Addison Central School District opens new Transportation Building

The Addison Central School District hosted a ribbon cutting ceremony for its new Transportation Building on Wednesday, June 25.

Superintendent Jim Peiffer welcomed guests and acknowledged the significant contributions of former Superintendent Joe DioGuardi, who played a key role in the planning of the district's facilities improvements prior to his passing in 2022. The new Transportation Building was part of a capital project approved by voters in May 2022. In a heartfelt moment, DioGuardi's daughter, Meghan, was joined by past and present faculty and administration, construction partners, and the Board of Education President Marty Wheeler, to cut the ribbon and officially "open" the facility. President Marty Wheeler shared remarks, expressing pride in the district's investment in a state-of-the-art facility designed to support safe and reliable student transportation. Representatives from SEI Design Group and Campus Construction also spoke, noting that Addison's new facility has become a showcase project that has garnered recognition across New York State.

The new Transportation Building features three maintenance bays to service the district's bus fleet and enhance safety for student and staff transportation. It also includes a training room large enough to accommodate all transportation personnel for meetings and professional learning.

Village Of Addison Holds Informational Meeting On Potential Dissolution

Last Thursday, June 24 the Village of Addison held a special meeting to discuss the preliminary steps toward potentially dissolving the village government. Representative, Paul Bishop from CGR (Center for Government Research) based in Rochester was in attendance to explain the process and answer questions from some 35+ village residents and officials.

It's important to note that this was not a meeting to vote on whether a study should be conducted, but rather an opportunity to understand what such a study entails and how it would be properly carried out.

During the informative session, the CGR representative outlined the procedures involved in a dissolution study. According to their estimates, conducting a thorough and accurate study would cost a substantial amount and require the investment of time and resources.

There are two ways the study could be initiated: either the village board may choose to move forward with commissioning the study on its own, or a petition from village residents could prompt the same action. Based on the discussion and tone of the meeting, it appears likely that the board may opt to proceed with the study independently in the future, without the need for a petition.

The meeting provided residents with greater insight in the dissolution process and opened the door for ongoing conversations about the village's future governance.

Middletown Historical Society's Annual Northrup Schoolhouse Picnic

Date: Saturday, July 12, 2025

Location: Northrup Schoolhouse, Learn Road, Town of Rathbone

Time: Lunch at Noon

Join us for a day of community, history, and fun at the historic Northrup Schoolhouse! Bring a dish to pass for our shared picnic lunch and don't forget your own lawn chair for comfort. The schoolhouse will be open for touring, so you'll get a chance to step back in time and experience this cherished piece of local history.

We'd love to hear your stories! Did someone in your family attend the Northrup Schoolhouse? Do you have old photos, report cards, or memorabilia to share or donate to our museum? These treasures help us preserve the legacy of the schoolhouse and the people who made it special.

Looking ahead, the Northrup Schoolhouse will also be open on October 11th and 12th as part of the Museum Trail event. This year's theme is "Our Schoolhouses," and we're excited to celebrate this historic landmark with the community once again.

Mark your calendars and join us for a wonderful day of history, food, and fellowship!

Questions 607-542-7720 or 607-769-0419.

NOTICE

Due to the holiday the Fish Fry will not be held at the Addison Eagles Club on Friday, July 4th.

MUSIC IN THE PARK RETURNS TO ADDISON FRIDAY, JULY 11

Get ready for a summer evening of fun, food, and fantastic tunes as Music in the Park kicks off Friday, July 11 in downtown Addison! This beloved community event is hosted at the stage on Valerio Parkway and promises something for everyone.

The evening's entertainment features the lively sounds of Doc Possum, performing from 6:00 – 9:00 p.m. Whether you're a die-hard fan or hearing them for the first time, their high-energy show is sure to get the crowd moving.

The village's favorite food vendors have you covered: Addison Masonic Lodge, Addison Fire Department, Middletown Historical Society, Episcopal Church of the Redeemer, Putnam Concessions and Armstrong Telephone serving up all kinds of delicious foods and treats for your enjoyment.

Family fun includes: games for the kids, glitter tattoos by Heather, also 50/50's raffles to help support the event and more.

Bring your lawn chair and join us for a night of music, food, and fun! All are welcome! Let's celebrate summer – Addison style!

Dear Editor Electric Power

Since I submitted my last letter Governor Hochul announced she is going to build a new nuclear power plant in upstate NY. The new plant in South Carolina not only took 7 years to build but with huge cost overruns 37BILLION DOLLARS. With inflation a new plant will cost at least 50 billion. Now the tripling of the charge for electric power from Niagara Falls makes sense as she will pay for this plant on the backs of upstate New Yorkers.

There are other much less expensive options. She could reopen the Indian Point nuclear power plants she ordered closed a few years ago like PA is reopening the Three Mile island plant. She could build a dam at the base of the Niagara River Gorge, without affecting the falls, and generate the power produced by 5 nuclear power plants. She could permit the drilling of new gas wells in upstate NY and generate the power cheaply that way.

Clearly she has no problem with the pollution of our well water by fracking as she is shipping Long Island's sewage full of terribly toxic PFAS "forever chemicals" up here and spreading it on our farms that tests in Rathbone, Bath and other area towns show has already contaminated our wells with 8 times the federal limit for those chemicals. To Governor Hochul and her Democrat Party upstate people are simply slaves to use and discard! It is time to rebel. It is time we seceded from the control of the New York City elites. It is time we, like the people of West Virginia, become the State of West NY.

Joyce L. Allington

Joyce L. Allington, 88, of Woodhull, passed away on Tuesday, June 24, 2025 at the home of her daughter in Greenwood where she had resided for the last three years.

Joyce was born in Elkland, PA on October 12, 1936, the daughter of the late Gaylord E. and Dorothy L. (Burr) Colvin. She was a 1954 graduate of Woodhull High School. Following high school, Joyce attended the Hornell Business School.

On August 24, 1957, Joyce and Joel W. Allington were married at the First Baptist Church of Woodhull. Joel preceded her in death on January 26, 2020.

As a young woman, Joyce had worked as a dental assistant for Dr. Ralph Vona in Addison. She and Joel operated the Red & White Store in Woodhull for a brief time.

Together, they also were the original popcorn concessionaires at the Woodhull Raceway, operating their stand for over 50 years.

Joyce had a long career as a bank teller for Community Bank NA, working until retirement in the Woodhull location.

Joyce was very involved in her community. She was the treasurer for the Woodhull Community Church for 15 years as well as having held that position for the former MacDonald Guild in Woodhull, the Mary Hoare Scholarship Committee of the Woodhull Alumni Association and also treasurer for the American Baptist Women of Steuben Assoc. She was a lifelong devoted member of the First Baptist Church of Woodhull and was an active choir member.

For many years, Joyce acted as a voting inspector for the town of Woodhull as well as the Woodhull Fire District. She served as deputy town clerk for the Town of Woodhull for 10 years. Joyce was always kind and respectful to all that she encountered and was a very loving wife, mom, grandma and sister.

Joyce is survived by her children and spouses, Brian and Rae Allington of Woodhull, Darlene and Tom Wright of Addison and Rita and Shawn Patterson of Greenwood, her son-in-law, Chris Woodworth of Cameron Mills, 12 grandchildren, 18 great grandchildren, her sisters, Jean Wheatcraft of Lakeland, FL, Judy (Seward Dean) Heckman of Springwater and Linda (Danny) Calkins of Bedford, VA and several nieces and nephews.

Besides her husband Joel and her parents, Gaylord and Dorothy Colvin, Joyce was predeceased by her daughter, Sheila Woodworth on January 20, 2023, by her grandson, Jeremy Patterson and by her brothers, Roy Colvin, Paul Colvin and Warren Colvin.

Friends may call on Friday, July 11 from 11 am to 1 pm at the Woodhull Community Church, W. Main St. Woodhull. A memorial service will follow there at 1 pm with Pastor Brian Diffenbacher officiating. Burial will be in Woodhull Cemetery. Arrangements are in care of the H.P. Smith & Son Funeral Home in Woodhull.

Robert Babcock Sr.

Robert Babcock Sr., 71, of Woodhull New York passed away on June 29, 2025, at the Robert Packer Hospital in Sayre Pennsylvania. He was the youngest child of Ralph and Eunice (Fuller) Babcock.

He was born and lived his early years in rural Pennsylvania, where he met his wife Lucinda Aldrich and they married on September 25, 1976. They later moved to New York and raised their four children. After Lucinda’s death in 2016, Robert settled in Woodhull New York where he would enjoy sitting on the front porch of his apartment with a wave and a hello for anyone who passed by while drinking his favorite beverage. He was known for driving around on his lawn tractor willing to mow for anyone or just converse with whoever was available. Being around people was a great joy for him.

Surviving Robert are his children Becky McIntyre (Shawn Sullivan) of Addison, Ronald (Tabitha) Babcock of Wayland, Kelly (James) Schoonover of Hornell, Robert Jr. (Chelsea) Babcock of Bath; sister Leola Brown (Joseph Heath) of Hornell; 23 grandchildren, and 16 great grandchildren.

Besides his parents and wife, Robert was predeceased by his daughter Christina Babcock, along with several siblings. A time for visitation was held at the H.P. Smith & Son Inc. Funeral Home in Woodhull, New York on Tuesday, July 1 from 4pm-6pm.

Freedom

Submitted by Sharon Calkins

(7/3/25) As we celebrate the 4th of July and our freedom, let us not forget the freedom from sin that Jesus gave us when He died on the cross. Some of our soldiers died for our freedom, and I’m not trying to make light of the fact that they died, but Jesus died for us all. Even the ones that our soldiers are fighting against. Jesus loves all, no matter who we are or what we’ve done. To show our appreciation is to love Him and others as He loves us. So as we celebrate, let’s fly our flag, honor God and thank Him for our freedom from sin.

Notice of Public Hearing Town of West Union

The Town of West Union will hold a public hearing on July 17, 2025 at 6:00pm at the Town Hall, 1328 State Route 248, Rexville, NY 14877 for the purpose of hearing public comments on the Town of West Union’s community development needs, and to discuss the possible submission of one or more Community Development Block Grant (CDBG) applications for the 2025 program year. The CDBG program is administered by the New York State Office of Community Renewal (OCR) and will make available to eligible local governments approximately \$100M for the 2025 program year for housing, economic development, public facilities, public infrastructure, and planning activities, with the principal purpose of benefiting low/moderate income persons. The Town of West Union is applying for \$50,000 in CDBG funds for preliminary engineering design and cost estimates for improvements to the Rexville Water System. The hearing will provide further information about the CDBG program, including progress towards beneficiary goals and program objectives, and will allow for citizen participation in the development of any proposed grant applications and/or to provide technical assistance to develop alternate proposals. Comments on the CDBG program or proposed project(s) will be received at this time. The hearing is being conducted pursuant to Section 570.486, Subpart 1 of the CFR and in compliance with the requirements of the Housing and Community Development Act of 1974 as amended.

The Town Hall is accessible to persons with disabilities. If special accommodations are needed for persons with disabilities, those with hearing impairments, or those in need of translation from English, those individuals should contact Randy Heckman at 607-329-7363, at least three days in advance of the hearing date to allow necessary arrangements. Written comments may also be submitted to Randy Heckman at the Town Hall until July 21, 2025.

LibraryWise: News and Notes from the Greenwood Reading Center

Happy Independence Day! Two hundred, forty-nine years ago, on July 4, 1776, the Declaration of Independence was signed, first and most notably by John Hancock, who then reportedly stated, ‘there, King George should be able to read that!’ To which Benjamin Franklin replied, ‘the king should be able to read that without his spectacles.’

How about you? Do you struggle to ‘read without your spectacles?’ If so, we have a substantial collection of Large Print books to enjoy, with more on the way! Even if you don’t need a pair of specs for reading, the larger typeface and more generous line spacing can benefit readers who struggle with reading for other reasons. Why not try a Large Print book and see the difference for yourself?

Our July Story Walk is here! Even if you don’t have little ones with which to enjoy it, you are welcome to take a stroll down the sidewalk next to the library and have fun with the whimsy of Brown Bear for yourself.

The next Library Board meeting is scheduled for July 21 at 7:00 pm here at the reading center, and the next Mystery Meal is set for July 24 over at the Community of Christ Church at noon. As always you are more than welcome to join us!

FAQs: Our hours are Monday 2:00-7:00pm, Tuesday and Friday 9:00am to 2:00pm, Wednesday 11:00am to 4:00pm. Homework Helpdesk is on Mondays. We have free internet use via Wi-Fi or public-use computers, fax capabilities and can make copies for a small charge. Yes, you can find us on Facebook! School Year 2024-2025 July 3, 2025 Issue 15 Page 1 of 4

Congratulations to the Addison High School Class of 2025!

Graduation was held at Addison High School on Friday, June 27th at 7:00 PM. True to tradition, the school did its best to keep the graduation ceremony outside, despite threats of bad weather. This was a very special graduation as it was the 150th graduation celebration at Addison High School. Nicholas W. led the students in the pledge of allegiance. Nick is scheduled to enlist in the United States Air Force after graduation. The National Honor Society members then sang "The Star Spangled Banner." Valedictorian, Sarah M., and Salutatorian, Sydney R., gave their personal graduation speeches. Sarah advocated for students to have a voice and use it whenever necessary for what is right and to go after what you want in life. Sydney spoke on the importance of developing yourself and continuing to be the best version of yourself. Two past graduates of Addison High School gave their keynote addresses. Mr. Howe, Interim Principal, read the awards, scholarships and many accolades that the class of 2025 has accrued. Among these are: Sarah M., Katie M. (Addison Area Merchants Award), Emily O. (Addison Music Boosters), Naomi H. (Addison Choral Award), Skylar H. (Addison Drama Award), Sarah M., Zane S. (Addison Union Lodge #118), Sydney R., Sarah M. (ATA Scholarship), Andrew J., Ryan T., Marshall O., Chase A., Lilian N. (Blake Driskell Memorial), Skylar H., Sarah M., Lilian N., Emily O., Kayleigh R. (Clarence & Maynarda Moore), Renae K. THE ADDISON CENTRAL SCHOOL DISTRICT BOARD OF EDUCATION (BOE) WILL HOLD THEIR ANNUAL ORGANIZATIONAL MEETING ON TUESDAY, JULY 8, 2025 AT 6:00 PM IN THE HIGH SCHOOL CAFETERIA. A BUSINESS MEETING WILL BEGIN IMMEDIATELY FOLLOWING THE ORGANIZATIONAL MEETING.

Addison Central School District Opens New Transportation Building

The Addison Central School District hosted a ribbon cutting ceremony for its new Transportation Building on Wednesday, June 25. Superintendent Jim Peiffer welcomed guests and acknowledged the significant contributions of former Superintendent Joe DioGuardi, who played a key role in the planning of the district's facilities improvements prior to his passing in 2022. The new Transportation Building was part of a capital project approved by voters in May 2022.

In a heartfelt moment, DioGuardi's daughter, Meghan, was joined by past and present faculty and administration, construction partners, and the Board of Education President Marty Wheeler, to cut the ribbon and officially "open" the facility. President Marty Wheeler shared remarks, expressing pride in the district's investment in a state-of-the-art facility designed to support safe and reliable student transportation. Representatives from SEI Design Group and Campus Construction also spoke, noting that Addison's new facility has

become a showcase project that has garnered recognition across New York State. The new Transportation Building features three maintenance bays to service the district's bus fleet and enhance safety for student and staff transportation. It also includes a training room large enough to accommodate all transportation personnel for meetings and professional learning.

NED visits Tuscarora Students

On June 9th, the NED's Mindset Mission visited Tuscarora students. NED and the students took a journey to find their positive mindset. The presentation by NED was filled with storytelling, humor, illusions and amazing yo-yo tricks where kids learned the hidden message in NED's name: N-Never give up, E-Encourage others, D-Do your best. The students learned that a yo-yo is a powerful mindset tool and a tangible reminder of NED's messages. While learning to yo-yo, students will make mistakes, try again and improve. Developing and keeping a positive mindset is a great way to predict a successful future.

Trooper Salyerds and Trooper Gardner came in to talk with 6th grade students about the K9 Unit and what goes into training K9 partners. At the end of the presentation, the students got to meet Trooper Gardner's K9 partner: AJ.

Meaningful Work Program at Tuscarora Elementary School

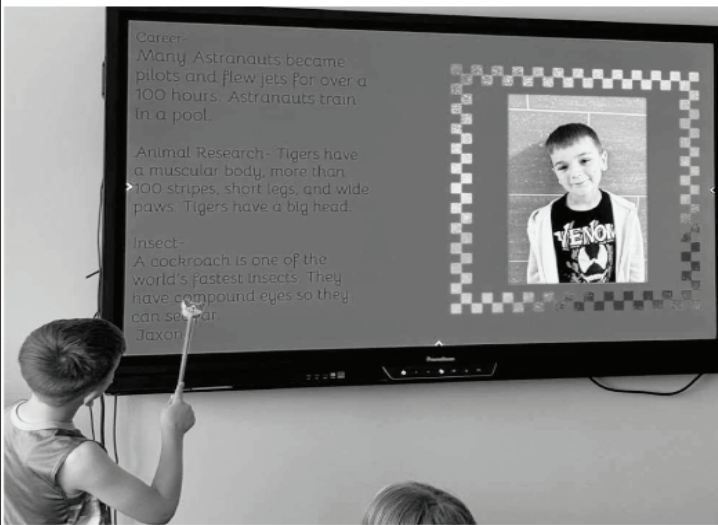

The meaningful work program at Tuscarora had a successful first year of implementation. Mrs. Richmond, Assistant Principal at Tuscarora said, “At Tuscarora, we want our students to have positive experiences as leaders and contributors to our school. When children have the opportunity to assist in making this the best place it can be, they feel ownership and pride in our collective goals and successes. Such experiences help create responsible, caring and dependable young people.”

Tuscarora staff creates a variety of helping positions for students to choose. Interested students complete an application and go through an interview process. Students in grades K-5 are encouraged to apply. There were 23 positions that were filled by the students this year. “We are so proud of the contributions they made,” Ms. Richmond stated. Students that participated were given certificates with a specialized note from their Supervisor.

Writing Project 2025

Students in the second grade team at Tuscarora participated in a writing project. Students proudly presented their writing from the year. They shared their research on animals, insects, careers, and a special poem they each wrote. Each student did an amazing job showcasing all of their hard work and growth. Ms. Hamilton and Mr. Davis are very proud!

Valley Early Childhood School

The Valley celebrated the 3-year-old students in a moving up ceremony. They also held the 4-year-old graduation/moving up ceremony. It was a great last week of school full of fun. The students even had a surprise ice cream truck visit. The Valley staff and students wish everyone a fantastic summer!

Middle School Art Project
In 6th grade, Ms. Buchanan likes to enjoy the last few days with students doing art activities outside. Unfortunately, with the heat wave this year, it wasn't safe to be outside with students. Instead, the students created chalk paintings on textured canvas paper. They really enjoyed creating their own unique compositions and working together in this medium.

Congratulations to the new Hall of Fame Inductees 2025: Makenzie Wooldridge, Frank Bielski and 2015 Softball State Championship Team!

Jennie Mose Family Resource Center
All our services are **free** and all are **welcome!**

Everyday Offerings During Open Hours
Play with Purpose
Our centers are each set up to engage the imagination and encourage exploration. Parent/caregivers and their children can explore dramatic play, block play, cars and trucks, create beautiful works of art, read stories together or enjoy one of the many other areas at our Family Resource Centers. During our Drop-in Play hours we help provide the materials, a safe, friendly warm and welcoming environment where you can find support from our caring staff and other parent/caregivers.
Gross & Fine Motor Activities
It's time to get those large muscles moving! It takes lots of practice to perfect our coordination skills so we can learn to rollover, sit up, crawl, walk, run, climb and eventually ride a bike. You can always find gross motor opportunities at our centers varying for the developmental ability of your child.
The precise movements it takes for a child to pick up a cheerio, write their name or learn to cut are developed through fine motor activities. We are conscious at our centers in making sure we provide lots of materials and opportunities for children to build these muscles and "fine" tune these skills.
Sensory Play
Children learn so much through their 5 senses: touch, sight, hearing, smell and taste. Sensory play will focus on developing one or multiple senses.
Special Events & Activities
Storytime
Storytime encourages skills like language and literacy, plus cognitive development and social emotional growth.
Tuesday June 24th @ 10:30 a.m.
Music and Movement

The Inspired Word of God

There is so much written in the Bible about all the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, faith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savior, Jesus Christ. God wants His people to be happy in this world and to be a shining example of His great love. True and lasting happiness is not determined by one's possessions or status in life, but by the relationship and love that they have with our Heavenly Father. The Bible tells us that the joy of the Lord is our strength, and to be joyful in hope, patient in affliction, and faithful in prayer.

Thy word is a lamp to my feet and a light to my path. R.S.V. Psalm 119:105
