

# Queensland Mobility Solutions

## Sure Grip Cutlery Built Up Cutlery

### Adaptive Utensils with Built-Up Handles

- The latex-free rubber handles provide natural slip resistance and are 1.5” wide to ensure a firm hold during mealtime
- The stainless steel utensils are attached to 4” long, built-up handles and can be safely washed in the dishwasher up to 125-degrees for convenience.
- Offers more control so the utensil reaches the mouth without spilling food
