Graduation: Congratulations Class of 2026!

The 151st Addison Central School Commencement exercises were held Friday evening, June 26, 2026 at 7:00 PM at Addison High School. In the presence of family, friends and community members, 78 graduates were conferred by district administration. Salutatorian, Anna L., spoke about how her family and teachers helped shape her into who she is today. Valedictorian, Kaylee K., mixed humor with fear and excitement to speak to her classmates, including a shameless plug for the Buffalo Bills at the end. The keynote speaker, Andrew Smith, who is an Addison Central School District graduate, spoke about how his degree from Addison allowed him opportunities in the military that he never would have imagined possible. The class of 2026 consisted of 78 total graduates and 5 exchange students. Our seniors have earned 802 college credits. They have been awarded \$58,625 in scholar-

ships and awards given by the Addison community and other organizations. These seniors report that 50% will be attending college, 34% will be entering the workforce, 8% are currently undecided and 8% will be serving our country in the miliary. Once diplomas were awarded, Class President, Lilian Z. led her classmates in moving their tassels. Congratulations, Class of 2026!

District Happenings in 2026

The Addison CSD Board of Education met on June 23, 2026 for the final meeting of the 2025-2026 school year. Superintendent Peiffer and the Board of Education recognized Kaylee K. and Seth S., this year's Co-Student BOE Ex-Officio Members. Mr. Peiffer thanked them for attending the monthly Board meetings, providing student body updates as well as providing feedback and responding to questions from Board Trustees. The District thanks Kaylee and Seth for their collaboration, leadership, and willingness to participate.

Four other students were recognized by Max Young, Physical Education Teacher, for earning the Physical Education Student of the Year (Claire T. and Tyler M.-not in photo) and Health Education Student of the Year for the Central Western Zone: (Isaiah S. and Natalie C.).

The Board also recognized athlete Charlotte P. for her 3rd place finish in the NYS Section V Track State Qualifier for the Steeplechase event. (picture from left to right: Charlotte P. and Track Coach Kim Driskell).

The next Board meeting is planned for July 7, 2026 at 6:30pm in the High School Cafeteria.

On July 7, the Board will hold the Annual Organizational Meeting, followed by a Regular Business Meeting. Please be aware that the start time for the Board meetings has been adjusted to 6:30pm for the 2026-2027 school year

Senior Trip to Darien Lake

On Friday, June 12th, the senior class enjoyed an exciting trip to Darien Lake Amusement Park, spending the day riding attractions and making lasting memories together. The outing was a wonderful way to celebrate and send off the Class of 2026.

Celebrating America's Birthday

Students in Mrs. Lyons' 8th grade history classes celebrated America's 250th birthday on Friday, June 5th. The students prepared for the event by creating and displaying birthday cards for America. They also assembled and colored an "America 250" banner and made various decorations, including red, white, and blue paper chains and birthday party hats. The celebration culminated in an outdoor event with birthday cake and fun activities. Thank you to Mrs. Lyons for organizing this amazing event.

Tuscarora Field Day

Field Day was checked off the list for the 2026 school year! Field Day had a couple hiccups with weather during the day, but thanks to the teamwork, flexibility and positive attitudes of our staff, students, and volunteers, we were able to successfully complete both the k-2 and 3-5 Field Day sessions with lots of fun activities and stations. A special thank you to our PTA for providing the inflatables and freeze pops helping make the day extra memorable for our students. Smiles, laughter, and excitement made it a wonderful day for everyone. Thank you to everyone who helped make Tuscarora Field Day a success!

Electronic Activity Board

Mrs. Ingles' and Mr. Richer's middle school classes were recently able to experience a cutting edge sports wall with GST BOCES Instructional Technology Specialist, Lisa Zimar. Students threw soft balls at objects projected on the wall to answer questions in a fun, interactive way. Our Addison students were some of the first students in the region to be able to use this new technology. Thank you, Mrs. Zimar, for coming to do this activity with our students.

Congratulations to the recipients of the Blake Memorial Scholarship of 2026. These deserving students all show what it means to "be a Blake."

Exploring 1980's Video Games in Technology Class

In Mr. Richer's Technology classes, students had the chance to explore the fun and fascinating world of 1980s video games as part of a project. They learned about the different games and the history of how video gaming began. After the lessons, they got to play some classic favorites like Mario and Pac-Man. The students had an amazing time! They loved learning about the origins of these games and then actually getting to play them, making comparisons to the video games people enjoy today.

7th Grade Sewing Project

The 7th grade Life Skills students learned a whip stitch and a running stitch while sewing a project of choice. This life skill will help students with fine motor skills as well as clothing repair. The students had some very creative projects like hand bags, pillows, and hacky sacks.

Field Trip to Woodhull

The kindergarten classes recently enjoyed a special trip to the Woodhull Playground, combining outdoor fun with opportunities for physical activity and social interaction. Students spent time exploring the playground equipment, climbing, swinging, sliding, and making new memories with classmates. The visit provided a chance for students to strengthen both their gross motor skills and communication skills while enjoying the beautiful weather. The playground, which serves as a gathering place for families and community members, was filled with laughter and excitement as the students put their energy to good use. Teachers noted that outdoor play helps children develop confidence, cooperation, and problem-solving skills while encouraging healthy, active lifestyles. The kindergarten classes would like to thank everyone who has supported the development and maintenance of the community playground. Their efforts helped to provide a safe and welcoming place for the students to learn and play.

Valley Students Receive Many Surprises in June

June brought plenty of excitement for Valley students! One highlight was a fun-filled trip to the Middle/High School auditorium for a magical performance—complete with a bunny and the special magic words, “Go Addison!” Classrooms also dove into ocean-themed learning while continuing to review letters, numbers, and all the important skills students have built throughout the year. A field trip to the Woodhull Community playground gave everyone a chance to enjoy the outdoors, topped off with refreshing popsicles.

For Father’s Day, many classes began creating thoughtful projects for the special people in their lives. Students also celebrated Flag Day with a full day of engaging activities, including a festive craft, themed snack, sidewalk chalk, bubbles, a flag hunt, and patriotic music. It has been was a wonderful month filled with learning, creativity, and fun—students truly had a blast!

Celebrating Dedication and Excellence: Journalism Students and Staff Member

At this time, I would like to take a moment to recognize and sincerely thank our incredible Journalism students whose hard work, commitment, and determination have truly made the school newsletter so successful this semester. These students demonstrated what it means to take responsibility and strive for excellence. They approached their work with focus and enthusiasm, consistently meeting deadlines and maintaining a high standard of quality. Whether working independently or collaborating as part of a team, they showed resilience, organization, and a willingness to go the extra mile.

Meeting deadlines is more than just finishing on time—it reflects planning, discipline, and respect for shared goals. By staying on track and keeping commitments, these students helped create a positive and productive environment for everyone involved. The students in the class, though few, had strengths in different areas and exhibited them in a variety of jobs that are required when creating the newsletter: writing emails to discover news and events in the schools and community, writing and editing articles, editing and revising drafts, taking pictures of events around the school and community that highlight student learning, editing and positioning images to fit in different places within the document. Most of all, they encouraged each other and worked together to meet weekly deadlines and produced many amazing newsletter editions. I am especially proud of the way they supported one another. Encouraging peers, sharing ideas, and contributing to a sense of teamwork helped build a stronger community and made the experience more rewarding for all. Their positive attitudes and perseverance served as an example to others and reinforced the values we strive to promote.

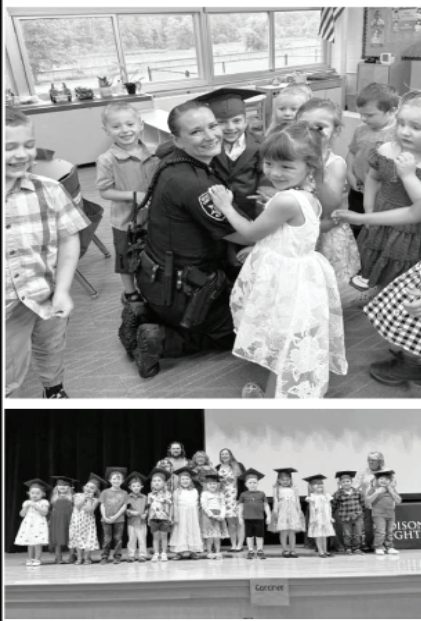

To each of these students: thank you. Your diligence, responsibility, and hard work have set a standard worth celebrating. You have shown that success is built not only on talent but on consistent effort and a commitment to growing every day. Keep up the outstanding work—you’ve truly earned recognition and appreciation!

Valley Graduation

Pre-K-4 students had their moving up ceremony on June 22nd. Students welcomed everyone with the Pledge of Allegiance, Knights Honor Code, and The Valley Song. Each class sang a song and then received their certificate. The ceremony ended with a group song. Also, on June 23rd, students took a trip

down to the Dairy Barn. Each student and staff member got an ice cream treat. The students even got to help scoop their own ice cream. It was a wonderful experience for them. Thank you, Dairy Barn! Also, Deputy McCoy came to visit and attend the moving up ceremony. The kids were so excited

Summertime

Summertime means putting away the heavier clothing and looking forward to short sleeves and warmer weather. Some of the things that I enjoy about summer are the longer hours of daylight, washing my car in the backyard, cutting the grass, talking to neighbors and just being outside enjoying the pleasant weather. The summer months can be sweltering at times, but all and all, it usually is a pleasant time of the year. As one gets older, it seems that the summers get shorter. They say that time is relative, and the older we get, the faster time appears to go. Keeping this in mind, we should plan to enjoy all that the summer has to offer: go on some picnics; plan a few trips; go swimming; play some golf or tennis. The Bible tells us that everything that God has created is good; nothing is to be rejected, and everything is to be received witha prayer of thanks (1Timothy 4:4). We thank God for summer, and for all the seasons of the year, and we ask His blessing and peace on all of us.

In the name of our Lord Jesus Christ, always give thanks for everything to God the Father.
Good News Bible Ephesians 5:20
