keep in mind. If we get a couple days of **cloudy wet weather**, that's when **disease and insect pressure** is always worse. Foliar spray 3-4 oz. **Bug Beater Juice** per gal of water can help to **control insects**. This is a mixture of nutrition and organic insecticides.

WEB Addison Solar, LLC
Steuben County, New York

3-DAY NOTICE OF INTENT TO FILE AN APPLICATION

WEB Addison Solar, LLC, a New York limited liability company (the "Applicant"), is proposing to construct a major electric generating facility up to 105 megawatts ("MW") in the Towns of Addison, Campbell, and Erwin, Steuben County, New York (the "Facility" or "Project") under Article VIII of the New York State Public Service Law ("Article VIII"). This notice announces that on or about May 6, 2026, the Applicant will file an Application with the Office of Renewable Energy Siting and Electric Transmission ("ORES" or the "Office") pursuant to Article VIII and its implementing regulations (the "Article VIII Process") under ORES DMM Matter No. 23-03015 seeking a Siting Permit from the Office authorizing the construction and operation of the Facility. The Article VIII Process has been implemented by rules enacted by ORES and establishes a review process with uniform standards and conditions for all renewable energy projects. The uniform standards and conditions are available at Chapter XI, Title 16 of NYCRR Part 1100 and https://dps.ny.gov/ores-regulatory-documents. The Applicant previously filed its 60-day Notice of Intent to File an Application on January 21, 2026 pursuant to 16 NYCRR § 1100-1.3(f). This notice is provided in accordance with 16 NYCRR § 1100-1.6(c).

The proposed Facility with necessary infrastructure, including transmission lines, will be sited on approximately 1,082 acres of land. The Project will include the installation and operation of solar panels, together with the associated inverters and other electrical equipment and systems, substation, access roads, and other ancillary facilities. The Applicant will also construct a new point of interconnect ("POI") switchyard and 115-kV high-voltage loop-in and loop-out transmission lines ("NYSEG Facilities") adjacent to its collector substation. Upon completion, the ownership of these NYSEG Facilities will be transferred over to NYSEG.

Under the 2019 Climate Leadership and Community Protection Act, New York State has committed to generating all electricity from zero-emission sources by 2040. The proposed Facility will help New York achieve that mandate. Other positive impacts of the Project will include significant tax revenues and additional financial support to the Towns, County, and local School Districts; benefits to the local economy through job creation and contract opportunities; and partnerships with local landowners. Consistent with the Article VIII process and ORES siting standards, the Applicant is committed to minimizing potential environmental impacts through careful project design, stakeholder consultation, and compliance with applicable environmental requirements. The Applicant will submit an Application that includes extensive studies evaluating the potential impacts associated with the Facility and identified methods which have been agreed to be implemented to avoid, minimize, and mitigate potential impacts. The Project will include a Site Restoration and Decommissioning Plan that returns the land to agricultural use once the Project reaches the end of its useful life.

Upon filing the Application, pursuant to 16 NYCRR § 1100-1.4 and § 1100-5, the Applicant will provide funding in the amount of $1,000 for each MW of capacity, which for this Project totals $105,000, to be deposited into a local agency account to be made available to local agencies and potential community intervenors for the purpose of contributing to a complete record leading to an informed permit decision as to the appropriateness of the site and the facility, and particularly for local agencies, shall include the use of funds to determine whether a proposed facility is designed to be sited, constructed, and operated in compliance with applicable local laws and regulations.

Any local agency or potential community intervenor shall submit a request for initial funding **within thirty (30) days after the date of filing of the Facility's Application.** Under the regulations, 75% of the local agency account funds shall be reserved for local agencies. Your Senses Will Tell You That God Made The Spring

You can see the green grass that will cover the ground and the new leaves adorning the trees all around.
Plus the streams that now run from the melting snow and the wildflowers that are beginning to grow.
Hear the singing of the birds as they soar through the air and the buzzing of insects that fly everywhere.
You can feel balmy breezes caressing your face and the warmth of the sun from its heavenly place.
You will learn from your faith what your senses portray, that the Lord has presented this charming array of his symbols of love which we all understand, when the beauty of springtime enlivens the land. Gloria Nowak
And 'tis my faith, that every flower, enjoys the air it breathes. William Wordsworth.
For lo, the winter is past...the flowers appear on the earth. Song of Solomon 2:11,12.
