These items are being provided by a generous local group of donors as well as the #MerrillMadness team!

All proceeds will directly benefit the Music In the Park events.

Join us, take a chance, win a t-shirt or other items!

Merrill Madness, is a product of many years of being on a travel baseball circuit. It was started by Joshua and Jennie Merrill who are the proud parents of San Diego Padres #3, Jackson Merrill. Joshua also grew up in and was also a previous resident of Addison, NY.

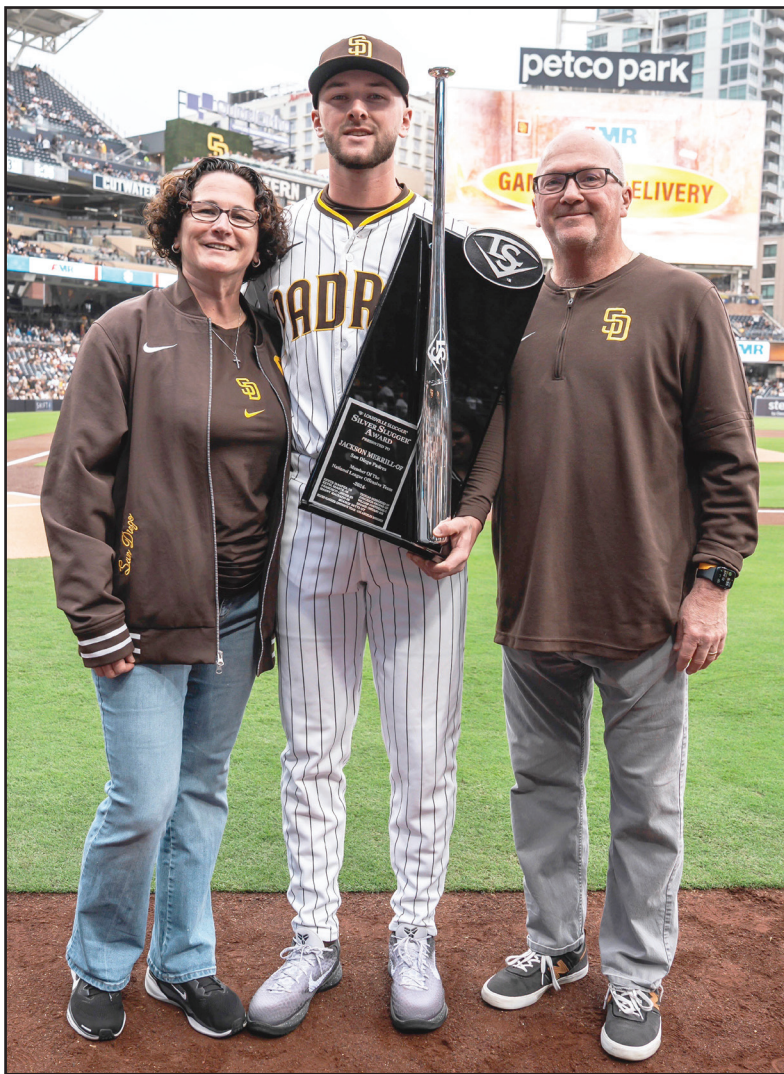

“Since our children were young, we were always on the go traveling all over the country to support their dreams.

Families would come up to us and say “boy, you’re always busy, always on a field somewhere” and we would reply, “yup, it’s Merrill Madness” and the hashtag was born!

Our mission is to help families who are always “on a field” to also pursue their child’s dream.”

A portion of every purchase on the [merrillmadness.com](http://merrillmadness.com) website will go towards getting children on a field, whether it is helping with equipment, or supporting their travel ball expenses so that they too can participate in the game of baseball and share their talents.

**Addison Area Food Pantry Loses Freezer But Doesn't Lose Hope**  
On 6/27 during a routine check on the pantry, it was found that our small freezer had quit working and so all of its contents had gone bad. To see us lose all of that food was devastating. All I could think was all of the families that would potentially go without. The very next day was our normal scheduled pantry day and I didn't know how we were going to get the mess cleaned up, the smell gone, and still be able to operate for the community within less than 24 hours. Thankfully Abigail Freeman and Lilly Radka stepped up and got the worst part of it cleaned up and the food thrown out. I posted about our predicament on the Pantry's Facebook page and I was not prepared for the generosity that was shown! By the next morning Hope and Jeff Wheaton reached out to me and offered to purchase the pantry a new stand up freezer! They came right down to the pantry, took measurements and off they went to the store to get it! Scott Towner donated \$500, Tina and Jr Proulx \$100, and even my wonderful neighbors the Doty's left money on my door to help offset the cost of the food we lost. I cannot express how much we appreciate them! My father, Kevin Shorthouse, Diane Hubbard, Angela and Morgan Leach, all helped with more of the clean up that was needed prior to the new freezer coming and without every single one of them we never would have been able to be open for people to access food that day. Many thanks go to Lori Bennett, Amie Sorel, Kathy Rapisarda for being there to help the community members still get access to food amidst the clean-up going on! It never ceases to amaze me how such a small village can come together in such a monumental way. Thank you to everyone for continuing to support the pantry in all the ways you do. Even if it's sharing our Facebook page or telling someone you know about us. Every bit helps us to be able continue to serve the public. Blessings from The Addison Area Food Pantry a ministry of The Church of the Redeemer, Addison, NY.

### Take Care

**Submitted by Sharon Calkins**

(7/10/25) As your house needs constant care, so do you. Houses need paint, siding and windows among other things. Otherwise they will crumble and fall apart. We need to keep God's love and Word in our hearts. Otherwise we will give in to sinful habits and then we, like our houses, will be in bad shape. As David, Joseph, Ruth and others relied on God, we should, too. Read your Bible, go to Church and be a witness to others. Let them know that God loves you and them.

### Communion Sabbath

Pastor Logan Curran will be sharing with us from God's Word. The congregation will be sharing Communion together during worship. Come and find your Sabbath rest and hope in Jesus. ## LibraryWise: Greenwood Reading Center

Welcome back, Friends! Have you ever gotten something for a specific purpose, but then discovered that it was better used for something else? Listerine, for example, was originally invented as a surgical antiseptic, but someone decided that it would work better as mouthwash. Thankfully, the flavor has improved in the interim. Bubble wrap was invented as textured wallpaper. Also thankfully, we appear to have better taste in interior design than in the late 1950's!

Aside from the old switcheroo, there are the commonplace items that began as a fantastic failure, as originally intended; silly putty, for example, was intended to be synthetic rubber, but researchers could never get it to retain a usable shape. It makes a rather fun toy, however, and turned out to be quite useful in space! Here at the reading center, what had been intended as an outdoor reading attraction, has turned out to be an indoor infants' and toddlers' adventure!

If you have very young children- or grandchildren- then you are welcome to bring them by on Friday, July 11 during regular hours for a short 'read with me' experience. Very sturdy board books mean that tiny hands can 'read' along without fear of damaging anything while the adults read along as well. Though babies can't read or understand certain concepts, having regular stories and word games allow them to add words to their vocabularies. Readers aren't born, they're made!

July calendar items: Library Board Meeting on July 21 at 7:00pm, Mystery Meal on July 24 at noon, in the Community of Christ fellowship hall.

If you haven't stopped in to Make Your Mark in the bookmark coloring contest and would like to, stop in for entry forms!

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday and Friday 9:00am to 2:00pm, Wednesday 11:00am to 4:00pm. Homework Help-desk is on Mondays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! Contact us at (607) 225-4553 or [greenwoodreadingcenter@gmail.com](mailto:greenwoodreadingcenter@gmail.com).

## Woodhull Senior Citizens

A card was sent to Helen Colegrove wishing her a rapid recovery. The Maternity Oasis Mobil Unit representative had a short visit with us. They visit Woodhull now and if we had anyone that they could help, pass the word they are there. Phone number is 866-488-4743. We also had a visit from a representative from USDA Rural Development of the Home Repair Program. Grants and low interest loans are available for low and very low income households for home repairs, call 607-776-7398 ext. 4 for more information. Our next trip will be October 1st, more discussion will take place at our next meeting. The next meeting will be August 5, 2025 at the firemens field for our annual picnic and white elephant sale. See you there.

LETTER TO THE EDITOR

I am writing this letter to the Amish families of our community of Addison hoping that a few Amish people will read this letter and spread the word to their neighbors.

Saturday (July 5) started out to be a beautiful day as we had a wedding to attend in the afternoon but the morning turned out to be a nightmare. A horseshoe from a passing Amish buggy came loose and crashed through one of our windows on Front Street and into the house. The damage to the window was bad enough but the damage to the interior of the house was worse. Lots of glassware was destroyed and we are still vacuuming broken glass in the carpets.

I am not writing this letter expecting to be reimbursed for damages as I have no idea whose horse it was or how much total damages will be. I am writing to ask the Amish community to please check your horse for loose shoes before coming to town and traveling Front Street. I truly believe that if it had hit me or my wife or one of our cats we would have been severely wounded or possibly killed. This was not the first time that this has happened. A few years ago a horseshoe got wedged in the wooden slats on our front porch. Luckily it did not hit the house.

PLEASE CHECK YOUR HORSES’ SHOES BEFORE COMING TO TOWN! Thank you.

Tom & Barb Pepper

The Inspired Word of God

There is so much written in the Bible about all the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, faith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savior, Jesus Christ. God wants His people to be happy in this world and to be a shining example of His great love. True and lasting happiness is not determined by one's possessions or status in life, but by the relationship and love that they have with our Heavenly Father. The Bible tells us that the joy of the Lord is our strength, and to be joyful in hope, patient in affliction, and faithful in prayer. *Thy word is a lamp to my feet and a light to my path. R.S.V. Psalm 119:105*
