## EDITOR’S NOTE: CLARIFICATION ON ADDISON HIGH SCHOOL SOFTBALL TEAM INDUCTION

In our recent coverage of the Addison High School 2015 New York State Softball Championship Team Induction Ceremony, published on June 11, we inadvertently omitted Madison Risley from the photo accompanying the article. Madison attended the ceremony and took part in the team’s recognition, but confusion as to where the photo was to be taken created her absence from the photo. Madison’s role on the 2015 championship team deserves acknowledgment alongside her teammates. She continues to be a positive presence in her community. She is employed as a receptionist at Goodrich Auto Works in Bath, NY where she brings the same team spirit that defined her time on the field. We sincerely regret the omission and thank the community member who brought it to our attention.

Editor

## MUSIC IN THE PARK RETURNS THIS SUMMER!!

Get ready for a summer of live music, community fun and sunshine! Music in the Park is set to kick off July 11 and run through August 29, bringing together music lovers of all ages for a season of free outdoor concerts.

This beloved summer tradition is made possible thanks to the generous support of our sponsors. Their commitment to our community activities is truly appreciated, and we’re grateful for their partnership. As we prepare for another exciting season, we’re thrilled to announce some of the talented bands that will be gracing our stage on Valerio Park in Addison. From Country to classic rock, our lineup promises to deliver something for everyone.

In addition to great music, AAMG Music in the Park will also feature a variety of delicious food from the Addison Masonic Lodge, Addison Fire Dept, the Middletown Historical Society and Putnam’s Amusements. We’re excited to bring our community together once again for a summer of music, food, and fun. Mark your calendars for July 11 and get ready to relax, bring a lawn chair, and listen to the sounds of “Music in the Park”.

We look forward to seeing you there!

Addison Area Merchants Group

## LibraryWise: Greenwood Reading Center

Hello again, dear Friends. We at the Greenwood Reading Center would like to offer a hearty ‘congratulations’ to all who are graduating high school this weekend! You’ve spent somewhere around thirteen years of your life to gain the education that you now possess.

For most of you, it’s safe to assume that you already know what the next step in your journey will be; you’ve probably even started the process to get where you want to go in life. Military or college recruiters have been consulted, applications submitted . . . But for some, graduation marks an end, rather than a major waypoint in the journey. What comes next remains a mystery shrouded in fog. Guess what? We can help with that! Digital resources through STLS like JobNow and Peterson’s Prep can help you take the next step toward self-sufficiency. Stop in at your local library for more information! Your librarians can assist you in finding the resources you need.

Remember being told in previous columns to watch for more information about Story Walks? Here it is! Our next Story Walk will begin this coming Monday, June 30th and be available until July 11. Bring your little ones on a walk to find out ‘Brown Bear, Brown Bear, What Do You See?’ Don’t forget the Mystery Meal on June 26! Noon to two at the Community of Christ Church. Pop in and share a meal. We’d love the company!

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday and Friday 9:00am to 2:00pm, Wednesday 11:00am to 4:00pm. Homework Helpdesk is on Mondays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! Contact us at (607) 225-4553 or [greenwoodreadingcenter@gmail.com](mailto:greenwoodreadingcenter@gmail.com). Visit us on the web at: [greenwood.stls.org](http://greenwood.stls.org)

2025

## Retired Army Major General Thomas Joseph Flynn (RET)

Retired Army Major General Thomas Joseph Flynn (RET), a resident of Ellicott City, Maryland and Addison, New York passed away peacefully on June 22, 2025.

Born in Corning, NY, November 2, 1930, he grew up in nearby Addison, NY. He graduated from Addison Central School in 1948. He was proud of his high school years, where he played baseball, basketball, and touch football. He was also very proud of his own pony, horse and cow.

He graduated from Saint Michael’s College at the University of Toronto in 1952. His distinguished Army career began after graduation when he enlisted as a Private in the Army Security Agency (ASA). He trained as a Morse code interceptor, attended the Infantry Officer Candidate School, and was commissioned a Second Lieutenant, rising to the rank of Major General.

Major General Flynn served twelve years overseas including a tour in Vietnam, where he commanded the Army’s 175th Radio Research Unit at Bien Hoa. He served in Germany twice, for a total of seven years where he commanded Field Station Augsburg (1976-1978), at that time, the largest Army Intelligence Station. He also served in Korea, Hawaii, Japan, and Shemya, Alaska. His assignments in the US included multiple assignments in Virginia, including the Pentagon, four times at Ft. Devens, MA, Camp Wolters TX, and the National Security Agency at Ft. Meade, MD. Following his promotion to Brigadier General, he was assigned as Deputy Commanding General of the US Army Intelligence and Security Command at Arlington Hall Station, VA.

His military education included the Army Command and General Staff College at Fort Leavenworth, KS, the Air War College at Maxwell Air Force Base, AL and the Senior Executive Course at Harvard University. His decorations include the Distinguished Service Medal, the Legion of Merit with four oak leaf clusters, the Bronze Star, the Defense Meritorious Service Medal, the Joint Service Commendation Medal, the Army Commendation Medal, and other service medals. He was twice awarded the Distinguished Intelligence Medal by the Director of the CIA, the nation’s highest intelligence medal.

While he enlisted as a Private, his final assignment in the military culminated as the Chief of Staff of the National Security Agency at Fort Meade, MD. Upon retirement in February 1988, he later served as Chairman of the US Signal Intelligence Committee under the direction of the Central Intelligence Agency and the National Security Agency.

Following full retirement he was active in the Ft. Meade Ski Club, Our Lady of Perpetual Help Catholic Church, enjoyed traveling, gardening, wood working and especially spending time with his family.

His family and friends will miss his loving and caring attitude, his sense of humor, and his dedication to his wife of 67 years, family, friends, soldiers, and their families. His motto was, “I care.” His college and teacher motto of: “Teach me goodness, discipline, and knowledge,” was how he hoped he lived his life.

Major General Thomas J. Flynn was preceded in death by his parents, Frank and Kathryn Flynn of Addison, NY, his brother Dr. John Flynn, and his sister Anne Murphy.

He is survived by his wife, Alice (Duclos) of Worcester, MA, the love of his life; five children Michael (Susan) of Black Mountain, NC, Lisa Heard of Woodbridge, VA, Mary (Monte) Malone of Ellicott City, MD, Timothy (Sheila) of Fayetteville, NC, Mark (Dawn) of Salt Lake City, UT; thirteen grandchildren: Addison and Mallory Flynn; Melissa, Lauren and Ally Heard; Amanda (Tyrone Saterfield) and Matthew Malone; Erin, William, Kelly and Meghan Flynn; Hannah and Abbey Flynn; and two great grandchildren, Avery Heard and Marleigh Saterfield.

A funeral mass will be held July 1, 2025 at 11:00 A.M. at Our Lady Of Perpetual Help, 4795 Ilchester Rd, Ellicott City, MD 21043.

Interment will be at Arlington National Cemetery at a future date. Online condolences may be expressed at [www.harrywitzkefuneralhome.com](http://www.harrywitzkefuneralhome.com)

## God is Great

Submitted by Sharon Calkins

(6/19/25) God is great. No matter what you or someone you love, is going through, He is right beside you. Open your heart and ask Him, He will not disappoint you. The answer may not come the way or in the time period you want, but God answers prayer. It will be in His time. I have learned to be content in unanswered prayer. What I want may not be the best for me. He knows what is best and what I get is better than I expected. We need to pray for our loved ones and for their acceptance of Jesus as their personal Savior. God wants nothing more than for His children to love Him. So lift up your hearts and minds and praise our risen Lord, Jesus Christ. Amen.

## Woodhull Raceway Jim Williams Memorial with IPYRO Fireworks Show

Fireworks, Chicken BBQ, and a Super 7 Show on Saturday, June 28, 2025. Historically the Jim Williams Memorial is the largest attended night of the season at the Woodhull Raceway.

Originating in the late 1990s under the ownership of Scott and Amy Drake, the Jim Williams Memorial Fireworks Program has attracted spectators from near and far. Its enduring popularity remains strong, with 2025 poised to be no exception.

Jim Williams had a profound passion for fireworks, personally orchestrating displays that consistently delighted race fans. Although he passed away in 2000, the Fireworks Show has continued to evolve, with each track owner adding their unique flair. The track currently uses IPYRO, which synchronizes the entire program with music to ensure that something spectacular happens every second, making for an amazing show.

On the track it will be a Super 7 Show featuring all the weekly classes including the Insinger Performance Modifieds, Hometown Excavation 602 Crate Sportsman, Southern Tier Customs RUSH Crate Late Models, Wilcox Performance Automatics Street Stocks, Ladd Road Auto Hobby Stocks along with the Big Jim’s Wicked Tee’s sponsored Quad C Mini Stocks and Youth Warrior Classes.

We know how uncooperative the weather has been lately, consequently the rain date for the fireworks show is set for August 2nd .

The pit gates will open at 4:00 p.m., and the main grandstand gates will follow at 4:30 p.m., at which time the Woodhull VFD Chicken BBQ will be available.

For inquiries or further information, please reach out via the provided contact details.

For updates leading up to the Annual Jim Williams Memorial on Saturday, June 28, 2025, go to [www.Facebook.com/WoodhullRaceway/](http://www.Facebook.com/WoodhullRaceway/).

Pre-event tickets will be sold inside the main gate on Saturday, June 21 st , from 4:30 to 6:30 PM,

and again at the main ticket booth on Friday, June 27th, from 1 to 5 pm.

This event is by far the most attended night of the season, and fans are encouraged to come early, as quality parking and seating will be at a premium.

Fireworks will begin after dark. When the Fireworks Show is completed, the track lights will come back up, and the rest of the racing program will be run off.

For a complete look at the remainder of the 2025 Schedule of Events, class rules, marketing partners, and the history of the sixty-year-old facility, log on at [www.woodhullraceway.com](http://www.woodhullraceway.com).

The Woodhull Raceway is located on CR 102, just a mile off Route 417 in Woodhull, NY. 25 miles west of Corning, 25 miles east of Hornell, 25 miles south of Bath, and 25 miles north of Wellsboro, Pa.

## NOTICE OF PUBLIC HEARING VILLAGE OF ADDISON RESIDENTS

The Village of Addison Board of Trustees, in collaboration with the Village Ethics Committee, will hold a public hearing on Monday, June 30, 2025, at 6:00 PM. The hearing will take place at the Addison Village Hall, located at 35 Tuscarora Street, Addison, NY.

The purpose of the hearing is to present and gather public comments on Local Law 1 of 2025: the Village of Addison Code of Ethics for Local Government, which every municipality is required to adopt. A copy of the Local Law is available for public review during normal business hours at the Village Clerk's Office.

During the public hearing, all individuals will have the opportunity to be heard. Written comments and questions may be submitted to Wendy Daine, Ethics Committee Chairperson, via email at [ethics@villageofaddison.info](mailto:ethics@villageofaddison.info) or delivered to the Village Clerk's office. The deadline for submission of written comments is Friday, June 27, 2025, by 5:00 PM.

Submitted by: Donna L. Taylor, Village Clerk, 6.14.25

Wigwams Open July 4

The wigwams will be opening for visitors upon the conclusion of the Old Home Days parade. Thank you for stopping in during the extremely busy day.

Request for Environmental Testing Services

2025 CDBG Program – Housing Rehabilitation

The Town of Thurston is seeking proposals from qualified firms to provide Environmental Testing services to assist with implementing its recently approved Community Development Block Grant (CDBG) funding award for Housing Rehabilitation activities. The Town will contract for these services to be provided over a 24-month period and anticipates up to 5 single-family houses will be rehabilitated through the CDBG program.

Specific services being requested include:

1. Lead-based paint risk assessments for all rehabilitation projects.

2. Lead-based paint clearance testing for all rehabilitation projects.

3. Asbestos survey to determine if any asbestos-containing materials (ACM) will be disturbed as part of the program activities.

4. Radon testing for all rehabilitation projects.

Please note that the Town and its grant administration consultant, LaBella Associates, will provide information regarding the expected work items to be completed for each of the houses to be selected for rehabilitation assistance. LaBella staff can also assist with scheduling the assessments and testing on the selected properties.

If you are interested in conducting the environmental testing services described above, please submit a proposal detailing your firm’s qualifications and experience in providing environmental testing services for other housing rehabilitation or similar programs. All proposals should include a detailed scope of work that describes the level of effort and cost estimates to provide the testing, as well as familiarity with the applicable testing regulations and requirements. The staff person to be assigned as project manager should be identified in your proposal as well as resumes of any key staff involved. Relevant staff should be available in Thurston to conduct the required in-person testing. The Town will expect the consultant to focus on regulation compliance, completion of reports and test results in a timely manner and maintaining communications to carry out program responsibilities.

The Town will make its selection based on the following criteria:

• Successful experience (past performance)

4

• Technical capability and financial resources (qualifications of personnel and financial stability of respondent organization)

4

• Availability of staff resources (commitment of personnel to the project)

4

• Cost

3

Minority- and Women-Owned Business Enterprises and Section 3 eligible firms are encouraged to submit proposals. Proposals must be received no later than 4:00 p.m. on Friday, July 25, 2025 and can be emailed directly to ldacosta@labellapc.com. Please call Lauryn DaCosta, Grants Administrator, if you have any questions about the grant program or this request for proposals, at (585) 471-7303.

Welcome to Our New Pastor

Pastor Logan Curran

The Alfred Station Seventh Day Baptist Church welcomes our new Pastor, Pastor Logan Curran. This will be Pastor Logan’s first official Sabbath bringing the message on June 28, 2025. We look forward to what the Holy Spirit will share. We will continue to welcome Pastor Logan by having a fellowship meal following worship. Plan on staying and breaking bread. Join us in “Face to Face” worship at 11:00 am by coming to the Meetinghouse at 585 Rte 244 Alfred Station. Or, be a part of the Worship Hour through “Streaming” at: Streamingnet.net www.alfredstationsdb.org; Alfred Station Seventh Day Baptist Church Facebook Page; Alfred Station Seventh Day Baptist Church YouTube Page

Remember the Youtube Channel will archive the Sabbath Sermon. Also, on the church’s YouTube you may find other archived Worship Hours.

***Troupsburg Celebrates Heritage Day***  
***Saturday, July 5th***

We are honoring the 217th year of our Community & Colonel Robert Troup who served in the American Revolution.

**Dear Editor,**

People have been shocked by the increase in their electric bills from SREC. But they have no idea how bad it will get. You see SREC has a contract for a fixed maximum amount of power from NYPA and after that the extra power cost, **PEAK POWER**, is unknown until they get the bill. In winter at times of peak demand, like early morning when people turn up their electric heat and in the evening, they exceed the contract power. They told me that this past winter instead of about 3 cents per KWH they found it was about 10 cents after they bought it. So to ease the burden on the electric heat customers they only charged 1 cent extra and will do that through November. So they in effect subsidized the customers that caused the increased costs spreading it to everyone when people are not using electric heat. To put it layman’s terms it is like pulling up to the gas pump and getting 10 gallons of gas at \$3 a gallon and then having the pump price go dark while you finish filling the tank and finding you were charged \$10 a gallon and putting the extra charge on the credit card and paying interest for 10 months. The real danger is that due to the **GREEN NEW DEAL** they are shutting down many more coal plants and replacing them with solar. Guess what solar does not produce at night when the peak demand hits. It does not produce on short winter days and when it is cloudy! Thus there will be little peak power available when SREC needs it to supply electric heat customers and they could easily find it costs not 10 cents but **10 DOLLARS** for that power! I have seen peak power costs exceed \$1,000 a KWH. In the Texas freeze people had these kinds of power contracts and received \$1,000 a day electric bills. This is how the California electric utilities went bankrupt in the **ENRON PEAK POWER SCANDAL**.  
SREC is planning to **RENT** expensive batteries to store power at off peak times and supply it at peak times. There are two problems with this plan. 1, batteries are only about 90% efficient and thus they will consume 10 KWH for every 9 KWH they supply. Second there is no guarantee that there will be enough off peak power to recharge the batteries but YOU will have to pay the rent even if they save nothing. It is like putting 10 gallons of gas in the truck and then renting an extra tank so you can stock up when there is a sale but having no assurance there will be a sale.  
Then you have the \$30 meter charge which **INCENTIVISES using more power!** If you use 100 KWH @ \$0.03 the real cost with the meter charge is \$3.00 per KWH plus \$30 or \$0.33 per KWH BUT if you use 1,000 KWH at \$0.03 the real cost is \$30 plus the meter charge \$30 or \$60 or 0.06 per KWH. At a time when we do not have enough generating power and consumption is exploding you need to **incentivise conservation by making power cost more the more of it you use**. Thus the more electric heat you use the cheaper it is and other people pay for it for you.  
The only hope the customers of SREC have of affording their bills is stopping the use of the extra power by charging for both demand and time of day use at the time of year it is used. They could use their smart meter to shut off electric heat in homes at times of peak demand. They may have to consider rolling blackouts. Paying people with standby generators to allow themselves to be shut off at times of peak demand. Or paying people without standby generators to have a few hours a day without power.  
NY State’s Governor is guaranteeing cheap power to chip producers and data centers and that means peak power prices are going to explode as NY State sends the cheap SUBSIDIZED peak power to them and **charges you for the most expensive power**. If SREC continues as they are going you can look forward to your \$100 electric bill being \$1,000 or MUCH MORE! The Bible tells us there is nothing new under the sun, nothing that will happen that has not happened before and this is exactly what happened in the City where they changed the coal plants to what was then cheap oil and then had the price of #6 high sulphur oil go from **6 cents to ONE DOLLAR overnight**.  
Sincerely,  
John Geis

## Graduation Day

Graduation Day should be a time of celebration and special praise. When one receives a diploma, it signifies that this person, through discipline and study, has completed another phase of life. He or she is ready for the next stage, be it additional education or entering the work force. The person has completed his training may display his diploma to signify that he is qualified to perform a service. However, it is not the diploma that keeps clients coming back, but the quality of service performed. Graduates should realize that the knowledge and skill they have learned is more important than the certificate. Likewise, a person's religious affiliation is not what pleases God, it's what's in the person's heart. Those who profess to love God, should display this by their actions. He is loving and kind and rewards each of us according to the work we do for Him. -The Living Bible Psalm 62:12
