Child of the King
 Submitted by Sharon Calkins

(5/7/26) It is rainy outside. It's damp and gloomy, but don't let that define who and Whose you are. You are a child of the King. Put up your umbrella of faith and concentrate on how special you are. God made you and He doesn't make any junk or mistakes.

He is a loving God and is always with you in all kinds of weather. No matter if it is hot/cold, dry/rainy, sunny/cloudy. Think of what you can do and who you can be with Jesus living inside you. He is your best Cheer Leader, Supporter and Helper. Others may let you down but He won't. His love for you is everlasting. Psalm 23 says, "Yea, though I walk through the valley of the shadow of death, Thou art with me." We all have valleys. Valleys of depression, illness, separation and others. He will never forsake you and will walk with you through the valleys. Pray without ceasing, let Him know you love Him. Above all thank Him for everything and sing praises to His holy Name.

Charles G. “Chuck” Allen

Charles G. “Chuck” Allen, 75, of Addison, New York, passed away at home on April 26, 2026, after a short battle with cancer. Born on October 5, 1950, to Gilbert Allen and Lucille Phillips, Chuck was a lifelong Southern Tier resident who built his life on hard work, determination, and doing things his own way. He was a son, brother, husband, father, grandfather, nephew, and friend—known to many as a tough, no-nonsense man who could be difficult at times, but who also showed a surprising generosity to others.

Chuck grew up in Corning, New York, and graduated from West High School in 1970. During his school years, he worked at Kennedy Valve Corporation in Elmira, helping manufacture fire hydrants and parts, and later at Jones Pontiac in Corning in the body shop. After graduation, he continued his work at Jones Pontiac before moving on to a variety of roles, including truck driving for Chemung Contractors. He also spent time at the Painted Post Car-Mart and worked for Tom’s South Corning Collision.

In 1977, Chuck took a major step forward by establishing Allen’s Auto Body Shop in Painted Post. Just a few years later, in 1980, he purchased a gas station in Addison, renaming it Allen’s Auto—a business he proudly owned and operated for decades until his passing. Through his work, Chuck became a familiar face in the community, known for his skill, his work ethic, and his straightforward personality.

Chuck is survived by his wife, Connie Johnson Allen, whom he married on August 21, 1971; his daughter, Cindy Allen, and grandson, Nicholas Allen, of Corning, New York; his brothers, Bob Montgomery of Texas; Tom (Leslie) Allen of Florida; Bob (Becky) Allen, Jim (Cheri) Allen, and Steve (Barbara) Allen, all of Indiana. He also leaves behind many aunts, uncles, nieces, nephews cousins, extended family including Jeremy and Karen Clarkson of Corning, New York, and many special friends. He will also be missed by his beloved cat, Charlie.

He was preceded in death by his parents and his brother, Joe Allen of Florida.

A celebration of Chuck’s life will be held on Sunday, May 17, 2026, at 1:00 PM at Fran’s Landing, 996 Addison Rd, Painted Post, NY.

In honor of Chuck, donations may be made to St. Jude Children’s Research Hospital, Shriners Children’s Hospital, Pancreatic Cancer Alliance, Pawz and Purz Animal Rescue, or the Chemung County Humane Society and SPCA.

Chuck lived life on his own terms—steadfast, stubborn, and committed to his work. While he could be rough around the edges, his presence left a lasting impression on those who knew him well, and his legacy will carry on through the business he built and the community he served.

Samantha L. Wedd

Samantha L. Wedd, 45, passed away on April 28, 2026, at Upstate Medical Center in Syracuse, NY. Sam was born on September 13, 1980, in Elmira, NY, to Michelle Tyo. She was raised by Michelle and her adopted father, Arthur VanSickle. She was a 1999 graduate of Corning West High School. On June 4, 2005, she married the love of her life, Scott Wedd.

Sam had a deep love for the outdoors and enjoyed exploring new places. She was an avid animal lover with a special place in her heart for rescue animals. Camping brought her great joy, especially when shared with family. Known for her nurturing spirit, Samantha cared deeply for children in her community and was affectionately known as the “town mom.” She was outgoing, kind, and had a remarkable ability to remain positive, always carrying a smile even when faced with life’s challenges. Deborah Ann Hassler

Deborah Ann Hassler, 65, of Cameron Mills, New York, passed away peacefully at home on May 1, 2026, surrounded by her four children, with her husband holding both of her hands.

Born on December 30, 1960, in Shipley, Bradford, Yorkshire, England, Deborah came to the United States at the age of six aboard the Queen Mary, beginning a life defined by courage, resilience, and adventure. She was the youngest of four children, a joyful and unexpected surprise to her parents a decade after their last child.

At just 15 years old, Deborah met the love of her life, Charles Hassler. Drawn to his rebellious spirit and big heart, she fell for him immediately. They were married on August 22, 1981, and went on to share nearly 45 years of marriage and more than 50 years side by side, living a life full of adventure and misadventure in equal measure. Together, they built a bond that was unbreakable and were often described by those who knew them as something like Bonnie and Clyde, and yes, there may have been a story or two to support that.

Deborah was a devoted wife, mother, and grandmother who loved her family fiercely. She raised her four children to be strong, independent, and resilient, instilling in them the same grit and determination that defined her own life. She was known for her fierce strength, her quiet grace, and her sharp sense of humor, which never left her, even in the hardest moments.

She fought a long and courageous battle with breast cancer, first diagnosed in 2021 and returning in 2026. Through it all, she remained deeply private, incredibly strong, and grounded in love for her family.

Deborah is survived by her beloved husband, Charles Hassler; her children, Chad Hassler and his wife Lauren, Sarah Hassler and her partner Craig, Jacob Hassler and his wife Nicole, and Rachel Nudd and her husband Jon; and her cherished grandchildren, Landon, Chase, Anthony, and Noelle, who brought her immense pride and joy. She is also survived by her siblings, Valerie Bernheiser, Pauline Bernheiser, and Barry Grieve.

Per her wishes, Deborah was cremated. There will be no formal service. Her family plans to scatter her ashes one day alongside her husband’s beneath the sycamore tree they planted together on their property, a place that reflects the life they built side by side.

In lieu of flowers, the family asks that donations be made in Deborah’s memory to: Ronald McDonald House Charities of Rochester, 333 Westmoreland Dr., Rochester, NY 14620 (585) 442-5437 www.rmhcrochester.org

They lived boldly, loved fiercely, and never once chose the easy road.

The Education Law makes special provisions for absentee voting by permanently disabled voters of the District and any questions regarding these rights should be directed to the District Clerk. The Education Law also makes special provisions for absentee voting for military voters of the District. Specifically, the law provides a unique procedure for military ballots in school district votes. A military voter may elect to receive his/her absentee ballot application and absentee ballot by mail, email or facsimile. The military voter must, however, return his/her original military ballot application and military ballot by mail or in person. The District Clerk shall transmit the military voter's military ballot in accord with the military voter's preferred method of transmission. Military ballot applications must be received by April 23, 2026, as military ballots must be transmitted by the District by April 24, 2026. The District Clerk must then receive the military voter's military ballot by mail or in person not later than 5:00 p.m. on the day of the vote.

Hillside Garden Fertilizers 3084 Five Corners Rd. Jasper, NY 14855

4 Steps To Take In The Spring / Summer For Success In Producing Your Own "Food As Medicine."

Step #1 "Dry Fertilizer Preplant"

Apply 25 lbs per 1000 sq.ft. of Garden Blend just before planting and incorporate if possible. This is a great way to make sure you have the energy in the soil you need to produce **Higher Brix** fruits and vegetables with **less insect and disease** pressure. 5 lbs Epsom Salt per 1000 sq.ft. can also be applied for gardens that have imbalanced soils due to manure or mushroom mulch.

Garden Blend, the key to producing your own "Food As Medicine."

Step #2 "Seed Maggots"

If you struggle a lot with **seed maggots**, or your plants don't seem to have a lot of **early season vigor**, apply a little **kelp meal** in furrow at planting. This can act as a natural **insecticide** plus gives you a lot of the **natural sea minerals** and **amino acids** that are very beneficial in producing **Higher Brix fruits and vegetables**. Also works well for wire worm control in potatoes.

Step #3 "Foliar Spraying"

So after you apply your Garden Blend in the spring, **Foliar Spraying** is a great way to ensure your **Sugar Brix** levels stay high in the plant. Especially in cloudy wet weather. This is always when insects and disease pressure is worse. Buy a **good sprayer** and spray every 5-7 days. A very simple program is the following rates per gal of water.
2 oz. Sea-90, 2 oz. Epsom Salt, ¼ oz. Dutch Soil Concentrate.
 More detailed foliar programs in our Garden Guideline Sheet.

Step #4 "Insects & Diseases"

Hopefully if you followed our **dry fertilizer** recommendations and you are doing some foliar spraying, you won't have disease and insect pressure. But, always keep in mind. If we get a couple days of **cloudy wet weather**, that's when **disease and insect pressure** is always worse. Foliar spray 3-4 oz. **Bug Beater Juice** per gal of water can help to **control insects**. This is a mixture of nutrition and organic insecticides.

**LEGAL NOTICE
VILLAGE OF ADDISON, NEW YORK
SUMMARY OF THE VILLAGE OF ADDISON PROPOSED DISSOLUTION PLAN
AND**

VILLAGE BOARD OF TRUSTEES PUBLIC HEARING VILLAGE OF ADDISON PROPOSED DISSOLUTION PLAN

PLEASE TAKE NOTICE that the Village of Addison Board of Trustees endorsed a Village of Addison Proposed Dissolution Plan on April 29, 2026. This document is available for the public to view at the Addison Village Clerk's Office located at 35 Tuscarora St., Addison, New York 14801, on the Village website at <https://www.villageofaddisonny.gov/> and on the project website: <https://labergegroup.com/addison/>.

PLEASE TAKE FURTHER NOTICE that the Village of Addison Board of Trustees has called for a public hearing on the Proposed Dissolution Plan for **Monday June 8, 2026 at 6 p.m.** at a special meeting of the Board to be held at the **Addison Community Center, 13 Community Drive, Addison, New York 14801**. The purpose of this hearing is to provide the public the opportunity to provide comments on the Proposed Dissolution Plan. After the public hearing, the Village Board may amend and adopt a Final Plan of Dissolution or may opt to stop the process. If the Final Plan is adopted, the Village Board of Trustees shall contemporaneously with the adoption of the Final Plan set a date for a referendum on dissolution.

SUMMARY OF THE PROPOSED PLAN outlines possible impacts of dissolution should the Village voters elect to dissolve the Village of Addison and be governed by the Town of Addison. The proposed date of dissolution is December 31, 2027.

- The elimination of all existing Village governance structures, including the Village Mayor, the Board of Trustees and all departments.
- The Town Board would assume all governance responsibilities for the area currently known as the Village.
- Loss of the Police Department. The Town does not plan to create a Town police department.
- Village public works functions, including water and sewer, would be provided by an expanded Town Highway Department.
- The Town of Addison would create a Hamlet Water District and a Hamlet Sewer District with boundaries the same as the current Village. The cost for water and sewer services, including debt service, would be a charge upon the users of the water and sewer districts.
- The Town would create a Hamlet Fire Protection District and a Hamlet Lighting /district both with boundaries the same as the Village to provide fire protection services and street lighting respectfully and make the costs a charge the properties within the Districts for those services.
- Village local laws, including Village zoning, may continue for up to two years post dissolution; however, within those two years, the Town's plan is to evaluate the local laws and decide whether to adopt, repeal or amend the Village laws. At the end of two years, any Village laws, not adopted or integrated into Town laws shall be deemed repealed.
- The Town would establish a Planning Board and Zoning Board of Appeals post dissolution and would create a part-time code enforcement officer to enforce Zoning and other municipal code enforcement responsibilities. Enforcement of the NYS Uniform Code would be assumed by Steuben County.
- The Town will increase the Town Clerk and Bookkeeper positions full-time to handle the increased volume of administrative duties.
- The proposed Plan transfers all Village assets including but not limited to the water plant, sewer transfer station, the community center, Fire House 1, public works garage, parks, public spaces, vehicles and equipment to the Town for continued public use with the following exceptions. The Village would sell Village Hall, police vehicles and equipment and other miscellaneous equipment. The net proceeds of the sales of the real property and equipment would be used to offset Village liabilities.
- Outstanding Village liabilities would be a charge upon the taxpayers of the Village.
- The Town would receive an annual New York State Citizen Empowerment Tax Credit (CETC) equivalent to 15% of the combined Village and Town levies in the year prior to dissolution estimated to be \$167,790. A minimum of 70% must be applied for property tax reduction.
- It is projected that Village property tax payers would see a reduction in their combined Village and Town property taxes as follows: Village property taxpayers would experience an approximate 39% reduction in their combined Village and Town taxes before application of the CETC, an approximate 46% reduction with 70% CETC application and an approximate 49% reduction with 100% of the CETC applied to offset taxes.

LibraryWise: News and Notes from the Greenwood Reading Center

Hello, Friends, it finally happened. We have new books! There are nine new titles to choose from up on the 'New Books' display. Over and above them, there are four titles that were previously marked 'not for circulation.' All four of these books are now in the system and fully available to check out. Of the thirteen books newly on our shelves for checkout, five of them are each the only copy in all of STLS! Our director is proud and so happy to be able to offer these books for loan to anyone who wants to read them.

We had fun at our April Mystery Meal! The suncatchers came out so nicely. We truly hope there will be some sun to 'catch' soon. If you want to see an example of them, there's a nice pic on our website. This month, we'll be skipping the craft in favor of a fun game. Stay tuned to find out what we're playing next. (Hint, it's not Book Bingo this month!)

With the end of the school year a mere 8 weeks away, we've planned something fun to celebrate. Starting on Monday, June 29, we will have the Switch Kit from STLS for a School's Out, Summer Celebration gaming party. There will be snacks to go with whatever game the kids want to play! Hey parents, the kids that come in here are great kids! We just wanted you to know that. They are good sports, pick up after themselves and use their manners. We are always happy to see them come in.

Which Dinosaur throws the best parties? The Stegosaurus, because he has the plates! You know where else dinosaurs roam? Summer Learning Program! Stay tuned for info about Unearth a Story, here at the Greenwood Reading Center.

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday 1:00-6:00, Wednesday 11:00am to 4:00pm, and Friday 9:00am to 2:00pm. Home-work Helpdesk available on Mondays and Tuesdays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! Contact us at (607) 225-4553 or greenwoodreadingcenter@gmail.com. Visit us on the web at: greenwood.stls.org

Honor Your Mother

Mother's Day was originally set aside as a special day to honor and show appreciation to mothers. Showing your gratitude and love on this designated day is important, but why should we wait for a special occasion to express our affection? A telephone call, card or short note done spontaneously, is always appreciated. Jesus was spontaneous. His first miracle was performed at the wedding in the town of Cana. His mother merely stated that the wedding party was out of wine. Jesus remarked that His time had not yet come, however, He knew His mother's desire and responded by changing the water into wine. Even when our Lord was dying on the cross, one of His concerns was that of His mother. He saw His mother and His disciple, John, standing by and He said to His mother, "He is your son." then He said to His disciple, "She is your mother". From that time the disciple took her to live in his home.

She speaks with a gentle wisdom. She is always busy and looks after her family's needs. Her children show their appreciation, and her husband praises her.
