QMS DELUXE PILLOW TOP MATTRESS

Tencil Fabric

Made from natural cellulose found in wood pulp. This fibre absorbs 50% more moisture than cotton and is naturally antibacterial.

True Edge & Foam Box

Strengthened side wall system provides more support and less sagging towards the edge, allowing you to comfortably sit on any side of the bed whilst ensuring a firm surface.

Quilted Poly Fibre Layer

Quilted with 300g of premium poly fibre to enhance softness and loft, creating a plush, cloud-like surface for greater comfort and support.

True Flex Mini 5 Zone Pocket Coil

5 Zone pocket coil spring system provides optimal support and relief for your entire body. Divided up into soft support for your shoulders and firm support for your hips and back, ensuring that you are best positioned for a rejuvenating night's sleep.

Health Vantage Treated Foam

Dual protection against allergies and asthma, using allergy free covers in conjunction with treated comfort layers. QMS mattresses offer a better choice for the environment and a healthier nights sleep.
