2015 ACS CHAMPIONSHIP SOFTBALL TEAM INDUCTED INTO HALL OF FAME “WHERE ARE THEY NOW”

As a coach, there’s no greater joy than seeing your team’s hard work and dedication pay off. For us, that moment arrived with our recent induction into the Addison High School Hall of Fame last Wednesday, June 11. This induction into the Hall of Fame is a testament to the power of teamwork.

I’m incredibly proud of each and every one of my players who consistently demonstrated a commitment to excellence both on and off the field that season. Their perseverance, teamwork, and passion were the driving force behind our success. This championship united the players to the community and there achievement will stay with them for a lifetime! MUSIC IN THE PARK RETURNS THIS SUMMER!!

Get ready for a summer of live music, community fun and sunshine! Music in the Park is set to kick off July 11 and run through August 29, bringing together music lovers of all ages for a season of free outdoor concerts.

This beloved summer tradition is made possible thanks to the generous support of our sponsors. Their commitment to our community activities is truly appreciated, and we’re grateful for their partnership. As we prepare for another exciting season, we’re thrilled to announce some of the talented bands that will be gracing our stage on Valerio Park in Addison. From Country to classic rock, our lineup promises to deliver something for everyone. **Stay tuned next week for a complete schedule of featured performers!**

In addition to great music, AAMG Music in the Park will also feature a variety of delicious food from the Addison Masonic Lodge and Addison Fire Dept, and delicious treats by the Middletown Historical Society. We’re excited to bring our community together once again for a summer of music, food, and fun. Mark your calendars for July 11 and get ready to relax, bring a lawn chair, and listen to the sounds of “Music in the Park”.

We look forward to seeing you there!

Addison Food Pantry will describe their new location and hours, and the nutrition needs of our local area; they will discuss what items they may need for donation. Cady Estates will describe their busy catering business and restaurant, their struggles with flooding, their ties with SUNY Alfred, and their own farm operation. Mary Clark: Addison High School Principal: Leading by Example

Mrs. Clark grew up in Swain, NY and graduated from Canaseraga Central School. After living in Alfred for 4 years to attend college, she moved to Bath, NY. Mrs. Clark and her family currently live in Corning. Mrs. Clark has always enjoyed helping people and knew that she wanted a career in a helping profession. She majored in Industrial and Organizational Psychology and originally planned to work in human resources. She then changed her mind and worked in the human services field helping pregnant and parenting teen moms for a couple of years. Soon after, she made the decision to pursue a degree in School Counseling so that she could work in a school and try to reach and help more young people.

In her spare time, she loves making memories with her family and friends, walking, participating in wellness activities, and taking care of her plants. She has been married to her husband, Chris, for almost 22 years. They also have one son, Bryce, who will be a senior next year and a cute dog named Olive, who is 9 years old.

For those who do not know, Mrs. Clark has been a school counselor in our district for 18 years. In 2016, she completed her degree in educational administration through SUNY Brockport. With her time in Addison, she has found a love for being our school counselor and, “Will take a lot of that experience into my new role as the high school principal.”

As the high school principal, she believes the most important feature of her job is ensuring that our school is a safe and secure environment for all students to grow and learn every day. She hopes to make all Addison students feel excited to come to school, knowing that everyone wants them to be successful and that it’s okay to make mistakes because that is how we learn. Her overall goal is to develop a high performing, challenging, and engaging high school program that prepares students for college, careers, and life. She also, “hopes to engage with families and the community as much as possible to welcome an open line of communication between the school and home.”

She has always loved our small, close-knit school community in Addison saying, “I love that we know our students well and what is going on in their lives.” She said she would love, “To grow and develop as a school leader and always do what is best for students because no one has all the answers all of the time. We are always growing and developing as people and that’s important for students and adults to remember.” She wants the Addison community to know that she cares deeply about our students and this community, and she is committed to doing what is best for all.

2025 Yearbook Dedication

There is one person who stands out tremendously for her generous spirit and her kindness. Char Terreri, Addison High School cafeteria worker, is the person you can turn to for anything and everything you may need. Her meaningful advice and comforting words have helped many students get through their tough times. Even on her worst days, she can still put a smile on your face and make you laugh.

Char’s presence alone makes the environment a lot more welcoming. She is compassionate and cares deeply. Char is incredible at noticing when someone is having a bad day and always tries to cheer them up. Char can walk into a room and her strong personality can fill any room with positive energy. Her love and passion for her job is shown in everything she does. She is supportive to students in and out of the building.

The dedication Char shows to our community and her warming heart is truly inspiring. She never leaves a kid hungry and is always willing to help. Her daily check ins, sense of humor and overall her warm heart makes her a beloved figure in our school. Everyone should have the chance to experience Char’s warmth and kindness. She shows so much support to all of us.

Thank you, Char, for everything you do. You are truly amazing!

THE ADDISON CENTRAL SCHOOL DISTRICT BOARD OF EDUCATION (BOE) WILL HOLD THEIR ANNUAL ORGANIZATIONAL MEETING ON TUESDAY, JULY 8, 2025 AT 6:00 PM IN THE HIGH SCHOOL CAFETERIA. A BUSINESS MEETING WILL BEGIN IMMEDIATELY FOLLOWING THE ORGANIZATIONAL MEETING.

Addison School Budget: An Extended Thank You to the Addison Community

On May 20th residents from the Addison community showed their support by voting for the proposed 2025-2026 school year budget and Board of Education member. This budget successfully passed with a 62.6% yes and a total turnout of 353 total voters.

The district would like to formally extend a warm thank you to all who made their way to vote. For a school district to be most successful, it requires community engagement. The district is very thankful for those who supported both on and off the ballot. Voting is a great way to advance and build school programs to provide the most advantageous education to all students.

Thanks to the votes, our district will be able to continue funding vital programs. As publicized, most know 75% of the annual budget is for staffing and faculty. This means that all staff can rest safely, knowing that their jobs are funded, and their families can continue to thrive. The district will have these reserves to continue weathering any financial storms that may come its way, while providing safe and secure work and learning environments for the students.

It is said that "seeing where your money goes is the most important part of paying your taxes." To be most transparent, the district has been taking measures to provide information to community members for a more informed voting population. However, a part of transparency is understanding what the community wants to see happen. Leading to now, the district has made such efforts as: releasing a budget newsletter, holding hearings for the public, presenting concepts at board meetings, releasing video statements, presenting to the faculty of all schools and holding community, PTO and PTA presentations. The district plans to continue these efforts in making sure that financial advances and decisions are public knowledge. Starting earlier will also help residents be informed of possible changes. In the future, the district hopes to continue to utilize the video/media arts classes to create videos that can present ideas and even write about them in the newsletter.

The district always encourages community feedback to improve. If you would like to give recommendations and feedback, community members are highly encouraged to send ideas to the Superintendent, Mr. Peiffer: jpeiffer@addisoncsd.org or (607) 359-1203.

Welcome, Mrs. Bean!

The Addison Central School District would like to congratulate Jennifer Bean for being elected to the Board of education and would like to thank her for her willingness to serve the community.

Trustee Bean was born and raised in Addison and graduated in 2006. She attended Cape Fear Community College and the University of North Carolina at Wilmington in Wilmington, NC. After college, she moved back to Addison with her husband. Professionally, she is a Pharmacy IT Analyst at Guthrie, where she supports systems like Omnicell, Pyxis, and Epic that improve communication and safety in healthcare. She loves to travel, read, garden and coach Addison Cinderella softball.

Last year, Trustee Bean was invited as a parent/community member to interview new teachers that were being considered for open positions. She loved being a part of those interviews and included in the decision-making process for the school district. Trustee Bean mentioned, "I would like to take that one step further and help make a positive impact on our school district. I have great memories of growing up and attending school here."

Trustee Bean has deep roots in this community, as her mother and grandparents graduated from Addison. She has two daughters that currently attend Tuscarora Elementary School. After going to college, Jennifer knew she wanted to return to raise her family in the community that gave so much.

Ms. Bean would like to give more of a voice to parents and students that live within the district. She hopes to bring a new perspective to the board and continue to collaborate well with administrators, teachers and staff. Trustee Bean stated, "My goal is to help ensure that every student in our district has access to a safe and supportive education, like the one that prepared me not only for academic success, but life beyond the classroom. I'm committed to strengthening communication between the board, staff, families, and the community so we can work together to make thoughtful, student-centered decisions."

The Metamorphosis of a Butterfly: Freedom Has Wings

Students in 5th grade at Tuscarora learned all about living systems. Students examined the life cycle of a Painted Lady Butterfly. In the classroom students were able to watch the caterpillars turn into chrysalis and then into butterflies. After observing the butterflies and their characteristics, the whole 5th grade released their butterflies into "the wild" to let them live out the rest of their life cycle in freedom."

Middle School Students Seek New Heights

On Friday, May 30th, 8th grade students were visited by the Liberty Balloon Company. The students learned about the history, science, and mathematics behind hot air balloon flights. The students got an in-depth tutorial on inflation and tethered lifts. This is part of an interdisciplinary unit that connects concepts learned in 8th grade ELA and Science.

Band and Chorus Win Big at Hershey Park

On May 9th, the band and chorus traveled to Hershey Park and competed in Music in the Parks. The chorus won first and the band won second in their categories. The students had a lot of fun despite the rain and cold weather and look forward to doing it again next year. Thank you to all our amazing chaperones who assisted with supervising our amazingly talented students.

Tuscarora Career Day

Thanks to the Career Development Council, students in grades K–5 had an exciting opportunity to explore a wide variety of careers during our recent Career Day event! From nutrition and real estate to fire-fighting, law enforcement, finance, construction, and the ARMY, our young learners got a glimpse into the many paths their futures could take. They also learned about vital industries like farming, conservation, agriculture, and even planetary science! A huge thank you to our wonderful volunteers, the local center, and the YMCA for taking the time to share their career knowledge and inspire our students. Your support makes all the difference! We're proud to encourage curiosity, ambition, and big dreams in our students every day. #CareerDevelopment #FutureLeaders

Mrs. Hunkele's Students Experience a Unique Opportunity

Since Mrs. Hunkele is originally from Germany, her students got to learn a little bit more about her home country and culture. The students even learned some German words! Not only was there a lesson, but Mrs. Hunkele's grandma and dad got to visit/sit in on the lesson too. The students then were able to ask them questions, and everyone participated in a German tradition - "Kaffeeklatsch." This is just a time dedicated to sitting and chatting with your friends.

Everyday Offerings During Open Hours

Play with Purpose
Our centers are each set up to engage the imagination and encourage exploration. Parent/caregivers and their children can explore dramatic play, block play, cars and trucks, create beautiful works of art, read stories together or enjoy one of the many other areas at our Family Resource Centers. During our Drop-in Play hours we help provide the materials, a safe, friendly warm and welcoming environment where you can find support from our caring staff and other parent/caregivers.

Gross & Fine Motor Activities
It's time to get those large muscles moving! It takes lots of practice to perfect our coordination skills so we can learn to rollover, sit up, crawl, walk, run, climb and eventually ride a bike. You can always find gross motor opportunities at our centers varying for the developmental ability of your child.
The precise movements it takes for a child to pick up a cheerio, write their name or learn to cut are developed through fine motor activities. We are conscious at our centers in making sure we provide lots of materials and opportunities for children to build these muscles and "fine" tune these skills.

Sensory Play
Children learn so much through their 5 senses: touch, sight, hearing, smell and taste. Sensory play will focus on developing one or multiple senses.

Special Events & Activities

Parents as Teachers
Evidence based curriculum that's core philosophy is that parents are their children's first and most influential teachers. Through activities parents/caregivers will increase their parental knowledge of early childhood development, improve parenting practices, provide early detection of developmental delays and health issues & increase children's school readiness and school success.

Summertime

Summertime means putting away the heavier clothing and looking forward to short sleeves and warmer weather. Some of the things that I enjoy about summer are the longer hours of daylight, washing my car in the backyard, cutting the grass, talking to neighbors and just being outside enjoying the pleasant weather. The summer months can be sweltering at times, but all and all, it usually is a pleasant time of the year. As one gets older, it seems that the summers get shorter. They say that time is relative, and the older we get, the faster time appears to go. Keeping this in mind, we should plan to enjoy all that the summer has to offer: go on some picnics; plan a few trips; go swimming; play some golf or tennis. The Bible tells us that everything that God has created is good; nothing is to be rejected, and everything is to be received witha prayer of thanks (1Timothy 4:4). We thank God for summer, and for all the seasons of the year, and we ask His blessing and peace on all of us.

In the name of our Lord Jesus Christ, always give thanks for everything to God the Father.
