

# ACTIVEFLOAT™

## PRESSURE CARE OVERLAY

**Superior pressure relief.  
Comfort that moves with you.**

The Icare ActiveFloat™ Pressure Care Overlay is designed to provide added pressure relief and comfort on an existing mattress.

### HEAT & PRESSURE SENSITIVE

This overlay is heat and pressure sensitive causing them to soften around pressure points and inflamed areas.

ActiveFloat™ is a high grade of elastic type foam that is responsive to a temperature around inflamed areas. ActiveFloat™ will become softer as pressure point, it will always soften and allow the blood to circulate freely.

### PRESSURE CARE

#### Risk Category

**High**

This rating is based on our average peak pressure of <16mmHg. For some high risk clients Icare Zerotec covers are recommended.

Icare risk category ratings are based on average peak pressure, Therapist recommendation, case studies, industry comparison and the Waterlow scale. For more information refer to the Icare pressure care manual.
