

Queensland Mobility Solutions

Dycem Anchorpad, Rectangle

- Unbeatable grip for any item and have been proven to grip up to a 45 degree angle. Keep your items secure by using them on a range of surfaces.
- Not sticky, but they grip to dry slippery surfaces e.g. worktops, trays, floors, tables to prevent movement.
- Lightweight and portable
- Easy-to-use non-slip mats are anti-microbial, making them very hygienic.
- Can be cleaned in soft soapy water to retain their properties, but they are not effective when wet.
- Ideal for anyone with difficulty gripping or with mobility problems.
- Non-toxic and do not contain latex.
