BIG BOY 4014 Brings Railroad History thru Addison

Residents and rail enthusiasts gathered throughout Addison Friday afternoon to witness a rare sight as Union Pacific's legendary Big Boy No. 4014 steamed through town. Long before the locomotive arrived, hundreds of spectators lined up and down the crossing at Main St., Addison, along the roads, and open fields with cameras ready. The distant whistle soon gave way to a thunderous roar as the massive steam engine emerged, billowing steam and drawing cheers from onlookers. Built in 1941 by the American Locomotive Company in Schenectady, New York, Big Boy 4014 was designed to haul heavy freight trains across the western United States. At more than 130 feet long and weighing about 1.2 million pounds with its tender remains the largest operating steam locomotive in the world. After decades in retirement, the locomotive was restored and returned to service in 2019. Today, it serves as a rolling tribute to America's railroad heritage, attracting thousands wherever it travels. Its passage through Addison was especially meaningful as the locomotive returned to New York State, where it was built more than 85 years ago. For many spectators, the event offered a chance to experience a living piece of history. As Big Boy disappeared down the tracks and its whistle faded into the distance, one thing was clear; history didn't just pass through Addison on Friday – it thundered through!

Thank You

I want to sincerely thank Josh Stewart, Jeremy Easton, and anyone else who helped with the first annual John Randall Youth Baseball Tournament. It was wonderful so many people and all of them working together. So much love and respect. Concession stand was open and ran so well. All the work between each game on the ball field and the field was beautiful. John would be so proud and full of love for you all. So thankful for all the ball players who gave their best in the extreme heat. And thank God for holding off the rain Sunday and blessing us with a beautiful closing. Thank you for the memories. A job well done.

Love You All

Hey there! Did you enjoy Flag Day on Sunday? We'd also like to wish the United States Army a belated happy birthday! The unofficial 'happy birthday' song of the US Army is 'Stars and Stripes Forever', composed by John Philip Sousa. Did you know that Sousa wrote one hundred, thirty-five marches? If you want to know more about the 'March King', then you know where to come to find out; we'll help you!

Our June Mystery Meal, America the Beautiful, is just a week away! Come and join us at the Community of Christ church at noon next Thursday with a dish to pass. Afraid you don't have anything for the time capsule? Don't be! We'll help you leave a message for the generations to come.

Guess what happens on the same day as our mystery Meal? It's the last day of school! Our School's Out, Summer Celebration will commence on Monday, the twenty-ninth. Nintendo, snacks, air conditioning . . . what's not to love about that?

Which dinosaur makes the best DJ for a party? The spin-osaurus. (He's not a bad rapper, either!) The party starts on July 11; come and Unearth a Story with us. Every Saturday from July 11 until August 15, we'll meet at the library from 11am until 2pm for a story, lunch, activity, and craft. If your elementary-aged student has a younger sibling, let us know so we can try to accommodate them, too!

“The Things That Are Said”

Some people say things like you are fat, ugly, poor, crazy, and more, but these said are the devil's work. They are very hurtful to the children, whose hearts are most tender. God made us all special in looks, different nationalities, and our stations in life. Jesus just wants us to give Him our hearts and love everyone with these new hearts He gives us.

Love and Peace, Eileen Zdanowski

He is Only a Prayer Away

Submitted by Sharon Calkins

(6/18/26). With everything going on in our nation, just remember that God is in control. You may be frustrated and concerned like I but God can handle this mess. We have looting, burnings, murder but we should concentrate on the good. We also have each other, our faith, love and most importantly, we have God. Don’t take Him for granted. He is all we need to get us through this. Life will get better eventually. Pray to God to help you with your frustrations. He is only a prayer away. No busy signal or no answering machine. He is always there to take your “call.”

Darlene J. Hulbert

Darlene J. Hulbert, 81, of Troupsburg, passed away on Thursday, June 11, 2026 at Jones Memorial Hospital in Wellsville, NY.

Darlene was born June 28, 1944 to Norwood and Onnolee (Waldron) Bigler in Batavia, NY. On August 19, 1966, she married J. Elliott Hulbert, who predeceased her in 2019. Darlene and Elliott made their home at 940 Hulbert Road in Troupsburg for over 50 years. In January 2021, Darlene moved to Updykes Personal Care Home in Hornell.

She resided there until October 2025 when for health reasons she was transferred to Wellsville Manor Care Center in Wellsville.

Elliott and Darlene had no children, but spent much time with nieces and nephews and children of friends and colleagues. They enjoyed traveling with one memorable trip to Florida where it was “sweltering” in August. They enjoyed many day trips in later years when health kept them closer to home.

Darlene’s love of music led her to lead many community cantatas, play for Sunday church services and other occasions involving music. She and Elliott began a puppet ministry spreading the gospel to children across the area. She enjoyed entertaining the Updyke residents with her piano playing many days. At the Manor, she rekindled her artistic interests.

Darlene attended Batavia elementary schools and graduated from Alexander High School. She graduated from Roberts Wesleyan College with a BA in music education.

She later graduated from Mansfield University with a Masters in Elementary Education with Certificate in Reading. Darlene began and ended her teaching career of 37 years in Troupsburg Central, Jasper Central and Jasper-Troupsburg Central School Districts. She considered herself “Grandmother” teacher because she taught children of former students.

Darlene was a member of the Addison Presbyterian Church, Gideon’s Auxiliary, Troupsburg Ambulance Corps, International Reading Association, Music Educators National Association and Literacy Volunteers of America.

Darlene was predeceased by her husband, Elliott, her parents, Norwood and Onnolee Bigler, infant brother, Darwin Bigler, in-laws, Raymond and Gladys Hulbert, sister-in-law, Joyce (Jr.) Burdick, brothers-in-law, Henry Hulbert and Donald Hulbert, grandparents and aunts and uncles.

She is survived by cousins, Diane (Ron) Burroughs, Sandy (Ron) Weiler, Jane (John) Marone, Debbie (John) Miscura, Lori Otis, Steve Toal and Robert Toal, sisters-in-law, Millie Hulbert, Ann Hulbert and Dora Hulbert, Nieces, Jane (Rob) Ficiur, Karen (Mike) Smith, Bonnie Williams, Becky (Padge) Elvenia, Nephews, Tim (Janice) Hulbert, Paul (Tracie) Hulbert, Dan (Colene) Hulbert and Philip (Barb) Hulbert and her beloved cat Blackie.

Friends may call on Thursday, June 18 from noon to 2 pm at the H.P. Smith & Son Funeral Home, 1607 Main St. Woodhull, NY where funeral services will follow at 2pm. Burial will be in Chenango Settlement Cemetery, East Troupsburg.

Memorial donations are suggested for either Gideon International or the Chenango Settlemen Cemetery, c/o Pat Smith, 4409 Cty. Rte. 82, Woodhull, NY 14898.

Amazing Staff Celebration: Yearbook Dedication Honors Beloved School Community Member

The Class of 2026 has chosen to dedicate this year’s yearbook to a staff member whose everyday actions have made a lasting impact on the entire school community: Mr. Gregory Creeley. In a heartfelt speech delivered during the dedication, students described Mr. Creeley as “a constant source of positivity and encouragement.” Known for greeting students each morning with a smile, fist bump, and personal acknowledgment, he has become a familiar and uplifting presence in the school’s daily routine. Students highlighted how his consistent kindness helps set the tone for the day, making everyone feel seen, valued, and welcomed. Whether through a cheerful “good morning” or one of his well-known dad jokes, Mr. Creeley has a unique ability to bring laughter and lightness—even on challenging days. His support extends to all aspects of student life. He is frequently seen attending sporting events and school activities, where he enthusiastically cheers on students and celebrates their achievements. His encouragement during both successes and setbacks has helped motivate many to push beyond their limits.

Equally meaningful are the moments he spends connecting with students on a personal level. At mealtimes, Mr. Creeley often sits with students, taking the time to listen and engage in genuine conversation. These interactions, students noted, foster a sense of belonging and understanding that strengthens the school culture. The Class of 2026 emphasized that Mr. Creeley’s impact lies not only in what he does but in how he treats others. By consistently showing respect, remembering names, and extending kindness to everyone, he has helped create an environment where students feel safe and supported. In dedicating the yearbook to Mr. Creeley, students recognized him as a role model who exemplifies compassion, friendliness, and integrity. “Thank you for your kindness, your energy, your humor, and your unwavering support,” the class shared. “Our school would not be the same without you.” The dedication stands as a lasting tribute to a figure who has quietly, but powerfully, shaped the student experience at the school.

2025-2026 Teachers of the Year

The 2025–2026 Teachers of the Year were announced at the high school academic ceremony on Wednesday, June 3rd. What makes this recognition especially meaningful is its origin: the selections were made by members of the senior class, who reflected on the teachers who shaped their educational journeys from preschool through graduation. Students shared personal stories and experiences, identifying educators who inspired confidence, encouraged curiosity, and provided unwavering support. After thoughtful discussion and a final vote, five teachers were chosen for their lasting influence. Among the honorees: Mrs. Keech was honored for her leadership and commitment as both senior class and student council advisor. Known for going above and beyond, she has helped create memorable events-from parades and dances to spirit weeks-while empowering students to feel connected and valued within their school community. Mrs. Knaisch earned recognition for her exceptional dedication to student success. Whether coaching, teaching complex material, or helping students prepare for Regents exams, her passion is evident. Her commitment was further underscored when she continued teaching from a hospital bed to ensure her students stayed on track. Mr. Cansdale was recognized for challenging students to think critically and engage in respectful debate while fostering a classroom where every voice is valued. His genuine interest in students’ well-being and involvement in school activities have made him a trusted and inspiring presence. Mrs. Lyons was celebrated for her impact both in and beyond the classroom. An encouraging teacher and coach, she is known

for building confidence in students and continuing to support them long after they move on, providing guidance as they transition to high school. Mr. Palko was recognized for making learning engaging and enjoyable. His dynamic, hands-on teaching style and positive energy help create an environment where students feel comfortable, curious, and excited to learn. All five recipients were congratulated for their commitment to students and their lasting contributions to the school community. “These educators have made a difference not just academically, but personally,” organizers said. “Their dedication has truly stood the test of time.”

Congratulations to our Tenure Recipients

Please join the District Office staff in congratulating Kaitlin Henry, Lacey Gill, Katie Klawitter, Alyssa Wheatcraft, and Max Young on earning tenure! This achievement reflects their hard work, dedication, and commitment to excellence in education. Their passion for supporting students and their continued professional growth has made a meaningful impact across our district. We are proud to celebrate this important milestone and wish each of them continued success, inspiration, and fulfillment in the years ahead.

The Addison Central School District Board of Education will hold a regular Business Meeting on Tuesday, June 23, 2026 at 6:00p.m. in the High School Cafeteria.

Middle School Students Get a Surprise

The 8th grade science classes wrapped up their weather unit with a hot air balloon ride that showed them how their lessons work in real life. They had learned that warm air rises because it’s less dense, and they got to see how that actually happens.

Valley Students: On the Path of Discovery

Students at Valley have successfully completed instruction on the alphabet and are now transitioning to reviewing all letters and numbers. Across classrooms, a variety of engaging themes are underway. Many classes are exploring topics related to growth and insects, while others are concluding units focused on zoo animals. Several classrooms are also finishing the final weeks of the *Second Step* program. As part of this transition, students have begun discussing the move to kindergarten, including how many classroom expectations will remain similar and the excitement of meeting new friends. In addition, students enjoyed a recent field trip to the Big Flats Community Playground. The group had a wonderful time playing together and concluded the outing with a popsicle before returning to Valley.

**From Classroom to Community:
A Meaningful Field Trip Experience**

Mrs. Meade’s 3rd grade class had an amazing trip to the Food Bank at the Jennie Mose Center on June 3rd. The students were warmly welcomed and chose from a wide variety of items like canned goods, cereals, pastas, and breads. Students and their families are encouraged to explore even more options, including refrigerated foods and new selections. (See page 4 for hours.)

**Voices from the Field:
A Communications Classroom Speaker**

Recruitment Officer, Quantae D. Davis from the NYS Department of Corrections and Community Supervision visited Mrs. Ferratella’s class to present information about the recruitment process and career opportunities within the Department of Corrections and the community. Thank you for taking the time to speak with the students and share these valuable opportunities in New York State!

**Tuscarora Safety Patrol:
Ice Cream with Mr. Chris**

Students at Tuscarora enjoyed a tasty summer treat with Mr. Chris of the transportation department. These students are part of a Safety Patrol group at Tuscarora.

Middle School Robotics Competition

Mr. Richer's VEX IQ Robotics Club students participated in the robotics competition held at the Addison Middle/High School Event Center. Students competed against other schools from BOCES in several exciting challenges, including the science fair, step-up dance challenge, happy little drawing challenge, and the great pyramid build-off challenge.

MS/HS Chorus Concert

To close the school year on a high, musical note, the MS/HS Chorus Concert was held on Friday, June 5th. The evening was filled with beautiful music, inspiring performances, and a number of special senior solos. It served as a memorable and heartfelt send-off for the Class of 2026 chorus members: Josiah C., Seth S., Kaylee K., Lyvia F., Olivia M., Joseph B., Katelin A., and Lillian Z. Thank you to everyone who attended and supported this wonderful culminating event!

6th Grade Ag Field Trip

Students in 6th grade traveled on June 3rd to attend an Outdoor Education Field Day as part of the Cornell Cooperative Extension. This was part of a program that involves Agriculture in the Classroom learning. Students were able to engage in interactive learning experiences on relevant and practical topics and careers related to the environment. This event was a unique and engaging way for students to connect with agriculture and the outdoors, while learning about and experiencing potential interests and careers.

7th Grade Students Transform Pavement into Masterpieces

Ms. Buchanan's 7th Grade Art classes created chalk art paintings on the sidewalks in front of the Middle School entrance. Students used famous art works such as Monet's Bridge and VanGogh's Starry Night as inspiration for their creations. Students learned how to collaborate in teams to create their compositions, techniques on how to use chalk as a medium, and worked together delegating artist tasks within their teams.

Celebrating Dedication and Excellence

At this time, I would like to take a moment to recognize and sincerely thank our incredible Journalism students whose hard work, commitment, and determination have truly made the school newsletter so successful this semester. These students demonstrated what it means to take responsibility and strive for excellence. They approached their work with focus and enthusiasm, consistently meeting deadlines and maintaining a high standard of quality. Whether working independently or collaborating as part of a team, they showed resilience, organization, and a willingness to go the extra mile.

Meeting deadlines is more than just finishing on time—it reflects planning, discipline, and respect for shared goals. By staying on track and keeping commitments, these students helped create a positive and productive environment for everyone involved. The students in the class, though few, had strengths in different areas and exhibited them in a variety of jobs that are required when creating the newsletter: writing emails to discover news and events in the schools and community, writing and editing articles, editing and revising drafts, taking pictures of events around the school and community that highlight student learning, editing and positioning images to fit in different places within the document. Most of all, they encouraged each other and worked together to meet weekly deadlines and produced many amazing newsletter editions. I am especially proud of the way they supported one another. Encouraging peers, sharing ideas, and contributing to a sense of teamwork helped build a stronger community and made the experience more rewarding for all. Their positive attitudes and perseverance served as an example to others and reinforced the values we strive to promote.

To each of these students: thank you. Your diligence, responsibility, and hard work have set a standard worth celebrating. You have shown that success is built not only on talent but on consistent effort and a commitment to growing every day. Keep up the outstanding work—you've truly earned recognition and appreciation!

Addison High School Red Cross Club Record-Breaking Year

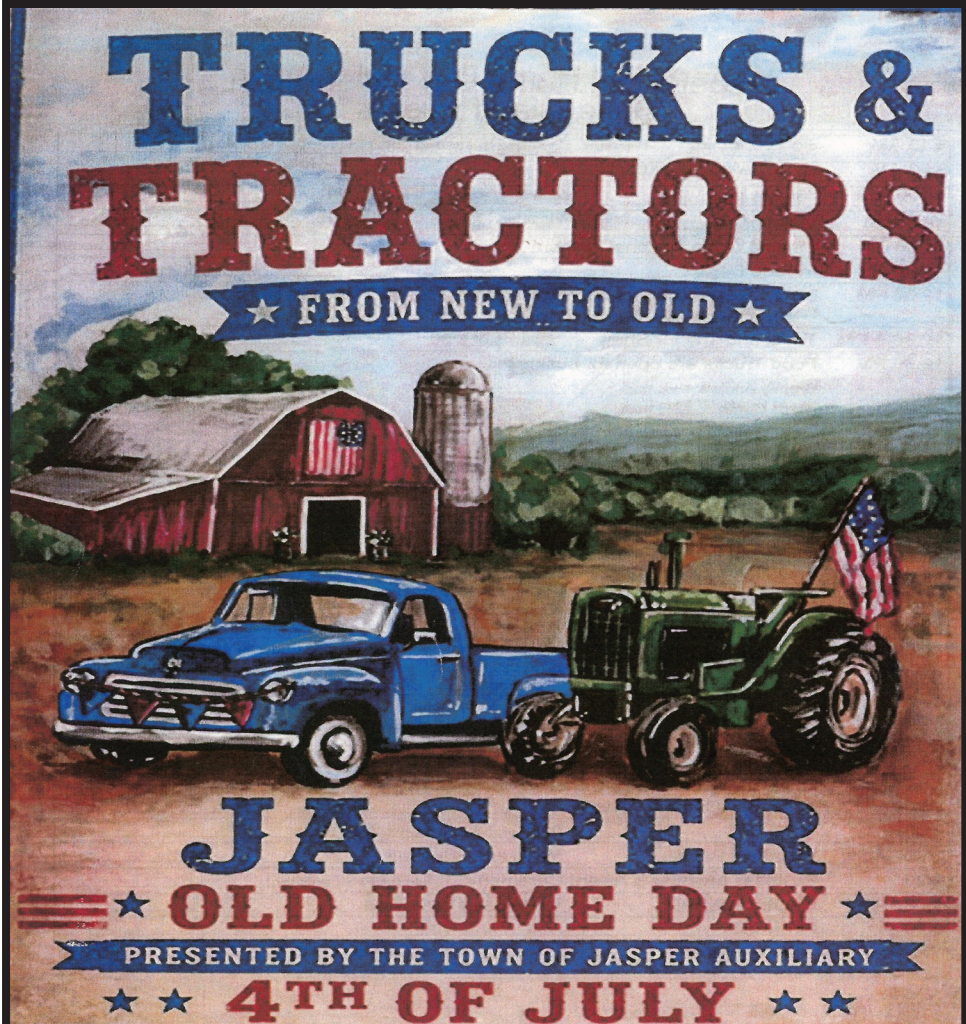

The Addison High School Red Cross Club achieved a record-breaking year, collecting **106 units of blood**—the highest total to date. These donations have the potential to **sustain up to 318 lives**, a powerful demonstration of how Addison Central School truly showed up for its community.

A total of **16 staff members participated**, with several donating at multiple drives. In addition, **42 students presented as donors**, many of whom donated more than once. It is especially impressive to see the **courage and selflessness** demonstrated by our high school donors.

Many students shared sentiments such as, *“It’s the right thing to do to help others if I can,”* reflecting the compassion and character of our school community.

Through these efforts, the district also earned **\$1,500 in scholarship funds**. Dates for next year’s blood drives are already scheduled for **October 7, January 20, March 17, and May (TBD)**.

We look forward to another successful year of service and lifesaving impact.

Addison Pinnacle Club

I pity all who failed to turn-out for Sunday's hike from the Pinnacle Picnic Pavilion to South St. in Addison. Six hardy souls did turn up at 11a.m. for a ramble, down a newly cut trail, on a day that turned out perfect for the purpose, surprisingly. Two more must be applauded. The town should give a big hand to two Hands who lent helpful hands to the effort, and brother John proved most brotherly. However, Hero of the Hike must be awarded to my sister, Bridget Burke, who completed the trail / trial despite being older than me, with even older knees. Hiking uphill can be easier than down, also surprisingly.

Two Booths appeared as expected, to point-out the wild harvest of edible mushrooms etc., and the fungi were to die for, except the ones that can kill you. Rich food for the soul was provided also by the path, with a wealth of blossoming mountain laurel. Perfectly glorious! This Route#2 revealed itself so bountiful and beautiful, plus handy, I returned to the top to repeat the trip down, immediately, in under 40 minutes (without running one step). Didn't pick-up a tick either. Bears were bearable besides.

This double adventure an old man completed after church, and before the Lord let loose the rain, which is why I went to church first. Creation is best viewed, absorbed and enjoyed then. We in Addison are blessed to have such resources available to us. We would be wise to preserve what remains for the community's use. Addison Grange has been laboring at this work all of my life, but more must be done. Anyone interested in helping to maintain the remains of our park, its paths, picnic grounds and splendid vistas should step up by attending meetings of the Grange (third Thursdays, this Thurs. @7pm) at Community Hall. Or, show up at the Pinnacle Pavilion at 10am on Wednesdays if weather's good. Guided hikes can be arranged anytime on hikingpilgrim@gmail.com.

The Father’s Role

The father's role has changed over the past few decades and the good father in today's society must wear many hats. We no longer think of today's family as a father that just works outside the home and the mother as the one who manages the home responsibilities and the children. Today, many parents both work outside of the home, and the father that shares the home chores and responsibilities wins the love and admiration of his family. A father requires nothing more from his children than their love, respect and their honest effort to be the best that they can be. Father's teach by their example, and qualities such as kindness, honesty, integrity and love of God and family, can all be passed down to their children. The love that fathers have for their children is a gift from God, and fathers who express their love to their children are double blessed when they hear their children say in return, "I love you too, Dad."

As kind as a father is to his children, so kind is the Lord to those who honor him.
