Letter To The Editor

The Village Board voted not to move forward on the dissolution of the Village for one reason or another. Let's play the "What if" game. If the Town Board was controlled by the Village, do you think they would put it up for vote? If they did, it would mean a tax break and control over some of the perks. What bothers me is that we can't get anyone to run for the Village Board, let alone the Town Board.

I have a copy of the 2026 tax levy and the tax rates are based on the 2025 assessments.

Town levy is 193487.48. Meaning the tax rate per thousand was \$5.15. Now it has dropped to \$3.21. Village levy is 236,438.40. Meaning the tax rate per thousand was \$2.84. Now it has raised to \$3.21. I was at a village board meeting and ask why the tax rate for town and village was the same. At the meeting, there was a representative for the town and they stated it was mandated. So I sent a FOIL for the information where it states it is mandated. I received the information back that stated there was nothing about it being mandated. So I have come to the conclusion that rate became equal at the Town Board's decision. So, if you do the math, you can see by the change in rates, the village is paying the lion's share of the Town Board's budget. And as a result, we get nothing for our investment.

Born in Harrisburg, Pennsylvania, Karen lived a life defined by compassion, kindness, and an unwavering devotion to her family and those she served. She dedicated many years of her career as a physical therapist at the Canandaigua VA Medical Center, where she found great purpose in helping veterans regain their strength, mobility, and independence. Her gentle spirit, patience, and genuine care made a lasting impact on the lives of countless patients. Karen found great joy in tending to her beautiful gardens and spending summers camping along the shores of Lake Ontario with her beloved husband, Charles. Those cherished days, surrounded by nature and laughter, became some of her happiest memories.

Above all, Karen treasured her family. She is lovingly remembered by her daughters, Richelle Tighe and Korryn Warner; her son-in-law, Eric Tighe; her grandsons, Declan Tighe and Liam Tighe; her sisters, Jeanna Ruter and Barbara Kurth; her brother-in-law, Bob Ruter; her sister-in-law, Donna Dewey; as well as several beloved nieces, nephews, and cousins.

Gerald Lynn (Gerry) Loghry

Gerald Lynn “Gerry” Loghry passed away on July 10th, 2026 at the age of 87. Born on September 29, 1938 to parents Lynn and Mildred (Shattuck) Loghry, Gerald was born at home in the Town of Cameron, New York where he resided all of his life in the Oregon Community. Gerald was honored by his family as his final wish was to be at home on his beloved farm for his passing with his family.

He married his wife Sylvia Barnard Loghry on February 23, 1958 and together they established East View Farm on the homestead of his birth. They were blessed with three children, Curtis Loghry, Sheryl Loghry Badeau (Johnny), Denise Loghry Keeler (Jerry). On February 8th, 2023 the family mourned the passing of the first-born daughter Sheryl Loghry Badeau. Gerald is survived by his immediate family and five grandchildren; Ryan (Becky) Badeau, Nick (Katie) Badeau, Chelsey Keeler Shonio (Spencer), Megan Loghry (Cameron), Morgan Loghry Cain (Brian) and three great grandchildren, Emma Badeau, Tyler Badeau, Arizona Cain. A sister, Lucille Loghry Schuhardt-DeSerio, and nephew Greg (Julie) Schuhardt and family

In addition to several dear brother and sister-in-law’s, along with many nieces and nephews, family mattered the most to Gerald. He enjoyed a life filled with neighbors and friends whose caring thoughts were so appreciated as he persevered over many years of physical hardship and pain. The family wishes to acknowledge a special appreciation for the many medical professionals at Keuka Family Health (Dr. Dennis O’Connor and staff) and the Care First staff of Nurses and Care Givers for their professional and caring services.

Gerald was a proud graduate of Haverling Central School, class of 1956 and was always interested in updates on his classmates’ lives and accomplishments.

His life was leading by example and his love of family time, nature, hunting, and farming with his wife Sylvia and son Curt was what he enjoyed most as they built together “East View Farm”.

In 1978, Gerald envisioned a swamp area on the farm to become a family five-acre pond with a cabin and pavilion. Gerald and Sylvia succeeded in providing many wonderful family memories as “pond time”. Sylvia’s (Pinky’s Pond Sauce) BBQ chicken recipe, hot dogs a” little burnt”, roasting marshmallows for smores with all his grandchildren and family gathered around, along with celebrations for many holiday occasions. Together at “the Loghry Pond”, Gerald and Sylvia bonded the family with memories of picnics, playing games, enjoying the grandchildren, neighbors, boating, water skiing, fishing, campfires and just being together.

Gerald and Sylvia along with their son Curt, gained the accolades for the “East View Farm” as a New York State Farm Bureau “Dairy of Distinction”. Gerald was an active and interested Board Member for the Town of Cameron for many years. In addition to serving on many Steuben County Agricultural Committees, he also served as an Agway Farm Committeeman.

He had a passion and deep appreciation for the “Oregon Hill Community” and the “Oak Hill neighborhood”. As a Board Member of the “Oregon School House of 1869”, Gerald held in high regards the importance of keeping close to the neighbors and fellow farmers, keeping the community together and helping each other. His appreciation for friends extended far and wide from the folks at Cameron Mills Market, Keeta’s breakfast diner, to the Amish Community, to his neighbors, each were special friends and Gerald had a great appreciation for them. The family wishes to thank all those who brought in food and stopped in for visits. A special mention to the neighbors, Buena Vista Church outreach program, and a special appreciation to Mike and Ursula Smith for their “family approach”, kindness and friendship to the Loghry family.

The family will receive friends from 3-5 pm Saturday July 25, 2026 at the Buck Settlement Baptist Church, 5349 Buck Settlement Rd. Bath, NY, where a memorial service will take place immediately following calling hours at 5:00 pm with the Rev. Greg Ferguson officiating.

In lieu of flowers, donations in Gerald’s memory can be made to the Buck Settlement Church, 5349 Buck Settlement Rd. Bath, NY 14810 or Care First, 3805 Meads Creek Rd. Painted Post, NY 14870.

Arrangements are in care of the H.P. Smith & Son, Inc. Funeral Home in Canisteo.

Nat King Cole put out a song called Those Lazy, Hazy, Crazy Days of Summer. Somehow, I don’t think he had anticipated just HOW hazy our crazy summer days would be! If the terrible air quality lately is keeping you locked inside, it is the perfect time to sit with a good book! Reading books, fiction or nonfiction, is a good way to keep your mind sharp and your attention span from rotting, unlike doom-scrolling social media, or flipping through the television channels. Anyway, wouldn’t it be better to get involved with something with a happy ending, instead of watching the news?

The Wisdom of Age

by Muriel Richards

Continued from last week

I found this qualified criticism of my face rather disconcerting. But only to a limited point. As the adage, “Every cloud has a silver lining” states, my being legally blind has saved me from noticing every possible wrinkle, every bit of skin dullness on my almost sixth decade old face. I curtly reminded my niece of this fact. Amanda retorted, “But you are not surrounded by other people who are legally blind! Do you want others to look at you with disdain, to snicker and call you ‘maze face’ behind your back?” I took as deep a breath in as my aging, asthmatic lungs would allow. Time for me to impart some of my hard-earned wisdom to my jejune niece. “Amanda, I can no longer see faces, so I would not be aware of anyone looking at me with ‘disdain.’ And I have earned every wrinkle, every bit of skin tone dullness that might appear on my face. I am not ashamed of no longer beine the belle of the ball. Of course, for a sense of pride, I would, if financially possible, wear clothes more flattering to my, as you have already referenced, more than ample girth. Have my hair and make-up professionally arranged for special occasions. And while at my age, my face might need more paint than is on the ceiling of the Sistine Chapel to scale back the tolls Old Man Time has extracted on my face, I am sufficiently wise enough at this stage in life to possess a visceral comprehension that one’s worth and happiness need not come from a cream or out of a jar. Besides, in this day and age, sixty years old is not terribly chronologically advanced. My other father (I am blessed to have two men love me as a daughter, while some are rejected by their father) celebrated his eighty-fifth birthday last month.” Amanda was silent for a moment before replying, “I can see your point. Okay, no salmon sperm injections for you. But let’s compreamise. Please refrain from donning those 1980s sparkle tops that you like. Just waaaay too vintage!” I agreed to wear said tops a tad less. Amanda then said, “Well, I think that I better go now. Touch the grass.” “Touch the grass?!?” I exclaimed. “Amanda, if I bend down to ‘touch the grass,’ it is highly doubtful that I will be able to arise without assistance!” But all I heard was a dial tone in response.

Summertime

Summertime means putting away the heavier clothing and looking forward to short sleeves and warmer weather. Some of the things that I enjoy about summer are the longer hours of daylight, washing my car in the backyard, cutting the grass, talking to neighbors and just being outside enjoying the pleasant weather. The summer months can be sweltering at times, but all and all, it usually is a pleasant time of the year. As one gets older, it seems that the summers get shorter. They say that time is relative, and the older we get, the faster time appears to go. Keeping this in mind, we should plan to enjoy all that the summer has to offer: go on some picnics; plan a few trips; go swimming; play some golf or tennis. The Bible tells us that everything that God has created is good; nothing is to be rejected, and everything is to be received witha prayer of thanks (1Timothy 4:4). We thank God for summer, and for all the seasons of the year, and we ask His blessing and peace on all of us.

In the name of our Lord Jesus Christ, always give thanks for everything to God the Father.
Good News Bible Ephesians 5:20
